[Music] 0:06 what's up fellas so I had a patient 0:08 support of that want to know why girls 0:11 tell you they have a boyfriend all right 0:13 because as we all know women don't cheat 0:16 those sweet angels they never cheat so 0:20 he want to know why they take why did a 0:22 potato have a boyfriend well from my 0:25 experience guys it comes from two ways 0:29 if a woman is not interested in you when 0:34 you approach her in my experience she 0:37 lets it be known right away so let's say 0:40 you walking down the street or something 0:41 like that you see a girl and you go up 0:44 to land you say hey my name is Jeffrey 0:46 or whatever the case and she'll say 0:48 something like I have a boyfriend and 0:50 usually she won't even make eye contact 0:52 y'all be looking up you know looking 0:54 what else she's doing that's that don't 0:57 mean try harder all right that ain't 0:59 playin hard-to-get that means I'm not 1:01 interested all right one day she might 1:03 know he ain't got a boyfriend but you 1:05 ain't finna be my boyfriend either 1:07 regardless if I had one I don't all 1:09 right so if I see that and I'm always 1:11 when I do approach guys I'm paying 1:14 attention tonight first of all y'all 1:15 guys know this is one of the reasons why 1:18 I do cold approaching from the get-go 1:20 all right this is what this I don't have 1:23 these issues all right cuz you know I 1:27 let the women choose me I think I think 1:29 I'm better than women I I think I think 1:31 that they ship roast me all right but 1:34 they're not gonna approach me but 1:35 they're gonna do truther signals all 1:36 right that's just me dude the [__] you 1:38 want I don't give a [__] you chase the 1:40 ass 24/7 you could wait go to chase ass 1:42 in your sleep fall I give a [__] 1:44 I'm telling you what the [__] I do but 1:46 for all you cold approaches I dug this 1:48 is what you're gonna deal with so keep 1:49 gold approached tonight and so you do 1:53 this and you get a woman who's looking 1:55 around and I got a boyfriend 1:57 from my experience all right because I 1:59 haven't always been a choosing signal 2:03 guy all right so just for references 2:05 anyone like I was waiting for choosing 2:07 signals now 18 there's some [__] out and 2:09 got on like the last you know maybe four 2:12 years or so 2:13 three 2:13 for years when I started say [__] that 2:16 [__] alright I haven't been on 2:18 choosing signals all my life so I have 2:20 went through the cold approaching just 2:21 like you guys alright this is just 2:23 something I developed once I got my [__] 2:25 I said man [__] that [__] you know 2:27 [__] I look good [__] 2:30 I Drive man [__] [__] I they 2:33 approach me I ought since choosing 2:35 signals alright so but when I was cold 2:38 approach him and I will go up to women 2:40 what they would do is the ones who were 2:43 interested they would say something like 2:45 they would have a full conversation and 2:48 right when you get around it exchanging 2:51 numbers then she was saying with a smile 2:54 on her face I have a boyfriend now now 2:58 this woman is obviously interested she 3:00 didn't get you all of them choose a 3:01 signal body language doing them smile 3:03 and then just another but now I have a 3:05 boyfriend now if you play this wrong you 3:08 ain't gonna get [__] out of it all right 3:10 if you still try to insist on getting 3:13 her number 3:14 I'm not saying it's impossible but it'd 3:17 probably be like no-go what you should 3:20 do is offer her

nobody else that won't show 9:24 ass all right you need to always carry 9:27 yourself like I got a bunch of women 9:28 just waiting to replace us and you do 9:30 this by pulling back and letting them 9:32 come back to you all right so I had my 9:35 man say whenever you put a woman into 9:37 his rotation they start acting up 9:39 they started acting up because he 9:41 probably treats his rotation just like 9:43 some of you guys treat your 9:44 relationships in your marriage and some 9:46 [__] Lifetime Achievement Award 9:48 like once you heal [__] this ain't no 9:50 [__] Hall of Fame like once you in 9:52 and you can't get your ass inducted out 9:54 no all right you earned this position 9:56 but you dis ain't no lifetime I'd kick 9:59 your ass out always be willing to walk 10:01 away guys 10:02 always always always always always stand 10:05 by your person I don't give a [__] if 10:06 you ain't got but one [__] all right 10:09 always always have the balls to walk 10:11 away that's the only thing women respect 10:13 they don't respect you yelling they 10:15 don't respect you trying to hear them 10:16 none of that [__] any guys any of 10:19 you guys that know about are some women 10:22 that been abused or whatever don't let 10:24 me don't start cowering down they talk 10:26 more 10:27 thanks homo [__] all right if you any of 10:30 you guys seen that situation with like 10:32 Tina Turner and she I know just a movie 10:34 and [__] but she went she talked motion 10:37 all right the moaning like the motion 10:39 she told all right guys it does nothing 10:42 all right 10:43 it does nothing maybe she pipe down for 10:45 a second does she swallow and turn 10:47 around ten minutes later she pipe it off 10:49 again 10:49 if that ain't how you earn a woman 10:51 respect you only want me respect by 10:53 walking away all right guys so that's 10:56 the thing with 10:56 if a woman in your rotation and they 10:58 start acting up well [__] now you ain't 11:00 in a rotation alright that's Ida but 11:03 definitely not before you [__] 11:05 definitely not before you [__] that's 11:06 one that's when I put a woman in my 11:08 rotation if it once I don't [__] and I 11:11 enjoy her company because when you're my 11:14 rotation you're coming up perks alright 11:16 I enjoy your company than just a booty 11:18 call 11:19 I enjoy your company that means that 11:21 when we hang out I enjoy spending a date 11:24 with you I know some of your 11:25 [__] just savages and you just 11:26 want booty calls or whatever the case 11:27 may be that's good for you but I 11:30 actually enjoy female companionship 11:32 alright I don't want to be hanging 11:33 around a house with a bunch of hairy leg 11:34 dudes drinking Budweiser watching the 11:36 Cubs game alright I actually enjoy going 11:38 out having a romantic time with women 11:41 and [__] like that I just don't like 11:42 relationships and I just don't [__] 11:44 like for a woman to like two days in a 11:47 row like if I if I see if I be with a 11:49 woman on Saturday all right Sunday more 11:51 times you ask to go I I don't like when 11:53 two days in a row and I always start to 11:54 get on my [__] nerves right so that's 11:57 the thing with that guys but getting 11:59 back to the first point guys why I want 12:02 me to tell you and she has a boyfriend 12:03 it could be she doesn't had no interest 12:05 in you or she just want to let you know 12:08 that we could [__] around but you got to 12:10 know how to play your

what's up fellas so I got a piece of 0:10 support of that said man listen the 0:12 strategies are working on the 7th and 0:14 8th but I ain't pulling no knives and 0:16 tends me so he's basically saying the 0:17 strategies don't work for knives and 0:19 teens it only work for us 7th and 8th so 0:22 I definitely want to make this video 0:24 this is an important video right because 0:26 guys let me tell you this Red Hill right 0:28 off the bat you are way to attract if 0:33 you are not a dime you cannot pull a 0:36 dime all right that's the bottom [__] 0:39 line guys you have to make yourself a 0:42 dime to attract a dime you are what you 0:45 attract and so this is the level of 0:50 attraction right here this is how the 0:52 attraction thing works guys you do the 0:55 self-improvement first right that's gym 0:59 purpose all that style you do all that 1:04 that's self improvement 101 you do the 1:07 external attributes right the external 1:10 attributes directly or indirectly links 1:14 to the internal attributes all right 1:17 because when you improve your body when 1:20 you own your purpose when you're 1:22 improving your finances on your purpose 1:23 all right when you improve your style 1:27 your swag and charisma starts to change 1:31 the way you feel about yourself they 1:34 directly links to your charisma guys 1:37 your personal personality directly links 1:40 with how you feel about yourself 1:42 externally all right now we all know if 1:45 some guys I hear that drive a [__] 1:48 Maybach or Lamborghini six-pack abs and 1:50 they still corny as [__] all right we 1:53 all understand that but I'm talking 1:55 about the average [__] if they 1:58 feel better about themselves externally 2:00 it directly correlates to better careers 2:04 man [__] like that 2:05 all right now cus it's just a confidence 2:07 confidence is directly when you put the 2:10 work in you'll see it with basketball 2:12 players when basketball players 2:14 put that work in and the whole season of 2:16 [__] you can see it on the court they 2:18 very confident in these skills it 2:20 directly leads to your confidence when 2:22 you feel better about yourself now the 2:25 internal attributes is what get the pen 2:27 is off alright 2:29 the external attributes are only for 2:31 attraction alright that's it 2:34 only gonna get your foot in the [__] 2:36 door I don't give a [__] how much you 2:38 huff and puff your hands and that 2:39 goddamn jam and I don't give a [__] if 2:41 you wear a [__] Armani suit every day 2:44 of the [__] week alright 2:46 and I don't give a [__] if you got a 2:47 different color Lambo ever drive a 2:49 different color Lambo every day of the 2:51 [__] week all right that [__] will 2:53 only get your foot in the [__] door 2:55 you'll be the [__] corny guy that 2:58 looks good alright the internet rebukes 3:02 the charisma the humor if it's natural 3:05 but

for inner you [__] go get 3:07 you some goddamn oranges and start 3:08 juggling the [__] on the 3:10 goddamn date if it's natural 3:12 alright I get y'all guys I was watching 3:15 the movie the good the bad the ugly 3:16 right and on that movie I'm gonna show 3:19 y'all exactly what I'm talking about 3:20 when I say natural is funny in that 3:22 movie Clint Eastwood was like doing 3:25 these like look one-liners that was 3:27 funny and [__] to me but you know it 3:31 wasn't meant to be like a hoo-hoo ha ha 3:34 laughs it was just like a little smart 3:36 funny like one lime oh and then he did a 3:40 bunch on me that move ladies little 3:42 cookie like very funny one-liners but he 3:46 held frame I was just watching that 3:48 movie yesterday and I was just like this 3:49 is a perfect example of what I'm talking 3:51 about humor in a masculine sitting he 3:54 was very masculine but he had like these 3:56 these one-liners that just like hit you 3:58 in the [__] stomach that's what the 4:00 [__] I'm talking about so if you have 4:01 that then fine all right guys that's 4:04 what's gonna get the [__] panties off 4:06 this strategies only come into play only 4:11 come into play to help you from over 4:14 pursuing pass [__] test availability 4:17 test and value test guys that's it now 4:20 I'm gonna get y'all to kicker to this 4:21 all right the strategies are only for 4:25 beta males 4:26 only if you obey the mail because any of 4:29 you guys once you graduate to high value 4:32 mail status once you truly become a hot 4:34 bag once you make that abundance mindset 4:37 switch in your mind once that [__] go 4:39 off and you only your purpose and you're 4:41 doing what the [__] you're supposed to 4:42 do you won't even have to think about no 4:44 strategies all this [__] just come 4:46 naturally alright and I'll tell you why 4:49 it's for beta males beta males think 4:52 that if I just show this woman that I'm 4:55 serious that I won't I won't see beta 4:58 males have this mindset that if they 5:00 show a woman that they really want a 5:02 relationship or marriage that that's 5:04 what the woman so that's where all the 5:06 complements and that's what the over 5:08 pursuing comes in that because I just 5:10 gotta show up 5:11 I just gotta show and she no I really 5:14 really like her see the mother dude they 5:16 just wanna [__] but she knows I really 5:18 well I really like her and I don't want 5:20 to just [__] I want some serious see 5:22 beta males had that mindset they see the 5:24 world different from what reality is 5:26 they see that if I just expressed in 5:29 this woman how much she just know how 5:31 much I like her then she'll be our minds 5:34 because they actually think women have a 5:36 heart women don't have a heart all right 5:39 all women got is a [__] bottomless 5:42 pit full of snakes 5:43 they have no they'll care about your 5:45 feelings alright it means absolutely 5:47 nothing 5:49 beta males think that so when I come up 5:51 with the scratches I tell guys not to 5:53 validate women and [__] like that it 5:55 goes against everything today because 5:57 they think that if I just sure if she 6:00 just know that this [__] is real and I'm 6:03 serious about this and no I don't want 6:05 to just [__] I want a relationship I 6:07 want marriage and all that that's what 6:10 she's gonna want desk for the scratch 6:11 come in but that's just for beta males 6:13 alpha males we give the woman no 6:16 validation validation is putting a woman 6:18 on a pedestal that's

what you're doing 6:20 you kissing her ass for sex call it what 6:23 the [__] you want you you are [__] 6:26 brown-noser that's what you are you 6:28 kissing this woman ass thinking that if 6:30 you get enough Brown points she'd give 6:32 you some ass so if I just tell her 6:34 beautiful shares a day if I just tell I 6:36 like a [__] closer outfit today if I 6:38 just kiss I ask just enough maybe she 6:41 let me get a whiff of that [__] just 6:43 the will I don't even got a [__] I just 6:45 want to smell it 6:46 alright that's how the beta males thing 6:48 alpha males think that we're on the 6:50 coastal alright so we just naturally 6:53 don't get women validation and [__] like 6:55 that we naturally pass [__] tests we are 6:59 not available 7:00 so we don't have to pass no availability 7:01 test cuz we're not available guys 7:03 hitting me up saying hey this girl hit 7:06 me up at 11 o'clock at night um saying 7:10 can I come over and [__] like this when 7:12 y'all guys become a true high value male 7:14 either you will already have a [__] or 7:17 you'll be two bids on your purpose 7:19 there's no way a girl will bear to hit 7:22 you up ten eleven o'clock man say are 7:23 you available you would definitely be 7:25 had what the [__] are you doing sitting 7:27 in the bed watching Anna Griffin reruns 7:29 but what the [__] are you doing alright 7:32 and then you wonder why the woman lose 7:34 interest and she might even go through 7:36 with it 7:36 but then she's just thinking to enhance 7:38 your pain what the hell is he at home 7:39 doing playing with his balls 7:42 alright guys so y'all guys have to 7:44 understand that the strategies are for 7:46 beta males trying to be alpha males but 7:49 at some point you have to become an 7:51 alpha male now granted I know I get a 7:53 lot of new subscribers everyday so I get 7:55 that I understand that but for some of 7:57 you guys who've been following me for a 7:58 while now you should even need to 8:00 scratch addition should be just coming 8:02 naturally to you but their strategies do 8:05 [__] [__] to raise your sexual market 8:10 value nothing they do nothing to raise 8:12 your central market value the 8:15 self-improvement just the external 8:18 attributes right that attracts hotter 8:22 women their career smush it like that 8:25 gets the panties off now these women 8:28 upsets with you now these girls on your 8:30 team and now girls to you with these bad 8:32 chicks upsets with you now you have a 8:34 high of sexual market value whatever the 8:37 hottest chick you [__] wit right now 8:39 that's your central market value if you 8:41 could do better you would be 8:42 that's the best you can do right now if 8:44 you're dating a seven and that's the 8:45 hottest chicken that show special market 8:47 value I don't give a [__] if you make 8:49 five million dollars here they don't 8:50 matter it ain't good enough all right 8:53 that means that your personality is just 8:55 that [__] corny that you make five 8:57 million dollars a year and a seven is 8:59 still the [__] you can [__] pool 9:00 that should just show you how corner 9:02 your ass is that's what it tells me 9:05 all right guys so that's the issue with 9:07 that now some guys can be fat broke and 9:12 still have the confidence in swag to go 9:16 out of pool dimes naturally but that's 9:19 not for everybody and that's why I 9:21 differentiate from myself for the rest 9:23 of dating coach they figure like every 9:25 guy should be like that and that's just 9:27 not the way the [__] world works all 9:29

you're 12:5612 minutes, 56 secondsbeing cheap might because a girl won't thank you being Michael Kors now obviously in a girl that bakes mean I know I make decent so she might think you know if I get a myself cause man I'm 13:0413 minutes, 4 secondsbeing cheaper whatever but every woman pretty much knows what you make or give it takes you have a good and so if you somebody who make 30 grand 13:1313 minutes, 13 secondsin here and you go buy a woman a Michael Kors bag it's what I did when I did security by the way then it should be fine all right cuz no I make no [__] 13:2413 minutes, 24 secondsmoney like that all right but once I started training at the gym and I'm driving a [__] Mercedes and [__] like that you know I started getting girls 13:3113 minutes, 31 secondscoach bagg playing coach no crazy no logo all that crazy [__] cuz most women are conservative and they don't want all 13:3913 minutes, 39 secondsthat [__] just a plain Coach bag or something like that I'll coach bag around you probably around 300 you could catch it on sale maybe for 250 or 13:4813 minutes, 48 secondswhatever all right and if you're somebody who been with a girl a long time you make decent money you can go and do the lieu of a ton of Gucci but y'all typically speaking most of my 13:5613 minutes, 56 secondsgirls a year two tops right now all right really a year less right now I saw a 14:0314 minutes, 3 secondscoach bag would do good guys when you get to do a jury and [__] 14:0814 minutes, 8 secondsI like say you buy a girl a ring or something see if you go bad if you spend that $300 on a ring shoot me like with 14:1614 minutes, 16 secondsthis little [__] on said your face but she gonna be thinking it's not a piece of [__] all right to get a respectable diamond ring you probably gonna be looking at bare 14:2414 minutes, 24 secondsminimum six $700 I'm time I and that's bare member for a decent ring right if 14:3114 minutes, 31 secondsyou want to spend that same six seven hundred dollars on the back you'll oh man whoo you probably talking about a nice Prada bag or something all right 14:4014 minutes, 40 secondsshe would have appreciated that much more than that little piece of [__] 14:4314 minutes, 43 secondsdiamond six seven hundred nine when you started to my jury you got to get into the thousands for it to be a nice gift all right you much better sticking to 14:5114 minutes, 51 secondsbags all right you can go out and spend $150 on a little piece of [__] diamond or you would have spent that same hundred and fifty on a Michael Kors bag 14:5914 minutes, 59 secondsand she would have liked it a lot more I mean one time you know I ain't know much just when I was young like maybe twenty four twenty five are my girls had a 15:0715 minutes, 7 secondslong-term relationship with like a $600 ring she wasn't she like two days and I yeah let's put that [__] on her jury because it was she wanna hurt my 15:1515 minutes, 15 secondsfeelings on piece of [__] ass cluster diamond ring but had I spent that on a purse oh she would have loved it 15:2315 minutes, 23 secondsalright guys so you could never go wrong with a [__] purse alright never just see what I like to wear but more than 15:3215 minutes, 32 secondsthat you can't really go wrong with a Michael Kors bag if you feel a little bit on the financially strapped side and a coach if you own if you financially 15:4015 minutes, 40 secondsdoing well for yourself

alright unless you would have been with a girl like 5 or 10 years and you make good money I really don't see no need to go up until the Gucci and little bit 15:4815 minutes, 48 secondstons of [__] like that if you make a quarter million dollars a year and you've been with your girl 5 or 10 years and she'll good woman knock yourself out alright maybe I would 15:5615 minutes, 56 secondsdo it too alright but y'all guys know that all my shits pretty much short turner for the most part just not so [__] short turn to what my ass got to 16:0416 minutes, 4 secondsbe out got them in damn club ever [__] we got them too [__] old for that [__] I ain't got time girls be like after we go out to down on sad and [__] 16:1116 minutes, 11 secondsyou want to go to a club hell no we going home [__] I'm tired [__] my hands too old for that [__] so you know that's the thing with that guys alright so for 16:2016 minutes, 20 secondsall you young guys hey maybe you want to keep a steady circle [__] I don't done all that [__] quite frankly I don't even really issues me that much no mo 16:2716 minutes, 27 secondsalright another thing is once you find your purpose and find something you're passionate about that chasing ass different ass all the time it loses its 16:3516 minutes, 35 secondsluster alright it loses its luster don't get me wrong I still like my bro chasing the [__] but just being a ass changed a 16:4116 minutes, 41 seconds24/7 and [__] it just don't do it for me like it did you know five years ago it just don't alright since I found my passion and the gym and [__] like that 16:5016 minutes, 50 secondsright now I'm chasing that's the way I did alone it just don't it don't fascinate me the way I used to it seemed like it seemed like a waste of time 16:5816 minutes, 58 secondsquite frankly alright I love different hands and [__] 17:0117 minutes, 1 secondlike that but just chasing ass like that you look up and you be 40 years old and you ain't got [__] in wondering why all right guys so that's the thing with that 17:0917 minutes, 9 secondsall right guys like the video coming down below you guys want to see next holla back

cool so I do have another question Joey 0:06 I'm talking to this lawyer trick and so 0:09 I know she finds me very attractive cuz 0:12 she texts me damn near every [__] day 0:14 and the thing is like goddamn she's like 0:17 I'm not trying to talk to her every 0:18 [__] day like I was actually like 0:20 like you say was wrong 0:22 four hours later and then 10 minutes in 0:25 between mm-hm I only met her about four 0:28 or five times a day but she typed she 0:31 literally texted me every single day 0:33 do I tell it what it's like I'm [__] 0:37 busy or cuz I'm not trying to put the 0:39 odd all right so when you have a 0:44 situation like that and a girl won't 0:45 stop texting then do a drop-off and what 0:47 I happen when I come I would have 0:48 drop-off is all right so say she takes 0:50 you eight o'clock in the morning and you 0:52 respond to it at lunchtime and then she 0:54 texts you right back and then you 0:55 respond 10 to 15 minutes later and then 0:57 she takes you right back and then you 0:59 respond 10 to 15 minutes later and then 1:01 she takes you again do a drop-off that 1:02 means that you might not respond until a 1:04 phone call text again to like 7:30 that 1:06 night all right that's what that's what 1:08 I do when I got a girl like that you 1:09 just do a drop-off so you don't respond 1:11 it three times and she keep

texting back 1:13 now you do a drop-off and you just 1:14 respond to it when you get home settled 1:16 in at night that's how I would do it I 1:18 have that sometimes just do a long drop 1:20 off and that means that it might be six 1:21 seven hours but if she won't stop 1:23 texting you that's what you have to do 1:25 just do a long drop off another one more 1:33 let me let me get some you say it first 1:35 let me get to some you say at first you 1:36 said women are perceiving you alpha 1:38 because you show at five seven and 160 1:40 bro I know a bunch of guys who are alpha 1:43 that size I don't say a bunch of I know 1:45 guys who are alpha that size all right 1:47 it alpha it's not about your size none 1:49 of that alpha is about your mindset and 1:52 the way you carry yourself all right you 1:54 got an abundance mindset and you think 1:55 you can conquer the world and [__] like 1:57 that right now and you think that you 1:59 can conquer the world that'll make you a 2:01 now familiar beta males they just 2:03 naturally accept that they obey the mill 2:05 and they're gonna work for people all 2:06 their life and they're gonna get one 2:07 girlfriend they're gonna have three kids 2:08 that's what they think 2:10 alpha males don't think like that alpha 2:12 male I think that every [__] woman 2:13 wants them doubt familiar thinks that he 2:15 can 2:16 with a [__] woman the alpha male 2:17 things that he can do anything he want 2:20 to do he think I can be President if I 2:22 put my mind to it 2:23 all right so yo sighs I ain't got [__] 2:24 to do what you be an alpha male and then 2:26 like that it's just your mindset in the 2:27 way you carry yourself brother all right 2:30 I know a bunch of bitch-ass dudes that 2:31 are [__] 65 to 75 at the gym and 2:34 screen beta males all right so that 2:37 ain't got nothin to do with it 2:40 yeah I was so I'm talking to this shape 2:46 that just honorable right a relationship 2:48 about two weeks ago hmm 2:50 and I know she's still talking to the 2:53 guy but how would I go about getting her 2:56 on the date because I mean I've never 2:58 talked to a person on snapchat and I'm 3:02 texting it to that but uh once I do get 3:07 her on the day whoa first how would I do 3:10 that is that I know she's gonna still 3:13 have feelings but I so was what do I 3:17 talk about with her because I know I 3:19 can't be talking about relationships if 3:21 you just got out a woman and this was 3:23 but she's not gonna just want to be 3:24 [__] possible yeah but most of the 3:27 time not so like whoa who I talked to 3:30 her about 3:31 well you ain't talking you trying to get 3:34 her to do the [__] talkin you shut 3:36 the [__] up and ask questions you check 3:39 you say the least as much as you can 3:40 even when she asks you a question you 3:42 keep that [__] show and you put it right 3:44 back on her you shouldn't be doing a 3:46 whole bunch of talkin the thing is to 3:47 get her to do a lot of talking all right 3:49 and you've got some women at a slick and 3:51 they know how to try to put it back on 3:52 you you got to learn how to fight 3:53 through that [__] and put it right back 3:55 on the ass all right cuz here's the 3:57 thing guys y'all gotta understand about 3:58 women and I see somebody talking [__] 4:01 earlier tell myself take a drink every 4:03 time you say here's the thing well 4:04 here's the thing [__] I'm a 4:05 cheap saying here's the thing y'all 4:07 gotta understand that women go on these 4:10 dates to disqualify y'all

ass so yeah 4:12 you just gonna talk your hands like a 4:13 [__] all right women going need a short 4:15 with a little checklist and [__] and 4:17 they show up on the date and they like 4:19 all right I got my little checklist okay 4:22 throw extra question boom here ya go to 4:26 church he out I can't do now 4:28 mmm I can't get no food in a little 4:30 church all right 4:31 so that's why you want to get them 4:32 talking because the motor could find out 4:34 about you is the mo reason they can 4:35 disqualify you ass all right so that's 4:37 the thing women go there they try to 4:38 protect a [__] and [__] they try not to 4:40 get that [__] up John Sykes appreciate 4:42 that super chat brother all right so 4:45 that's the thing with that brother keep 4:47 your [__] mouth [__] high bro

Oh what's going on after my strategies

0:06

what's wrong I was calling that

0:08

basically ohm with all these females

0:12

that I talk to I don't know I don't give

0:16

in I don't validate them and whatnot so

0:17

now it only seems like me home with that

0:19

like a lot of no interest and I usually

0:22

won't i won't over pursue or anything

0:24

I'll just chill but it doesn't seem like

0:29

like when I pull back they usually won't

0:31

chase harder alright so let me answer

0:34

that first it has an attainable we're

0:35

all right let me answer that first I'm

0:37

leaving I'm not I brought in here hey

0:40

let me out no I'm not getting indicate

0:43

either all right bro hey hold on going

0:45

forward guys when I say let me answer

0:46

that first the reason I say answer that

0:48

because I can't try to answer four

0:49

questions at one time all right so let

0:52

me answer that first the reason why when

0:54

you pull back and you won't dinner

0:56

pursue it ain't got never pursue all

0:58

right this is why I tell you guys to

1:00

make yourself a catch all right to them

1:02

you nothing you nothing to pursue I so

1:05

[__] your pullback that's what you got

1:07

going on so you need to either probably

1:09

work on your swag work on your dress

1:11

get on your purpose hit the gym you

1:14

haven't made yourself with kids I've

1:17

been hit I've been hitting the gym I've

1:19

been on my purpose I know like I said I

1:21

don't like do it I don't do anything

1:23

that in a weak position no all right

1:27

there you go I got you right here so

1:29

guys here's the thing when I tell you

1:31

all this [__] about going to the gym and

1:34

getting on your purpose and [__] that in

1:36

itself won't do nothing what I'm hoping

1:40

it lead to what it's supposed to lead to

1:42

is some swagger all right took some

1:45

masculine frame - you are seductive all

1:48

right so that hope that's improving your

1:49

confidence so that when you round these

1:51

women it improve your confidence so the

1:54

way you got you know good seduction -

1:56

what they want to pursue you all right

1:58

so when I tell you guys to hit the gym

2:00

and get your dress that won't do it in

2:03

itself what I'm hoping it that it does

2:06

is get it increased your swagger and

2:09

that's when you sit on the couch with a

2:12

girl huh

2:15

say what bro you're saying a daughter

2:17

build your confidence which leads to

2:19

bigger swagger so when you sing with a

2:21

girl on a couch all right it gives you a

2:23

sense of entitlement

2:25

to where you better a better seducer you

2:27

better seduction alright so well she

2:30

miss you so guys if y'all guys go watch

2:32

my video about conversing with women and

2:34

[__] like that

2:35

and how I talk to women and [__] that's

2:37

what women are gonna miss I'm hoping I'm

2:40

hoping by you improving yourself doing

2:42

the self improvement that that increase

2:44

in confidence improve your seduction all

2:48

right not that the clothes by yourself

2:50

is gonna do any [__] thing all right

2:53

and this is why I you know I get on to

2:55

the other day and coaches cuz they try

2:57

to compare guys who got this [__]

2:58

naturally if some guys who got that [__]

3:01

natural in a [__] sweat suit and

3:02

there's some guys that don't alright so

3:05

the guys who don't got it you know I'm

3:07

hoping doing a self-improvement

3:09

gets you a better seduction mode alright

3:12

if that makes sense of what I'm saying

3:14

alright so you can hit the gym you can

3:17

improve your wardrobe but if your

3:20

seduction don't improve won't mend

3:22

matter so when you whip these women you

3:24

need to learn how to make them feel a

3:25

certain type of way all right

3:27

you want your clothes to make them feel

3:29

a certain type of weight or your muscles

3:30

that ain't gonna do it I'm just hoping

3:32

that improves your confidence which it

3:34

should that naturally anybody hitting

3:36

the gym and dressing better and [__]

3:38

like that get on a purpose it naturally

3:40

improves your confidence alright so you

3:43

need to stay working on your seduction

3:44

when you with them

3:46

you got to improve your seduction

3:48

brother that's the only thing that's

3:50

gonna make them pursue you Oh would you

3:54

say that you kind of the seduction

3:56

happens way before you even being out

3:58

there so working on yourself being on

4:00

your purpose all these things are kind

4:02

of done because what I'm trying to say

4:05

is is like most of the work is already

4:08

done before you even hang out with her

4:10

no no no no no no this adduction happens

4:15

when you with her on the date or when

4:17

you hanging out with her the way you

4:18

make her feel the way you talk all right

4:21

the way you know how to make her in a

4:23

certain type of mood see when you and

4:25

your masculine frame and you seducing

4:27

you put on the frame the frame and she

4:30

just get drawn

4:31

on to you alright yo clothes won't do

4:33

that yo car won't do that well nothing

4:35

you got won't no muscles do that the

4:37

only thing that can do that is you

4:39

yourself improvements supposed to help

4:42

you get that to that swagger all right

4:44

but it won't do it by itself all right

4:47

if this is why you see guys who have

4:49

money and stuff and they still struggle

4:51

with women because they want the money

4:53

in itself to do it and it won't you

4:56

still gotta get good at seduction

4:58

getting a woman to feel a certain type

5:00

of way to where when you not with her

5:02

she need to get another hit of you all

5:05

right when you're women ain't around you

5:06

they don't miss [__] because you ain't

5:07

making them feel a certain type of way

5:09

when they around you you got to make a

5:11

woman feel a certain type of way when

5:12

she around you - well she ain't when she

5:14

ain't around you she calling them

5:15

pursuing you because she need to get

5:17

another hit of you like your drug or

5:19

something all right like you got

5:20

seductive drug like you make a feel a

5:22

certain type of way all right and I'm

5:25

gonna tell you something right now I can

5:26

just hear from talking to you and [__]

5:28

like that I can just hear from talking

5:29

to you I could tell just from your tone

5:32

of voice and [__] like that you not a

5:34

good seducer I can just hear it in your

5:36

voice

5:36

you need to work on some seduction like

5:44

how old ever any that I want me and my

5:45

friend I got me one to watch pretty

5:47

regularly I'm only 20 right now but I've

5:52

been working on my purpose but the last

5:54

few years

5:55

hmm and I know it's never gonna end but

5:57

I'm just saying that's what I really

5:58

started take it serious and I really

6:00

started work on myself

6:01

mmm I know it's still gonna fall with me

6:03

a while but I still try to go out I

6:05

still try to get a good game they pick a

6:07

business but it doesn't really I don't

6:10

know I think it's something that I got

6:11

to work on like my inner gate that's the

6:14

bigger problem right it really manages

6:16

come down to some confidence and when

6:18

you've been with a woman a sense of

6:19

entitlement when I bet you with these

6:21

women you giving them a finless a

6:23

friendly tight feel like it's more like

6:25

a friendly type field it's not more like

6:27

a sexual type field you know I'm saying

6:29

and the reason I know that because I

6:31

used to do that when I was a teenager I

6:33

used to get these your women are like I

6:36

would talk to a woman and if like I'm

6:37

talking to my friend all right not

6:40

seducing all right not trying to get her

6:42

in the mood and they're like that

6:44

I've been trying to avoid that because

6:46

that's the thing I don't want to come

6:48

across because I'm trying to be their

6:50

friend right but at the same time I

6:51

don't want to be like I don't want to be

6:53

so cut and dry that they that they like

6:56

they just they don't even know that I'm

6:59

interested in them do you see what I

7:00

mean like no I don't know no no I mean

7:03

no no a friend and not also trying to be

7:07

like I'm not even interested in them at

7:09

all no no no see you going to his screen

7:12

when I'm seducing I still don't

7:14

compliment and [__] like that but I'm

7:16

seducing alright so I tell you not to

7:19

touch women and stuff like this at the

7:20

restaurant cuz you're gonna [__] the

7:22

restaurant but once you get a home and

7:24

stuff like that now you're making your

7:25

move now you go to touching and stuff

7:27

like that you trying to progress to sex

7:29

and you're talking and you got you got

7:31

to work on the right picture voice you

7:32

got to get in the seductive mold brother

7:34

it's the whole thing all right it's the

7:36

whole thing it's the voice it's the it's

7:38

the whole body language the whole

7:40

laid-back demeanor body language is all

7:42

that [__] into it alright you basically

7:44

trying to seduce this woman you need any

7:46

kind of friendly feels and stuff like

7:48

that you got in your mind said all that

7:49

gotta go it's gotta be a straight

7:51

seducing now if she back at your house

7:53

or something like that she pretty much

7:55

put herself in a position for you to

7:56

seduce her all right and so but they're

8:00

just gonna take sometimes you 2208 you

8:02

20 years old you know I don't expect you

8:04

to be a master student tomorrow you know

8:06

but I'm just putting in your mindset of

8:08

why these women are not pursuing you

8:09

when you ain't around them then you know

8:12

they not gonna pursue you if you don't

8:13

make them feel a certain type of way

8:15

when they wit to you got to make them

8:16

feel a certain type of way when in which

8:18

one it's just what you talking and how

8:20

you acting like your body language and

8:22

how you talking to them and stuff like

8:24

that you got to learn how y'all guys got

8:26

to learn how to seduce these women all

8:28

right so you guys I hope y'all guys

8:30

don't go out here like what do you think

8:35

with that you see let's say you're out

8:37

and you see a girl you want to go talk

8:38

to mmm you like one of the videos you

8:42

base because is one could you say hey

8:43

you gauge the interest level alright

8:45

from there like where you like let's say

8:48

you're doing no game and you're out as

8:50

are hmm alright hang out with her you

8:53

still got a dinner to know you know like

8:56

what are you what do you like

8:58

all right last night I went up to a girl

9:00

at the bar and her friend was taking a

9:02

picture and I went up to and I said I

9:04

need to be in this picture in other

9:06

words what's going on right now that I

9:09

can relate that I could jump into this

9:10

you know interaction or whatever going

9:13

on so I seen them taking the pictures

9:15

and stuff both always taking the pitch

9:16

and I said can I get in this picture and

9:18

they was both turning around laughs and

9:20

then one of the girls I guess she had a

9:23

boyfriend of some she went here another

9:24

friend came around this way so basically

9:26

what I'm saying is I used the situation

9:28

or what was going on let's say

9:30

hypothetically you meet a girl at the

9:34

ice cream whatever getting some ice

9:36

cream the weather folks you can say you

9:38

know that's a lot of calories or

9:39

something like that whatever the case

9:40

may be like what's going what's the

9:42

situation that's how I jump into it like

9:44

that like what's the situation that's

9:46

going on right now all right that's how

9:48

I like to get into it like in a

9:50

situation you're going to or whatever

9:51

the case might be when you're ended up

9:53

going up to a woman what's going on is

9:55

y'all out somewhere eating or you meet

9:57

her shooting pool throwing darts what's

9:59

going on that's how I like to get into

10:01

it like that right though all right so

10:03

the girls are taking a picture I came in

10:05

said I should be in that picture right

10:06

there that's how I got into it I ain't

10:08

got a phone on me stuff like that

10:09

so look at the situation that's how I

10:11

like to get into it and that makes sense

10:16

gosh I thank you and I appreciate it I

10:19

broke preset all right so how do you how do you go about truly making a girl solicit to you because the problem is like the [__] 0:1212 secondsthat you say is like disrespectful a [__] like that I don't really experience what but where my girl in [__] like that she's not disrespectful to me she don't 0:2020 secondsraise her voice and [__] like that but she just has this thing where she wants to fight the submission almost like you tell they don't do some [__] and she 0:2828 secondsdoes it anyway but she's still very feminine around me and [__] like that right they should help me suck the [__] 0:3434 secondsout my dick in [__] like that but I'm trying to completely capture it oh alright so first of all guys what he 0:4040 secondsjust said hold on hold on hold on hold on let me ask you at first all right he trying to confuse [__] test 0:4949 secondswith complete submission guys even when a woman submit to you the [__] test never in all right so she still got to check every nine then just to make sure 0:5757 secondsyou still got your alpha dominance alright so that never going in so you won't just because you got a warm and submit it you think like okay that's it I'm set for life it don't work that way 1:051 minute, 5 secondsyou have a submitted on Friday and by tools that has to be testing again so the test never gonna end ever - the day you die I don't care if 1:131 minute, 13 secondsyou live be with her - you 90 years old she gonna test periodically I don't care how much you know you got her submitted she's still gonna got a test every night 1:221 minute, 22 secondsthen just the way it is bro she oh yeah and I got one more quick 1:341 minute, 34 secondsscenario for you I want I want you to tell me what the [__] test some disrespect some [__] but long story short I was laid up with my girl and we 1:431 minute, 43 secondswere on normal whatever the case is we're in the bed and she went downstairs to go smoke what they do you know I don't smoking [__] so she went out there 1:501 minute, 50 secondsfor 10 minute she called me saying baby put on clothes put on a shirt and pants I asked her why she told me to just do 1:571 minute, 57

secondsit she come upstairs with the dude talking about she want me to mingle with the dude and she's like that the dude came upstairs or whatever the case may 2:052 minutes, 5 secondsbe and we're all in the room for like 10 minutes and then - hmm and she kind of knows I didn't wanted to hanging around guys [__] like that that's my [__] touch or is that just her 2:142 minutes, 14 secondstrying to be friendly well to do the friend or what was dinner it went on ex-boyfriend and then was it like just like her we plug that would 2:232 minutes, 23 secondshelp me keep pas who it was who either we [__] he supplies there and she bought 2:322 minutes, 32 secondshim all upstairs and [__] like that yeah I would have took that as total disrespect I don't play [__] like that bro I you ain't no goddamn cook okay alright 2:392 minutes, 39 secondsso in a situation like that I would have probably pull it all the way back from alright until she came back and apologized and you know what would 2:472 minutes, 47 secondshappen once you apologize she would have had to suck a whole lot of dick yeah I don't know guys periodically 2:542 minutes, 54 secondswomen gonna do [__] like this women are just tested by Nature guys you know don't get offended by it if they do small tests you know you check them if 3:023 minutes, 2 secondsthey do big tests like this you leave them and wait til they come back and beg you back that's how I Hamlet alright cuz you know how most guys try to handle it 3:103 minutes, 10 secondsthey need to try to out talk a woman talk Lyle or they get abusive and [__] 3:143 minutes, 14 secondslike that you don't make women submit like that you make women submit by them knowing you got the strength to leave alright that is that is how you show women 3:213 minutes, 21 secondsstrength that I can leave your ass you don't show women strength by getting the argument with her about this dude who is this dude why are you bringing them here 3:293 minutes, 29 secondsall this other [__] you don't you let her know that listen I appreciate that [__] you know I'm out of here alright and we're super Wendy calling them begging back let that [__] come 3:373 minutes, 37 secondsback and she gonna suck a whole lot of dick that's how you handle that bro don't tolerate no [__] like that alright 3:443 minutes, 44 secondsI'll keep doing appreciate it bro

- well maybe we ain't like where we 7:26 going out in the club every weekend but 7:29 maybe just somebody that's a number in 7:30 my phone book I know all dude and I see 7:32 them periodically and then we cool and 7:36 so when I go in there to

get that 7:37 contract I know somebody so it's not 7:40 about always just this is my best friend 7:42 and we [__] bosom buddies it's not 7:44 got to always be about that sometimes 7:46 it's just who you know all right if I'm 7:50 doing some [__] over him and even though 7:53 a trainer at the gym might not have been 7:54 my best friend but I know who he is and 7:56 we was cool when I was training five 7:59 years down the road some [__] come up 8:00 opportune that maybe I know something 8:02 and then he come through the door and 8:04 I'm at the wrong time you know I ain't 8:06 seen in a long time and we was cool with 8:08 training and seed now that's networking 8:11 all right guys so try to make sure that 8:13 you if you don't make it make friends at 8:15 least associate with people to where you 8:17 never know what somebody gonna help you 8:20 in the long run maybe not today maybe 10 8:22 years down the road but you never 8:23 [__] know guys all right and so 8:26 that's it that's what that guy's now the 8:29 reason why I know you guys say well you 8:32 taught purpose you talk pervs top person 8:34 all right so let me talk about purpose 8:36 real quick all right and that's why I 8:37 want you guys focusing on your education 8:39 a skill or whatever the case may be 8:41 guys purpose or whatever you have a 8:44 passion for sometimes it takes a long 8:46 time and sometimes you might not never 8:48 make no money off of 8:50 sometimes it just be something that you 8:52 have a love for that you never make no 8:54 money let's say you have a passion for 8:57 feeding homeless kids that just say you 8:59 have a passion for saving the [__] 9:01 world or your animal activist all right 9:04 that [__] ain't gonna pay no [__] 9:05 money all right so yeah you got a you 9:08 got a passion for saving animals and 9:11 your animal activists and you don't like 9:12 when people wear furs or [__] and you 9:14 just got a passion for same time and 9:16 that's good that [__] don't pay no money 9:18 I want you guys to build your foundation 9:20 and do your purpose on the side if it 9:24 ever comes to where you can make money 9:25 off of it fine but remember guys you 9:29 know we all want to make money 9:31 granted ah yes I love my purpose I 9:33 wanted to make money but understand this 9:37 purpose primarily is about making you 9:40 complete as a man something that you 9:43 don't have to be needy upon a woman that 9:46 you are fulfilled in life that's first 9:48 and foremost with purpose first and 9:50 foremost if you want to volunteer to say 9:53 African kids and you have a passion for 9:54 that the [__] or pay no money do it 9:57 if you just have a passion and you'll 9:59 never be needy and you'll never feel 10:01 like I need a woman in my life all right 10:05 guys you go work you go to work from 10:07 9:00 to 5:00 and you get off at 5:00 you 10:08 get on my six and you bought out your 10:10 [__] mind 10:10 and then you wonder why you're calling 10:12 your eggs being in a bed because you 10:14 don't have nothing to fulfill you in 10:15 life that's what purpose kills it kills 10:19 dead it becomes everything takes a 10:21 backseat to that if it makes money

- well if you could do it earlier knock 17:41 yourself out 17:42 all right you can get it going earlier 17:44 but I don't want y'all guys to get no 17:46 ill illusions of making a living doing 17:49 your passion pursuing your passion it's 17:51 gonna be easy all right I don't want 17:52 y'all to get that illusion it's gonna be 17:54 hard all right and the reason I say that 17:57 guys understand this nothing happens 17:59 overnight all right and so what I mean 18:02 by that a lot you guys see that I took 18:04 off on YouTube and you might have said 18:06 well miss you did quick why I can't do 18:09 it quick understand guys it took 20 18:14 years of dating for me to do YouTube see 18:19 you just see the year that I've been on 18:21 YouTube well let's talk about those 20 18:23 years to get that [__] knowledge to 18:26 you we'll talk about that huh so you got 18:29 to understand that the knowledge didn't 18:30 just fall from the sky ain't just wake 18:34 up with a little book under my hands and 18:35 oh it's a dating book I think that all 18:37 these good strategies 18:38 no I had to go through a lot of [__] 18:42 a lot of dates to get that [__] 18:44 knowledge all right guys so you gotta 18:47 count all that to make me who I am today 18:50 and that's the same way it's gonna be 18:51 with your passion you got to go through 18:53 a lot of life experience to get good at 18:56 pursuing your passion and to

maximize it 18:59 all right guys so when you see like 19:01 LeBron James and you just see him like 19:04 playing basketball understand that that 19:08 man been playing basketball since he was 19:09 8 years old and he's probably played day 19:11 and night all his [__] life but when 19:14 you just see you just see him making the 19:16 NBA but let's talk about that 10 years 19:19 when he played day and night to get the 19:21 skills developed to go to the NBA so he 19:25 just wake up at 16 17 years old and said 19:28 man I could play basketball no it takes 19:31 years to develop those skills so even 19:35 though when I got on YouTube it took our 19:38 fans understand that it took 20 years 19:41 20-plus years to get that [__] 19:43 knowledge all right guys so if you 19:46 pursuing your passion it's gonna take 19:48 time to get the knowledge to know what 19:51 the [__] you 19:52 doing all right guys so I don't want you 19:54 guys thinking like any of you guys 19:55 thinking you're gonna start doing your 19:57 purpose of passion and it's just gonna 19:58 take off they don't happen in that way 19:59 guys 20:00 I'm telling that [__] now it don't 20:01 happen at the very least to take you 20:03 years to get the knowledge to even to 20:06 where you can get to master your craft 20:08 all right that's why when y'all guys ask 20:11 me all that's why I got an answer for 20:12 everything and I don't [__] done it 20:14 all 20:14 all right guys so that's the thing with 20:17 that guy so now that you're 32 20:18 you're probably able to pursue your 20:20 passion more for time you're also able 20:22 to start making some money and now you 20:25 have all that money invested into 20:28 whatever you want it into and so now 20:30 you're probably gonna at this age you're 20:33 probably working less but making more 20:38 money all because of the sacrifices you 20:41 made when you was 22 in your 20s all 20:44 right guys so you're making more money 20:46 and working less all right 20:49 because now now the main thing of me 20:51 doing my purpose and my passion is I'm 20:53 trying to figure out how to scale it all 20:55 right opposed to working a nine-to-five 20:56 all right guys so now you're making you 20:59 should be trying to make passive income 21:01 you have the money invested into the 21:04 real estate you did whatever you be able 21:05 to money invested it that's up to you 21:07 but now you're making passive income and 21:10 now you're making more passive income 21:12 all right guys that's the man now this 21:17 is the most important thing when you get 21:18 32 guys the most important thing you 21:22 have to get married and start a family 21:24 you're not a man if you don't get 21:27 married and start a family 21:28 okay guys now I'm just [__] with y'all 21:31 y'all know I'm just [__] with y'all 21:32 y'all know we don't do that over hill 21:33 all right 21:34 but anyway getting back to the point 21:37 [__] that [__] but anyway getting 21:39 back to the point guys that's the main 21:40 thing you should be seeing when you get 21:42 32 you should be able to start seeing 21:46 some passive income when you was 22 to 21:49 32 you had to work for every

[__] 21:52 thing very little passive income if any 21:54 it's other than the money he was 21:56 investing now my passion is starting to 21:59 take forefront and now I'm starting to 22:01 make more pesos like so with meaning I 22:03 took this um the training money 22:06 and I started my security company and I 22:08 was making passive income at night awful 22:11 guys working for me because I took the 22:13 money that I was making from training 22:15 investing and starting a security 22:16 company and that way it was making me 22:18 money off of the security all right guys 22:20 all right now now that we're in our 50s 22:25 all right and I don't I don't want 22:28 nobody to really just full retire I 22:30 think everybody should work to the day 22:32 they die they say you most people die 22:34 when they stop working guys so I just 22:37 don't want to work hard but I think I'm 22:38 always gonna do some type of work all 22:40 right 22:40 but so now we had a point to where we 22:43 all our past now we can travel more we 22:47 have plenty of money in the bank all 22:50 right keep yourself in shape guys and 22:53 [__] these holes to sleep man all right 22:56 but most importantly guys when you turn 22:59 50 years old you have to renew your vows 23:02 and let your woman know that you loved 23:06 her the first day as much as you did the 23:08 first day you ever met her even though 23:10 her fat ass then gained 30 pounds you 23:12 have to renew your vows now I'm just 23:14 [__] with y'all y'all know we don't 23:15 get down like that over Hill all right 23:17 if I even thought when you [__] 23:19 get married I'm gonna come kick your ass 23:20 all right you gonna see my little 23:22 bald-headed ass jump up in front of your 23:24 ass he kicked you dead man's right you 23:26 think one of you [__] get 23:27 married 23:27 all right guys but so the main thing of 23:31 this guys is everything we do should set 23:35 us up for the next stage in life when 23:38 you 17 to 21 that education the skill 23:41 it's gonna help you when you in your 20s 23:44 to make money without working hard labor 23:47 it you don't want to be doing manual 23:49 labor jobs you want to be doing skilled 23:50 jobs jobs that pay [__] money guys 23:53 all right and when you in your 20s you 23:55 make it money you invest the money it 23:57 could be into your passion and your 23:59 purpose that's gonna set you up into 24:01 your thirties to really scale your 24:02 business all right guys also you're 24:05 gonna have other passive income from 24:07 real estate or stocks or whatever the 24:09 [__] you want to do and that's gonna set 24:12 you up to when you and your fifties you 24:14 can travel and live the [__] world 24:16 guys you 24:16 got plenty of money in the bank you got 24:18 your [__] fold one case still 24:20 collecting money you got your Roth IRA 24:22 collecting money building compound 24:25 interest guys that's what I recommend 24:28 for inner you young guys all right 24:30 I'm old but i'ma catch up I'm still 24:33 gonna be able to just do what I want to 24:35 do buy time I get 50 [__] the way I'm 24:37 going probably 40 goddammit alright 24:39 alright guys so that's my

wanted to know you know he said women don't like talking on the phone these days 8:568 minutes, 56 secondsnow guys whenever y'all talk to a woman first thing that I'm doing guys is I'm 9:049 minutes, 4 secondstrying to gauge her interest and read off the back this is a low interest indicator low interest I don't mean you 9:119 minutes, 11 secondscame from because if you got a number that means that she saw you at least probably five or six but this is a low interest indicator all right 9:199 minutes, 19 secondsso dealing with a low interest in a woman like this guys first thing you need to know Ralph the back don't expect too much from them all right it's like 9:279 minutes, 27 secondshey if something happened and Happiness don't I'm nothing to go you know sending AMS emails trying to wonder what happened this is definitely a sign of 9:359 minutes, 35 secondslow interest on the get-go another thing a low entry from the get-go guys is so it takes us like say you say hey highs are big going fine 9:449 minutes, 44 secondsoh so what you got going on a date oh just work alright see I've seen actually no question back you need to be paying 9:529 minutes, 52 secondsattention to this that's very key because that lets you know right off the bat that you probably not her ideal type and that's fine you can [__] up but what 10:0110 minutes, 1 secondI'm saying is don't start questioning yourself if this girl's goshu flake you you ain't did that wrong she had a little itch from the get-go all right 10:1010 minutes, 10 secondsguys and that means what does right and this is why I know y'all guys get pissed off when I say this but why would a 10:1810 minutes, 18 secondswoman like this give you her number to begin with women like options this is this is what I try to tell you guys 10:2610 minutes, 26 secondswomen like options that means that hey if ain't none else better to do all right if my dog don't get sick if my 10:3310 minutes, 33 secondsfish don't get sick meaning we can go out but that means that you are a last resort that means that if my girls don't 10:4110 minutes, 41 secondswant to do that if my granddaddy don't wanna do that is my grandmother wanna do that my uncle don't wanna do that meet him and go out but if anything between 10:5110 minutes, 51 secondsnow and the date on Saturday comes up I'm a counselor that day or mph late you see how selfish women are you see how 10:5910 minutes, 59 secondsselfish she really got low interesting you but you're better than nothing all right so when you go on a date with a woman 11:0711 minutes, 7 secondslike this now the [__] women like this by the way it's a low conversion rate though just honest you guys need to understand that that when you deal with 11:1511 minutes, 15 secondsthese type of women like this hill they just low you might get 1 out of 15 you might sleep with 1 out of 15 or 1 out of 20 so you have to exercise food 11:2411 minutes, 24 secondsyou wouldn't deal with that right now like I told you guys I don't have time to deal with that well what I got going on but back in the day when I had all my 11:3311 minutes, 33 secondsevenings before I did this [__] and writing all these books and [__] when I had all my evenings yeah I could [__] 11:3811 minutes, 38 secondswith a low interest prospect yeah I could [__] what I can see I like on a Sunday at 3 p.m. 11:4411 minutes, 44 secondslow risk it ain't no Saturday night no Friday night low risk 3 p.m. on Sunday what the [__] what else would I

be doing 11:5111 minutes, 51 seconds3 p.m. on Sunday so she flake a council or anything like that what I give a [__] 11:5711 minutes, 57 secondsis 3 p.m. on Sunday alright so that's how I would do all my low interest prospects I would always put them at a day that really all the time that really 12:0512 minutes, 5 secondsdidn't mean oh [__] didn't mean [__] to me alright and so I would do them I get 3 p.m. now this just me being comforted where I am I always thought I could [__] 12:1512 minutes, 15 secondseverything down always I was like you know what I'll get ya I'll give it a shot I ain't got [__] does the Builder do with me being on my purpose I don't 12:2312 minutes, 23 secondshave time for that [__] right now so a woman who shows me low interest things like this I don't have time for [__] 12:2812 minutes, 28 secondslike that now that's just gonna be an individual that's just what you own like I said I have [__] low issues women but it's just a very low conversion rate guys alright 12:3712 minutes, 37 secondsand so you know coincidentally I told you guys that back in the day you know my conversion rate would be like 4 out 12:4512 minutes, 45 secondsof 10 or some [__] like that and now it's like 7 or 8 out of 10 one of the reason why I went up and jump so 12:5112 minutes, 51 secondsmuch is the game improve but also I just cut out the low inches when I don't have 12:5812 minutes, 58 secondstime to date low inches women so I only have time to really date women who see yeah seven eight so the one of my conversion rate went so high because 13:0613 minutes, 6 secondswhen you're not dealing with Arlo inches women or women who got let's see you as a 5 or 6 or questions won't have a good 13:1313 minutes, 13 secondsclosing rate so that's one reason why my Ridgeland high is once I became high value and working on my purpose I really don't have time for low interest women 13:2113 minutes, 21 secondsalright guys so that's the thing with that if you're gonna deal with low interest women just make sure you keep your investment low don't try to set no girl like this for 13:2913 minutes, 29 secondsSaturday at 8 p.m. I know [__] like that because that's a prime time it's a good chance she'll flake if you do something like Sunday at 3 p.m. 13:3713 minutes, 37 secondsmore than likely she won't and you know I don't condone no afternoon dates and [__] like that because you want to do a time that's gonna lead to sex you thank 13:4613 minutes, 46 secondsyou [__] this [__] on the first date fine I'm at word little [__] 13:5113 minutes, 51 secondslike that won't II don't even make time to talk on the phone you think you [__] on the first date so you don't got to worry about setting no time that's gonna leave the sense cuz 13:5913 minutes, 59 secondsain't no sex happen in no way it's impossible for you to [__] a woman like this on the first date so don't even worry about it so I would do something like a no harmless time in like 3 p.m. 14:0714 minutes, 7 secondsand I would have a high-interest prospect behind her like 6 p.m. that's how I always roll if you choose to deal with women like this alright guys most 14:1614 minutes, 16 secondswomen are juggling multiple guys and you just something you just a plan B so do not put this girl at a prime slot or 14:2414 minutes, 24 secondsdon't even put too much investment into her she'll just flake on you for no [__] reason alright she cuz she tired she had a long day at

what's up fellas so one of my patreon 0:09 supporters wanted to know man how do not 0:11 get an attachment to a feminine dime all 0:15 right because this is the high-value 0:17 males kryptonite all right so first off 0:22 if you are a high value meal and you 0:26 have an abundant mindset it takes a lot 0:30 of work for a woman that's a seven or 0:33 eight in your eyes because to somebody 0:36 else she might be a dime but in your 0:38 eyes if she's a seven or eight it takes 0:41 a little while for her for you to build 0:43 an attachment to her

why is that well 0:47 what is an attachment guy's an 0:49 attachment is just simply put in simple 0:52 terms it is the highest form of high 0:56 interest it is the highest form now we 1:00 all know men fall in love through their 1:03 eyes and women fall in love through 1:06 their ears that's why I tell you guys 1:08 for all you guys out there doing a 1:09 thousand sit-ups a day and you know 1:11 you're in your broccoli and you're 1:12 running eight miles a day you know 1:14 that's good and dandy but I'm just 1:16 letting you know right now you'll never 1:18 get a woman to be obsessed with you or 1:20 build an attachment with you off of your 1:22 looks that's good for attraction now to 1:25 get you to date but in order if you want 1:27 to get her soul that's gonna be what 1:29 comes out your [__] mouth all right 1:31 not what's here that's gotta get your 1:34 date I never I'm not one of these dating 1:36 cultures gonna sit up and tell you looks 1:37 don't matter now understand the [__] we 1:39 know that's [__] it does matter 1:40 all right as far as an attraction but 1:44 with man we fall in love through our Attraction 1:46 eyes so a high-value male when I see a 1:50 seven or eight she's good enough to [__] 1:54 but do you know how good she gotta suck 1:57 a dick 1:58 to get me to build an attachment do you 2:00 know I'm you know how feminine and 2:03 submissive she has to be it's damn near 2:05 impossible that's why you see women like 2:08 this they stay in the friend zone of 2:10 high-value males men who have options 2:12 usually 2:14 the seventh and eighth usually they only 2:16 can get the guys who have more of a 2:18 scarcity mindset or the beta males to 2:21 like to build an attachment with them 2:23 but a guy like me is virtually no matter 2:26 how good a woman is its damn it almost 2:30 can't happen for me to build an 2:32 attachment to a seven or eight because I 2:33 know what I'm capable of pulling if 2:36 you're a guy and you didn't pull it a 2:38 couple of times in your life when you be 2:41 with a seven or eight you're gonna be 2:42 over there looking at that [__] and 2:43 you're gonna be thinking about that bad 2:44 [__] you had two three years ago and 2:46 then you look at this [__] and you'll 2:47 be like no I can't I can't settle for 2:51 this not just below my stem but she said 2:53 she can [__] you can suck my dick real 2:55 good but I'm gonna keep looking alright 2:57 guys so that's the thing with that we Attachment 3:00 fall in love so for all you guys you 3:02 just thought like oh well I'll just keep 3:05 my nerd sexual attention to a member and 3:07 I won't talk to you on the phone and 3:09 I'll just see her once a week 3:11 [__] when you see a bad chick 3:14 and you go up and get her number you are 3:17 already thinking about that [__] day 3:20 and night and don't lie to me into 3:22 helping my brother anything a [__] 3:24 if one of you [__] a day go out 3:27 and get a super bad [__] that's a dime 3:29 to you you'll be [__] me if you tell 3:31 me that whole night you weren't thinking 3:33 about that [__] your goddamn life 3:36 now if you just saw it had no 3:39 interaction with him then no but if you 3:42 saw a bad [__] and she was choosing and 3:44 you went up to her and you got her 3:45 normal and she was smiling and sending 3:47 flirtatious [__] like you know like she 3:50 really was interested in you man you'll 3:52 be thinking about that ass all [__] 3:54 night you'll be sitting up under what 3:55 should I call and

vagina was compared to today when they 3:343 minutes, 34 secondsdon't do that [__] no more it used to be all the women too with that [__] to three homeboys running the Train y'all guys hitting thing about running a train 3:413 minutes, 41 secondsout other than rappers you hitting about that [__] number because women have learned the value of their vagina so now 3:493 minutes, 49 secondshere's the thing in doing so they were taught how to control man with it 3:573 minutes, 57 secondsbecause of a jaunty angle do the work myself all right so it taught women let 4:034 minutes, 3 secondsme do all the pursuing let me and show you that they are worthy of being in 4:104 minutes, 10 secondsyour presence because you're precious you have a vagina you're precious 4:174 minutes, 17 secondsit taught women this it also taught women to date the feminist movement also taught women to date multiple guys at 4:264 minutes, 26 secondsthe same time keep your options alright now what does this do dissing men into a competition mode so now I've 4:364 minutes, 36 secondsgot to prove my worth to the Queen I got a dress nice I gotta have a good job nice place nice 4:444 minutes, 44 secondscar all this [__] when I was now you know you know I had to keep on sick guy by saying when I was growing up cuz I know a lot of you guys who are watching 4:534 minutes, 53 secondsthis most of you guys probably 80% of you guys are gonna be in the age 18 or 4:584 minutes, 58 secondslike 20 for some [__] and so when I was coming up women showed you their value 5:075 minutes, 7 secondsto us what I mean by that a woman wanted to show you that she was relationship 5:145 minutes, 14 secondsmaterial that she was quality that she could submit to a man all right now it's about you pursuing her you pursuing her 5:235 minutes, 23 secondsputs her in a stronger position put you in the weaker position all right guys that is the main thing I've seen with 5:335 minutes, 33 secondswhat caused the generals man I'm feeling like they have to prove themselves to women now this just didn't come from 5:425 minutes, 42 secondsanything I'm gonna tell you how guys a little secret most women are homebodies I know y'all 5:515 minutes, 51 secondsare gonna be shocked by that because y'all look at all these instagrams and they shaking their hands and they popping the ass on Instagram so y'all just naturally think most women are 6:006 minutesintroverted or they get out a lot a lot of women are homebodies now what would that call what would a homebody have to 6:096 minutes, 9 secondsdo with this discussion it's simple if a woman is a homebody she's not gonna be 6:156 minutes, 15 secondsgetting that many options all right I know y'all guys go to the club and y'all see girls and they'll I hope y'all guys 6:236 minutes, 23 secondsknow a lot of those women are just out rarely with their friends for special occasions and [__] like that and they 6:306 minutes, 30 secondsjust get out of course you're gonna have your club regular swing go never deny that but I would guarantee you probably 60% of the girls in the club at least 6:386 minutes, 38 seconds50% of them in now or this is just a rap thing they doing with a friends they ain't at the club poppin ass maybe they go out with the girls 6:466 minutes, 46 secondsonce a month or something like that and they typically homebodies alright how many times have you talked to a woman she said I'm my

homebody a lot of 6:546 minutes, 54 secondsa mainline well so what would happen is if you dealing with women at a home bodies if you approach these women and 7:027 minutes, 2 secondsthey found you attractive or whatever the case may be they would have you know more of an incentive to make it work 7:117 minutes, 11 secondsbecause they don't want to be constantly having to get out to meet men like they'll go out to the club and but they'll hate it and they'll like it 7:207 minutes, 20 secondsI know you guys y'all y'all see girls shaking their heads popping that but that's just the five that's up dancing look around the club and look at the 7:287 minutes, 28 secondsother [__] sitting down looking like they wish they had a boyfriend just look around I know y'all see the girls in the middle of dance floor they popping ass and maybe they ass in the 7:367 minutes, 36 secondsclub every week but just look around scan the room and just look how many girls against the wall looking like this Hill like I wish I had a boyfriend 7:457 minutes, 45 secondsbecause a lot of women don't like the club's a lot of women are home bodies and so if you went up and met them and 7:537 minutes, 53 secondsthey found you attractive they would have more of an incentive to put an Elfa for to make it work because they didn't want to constantly be having to get out 8:008 minutesand go out and hope they meet a goddess that another well what changed that social media in day maps that gave women 8:108 minutes, 10 secondsmore options so that gave the homebody girl the girl that were used to have to put an effort in to meet guys because she 8:198 minutes, 19 secondsdidn't like going out so if you met her this would be the girl blowing up your phone when guys when I was 21 22 it was 8:268 minutes, 26 secondsnothing for like when you pulled back from a girl she got to blowing up your [__] phone because she didn't have those options like that and even if she 8:358 minutes, 35 secondswas a dime y'all gotta understand a lot of dimes nines and tens on eggs for that matter to a lot of guys do catcalls but 8:458 minutes, 45 secondsthey don't approach them most guys do not approach them do some little silly ass cat-cow Hey 8:528 minutes, 52 secondsmama hey wait your man that ain't no serious approach you know saying they'll say some [__] cows [__] like that crunches Crete hiding behind a car but 9:019 minutes, 1 secondthey ain't gonna walk up to a dime piece with a genuine approach trying to get to know her so the average 19 y'all guys 9:089 minutes, 8 secondssee back in the day those girls didn't get a lot of you know guys approaching them so when they finally would get a guy to approach them and they found him 9:169 minutes, 16 secondsattractive day was very incentivized to try to make that [__] work and if they thought if they saw you trying to lose interest first of all she would try to 9:259 minutes, 25 secondsprove you know she would want to prove herself to you to make you want to keep dating her because she don't get a lot of options all right but even if you 9:349 minutes, 34 secondswere to try to pull back cuz like you know back in the day if I'd be dating a girl you know maybe I meet another girl or whatever the case may be I don't like 9:419 minutes, 41 secondsher as much I that girl I was go blowing up your phone leaving voicemails going Stockham Oh swell I know y'all guys are like hey I'm not Hermes I don't believe 9:509 minutes, 50 secondsthis

women all right even when you get a 6:47 woman at a level 9 level 10 interest 6:51 level she's gonna be constantly trying 6:53 to get the power back in the 6:55 relationship she'll just lay down and 6:57 just let you have it 6:58 oh no she come constantly trying to get 7:01 it back she's gonna constantly try to 7:03 get you back 7:03 pursuing remember who's ever pursuing is 7:07 in a weaker position all right 7:09 that's who's in a weaker position so 7:10 she's gonna try to get you back pursuing 7:13 her so from time to time what she's 7:15 gonna do it she's gonna get sporadic in 7:17 her behavior I tell you guys to you know 7:19 be sporadic and your behavior when a 7:21 woman starts taking for granted well 7:23 when a woman sees that she has to do all 7:25 to pursuing she's gonna be sporadic and 7:27 hump behavior and she might like say you 7:29 see on the weekend and stuff like that 7:31 someone we can't see no action [__] 7:32 women ain't stupid 7:33 so what she what she gonna try to do is 7:36 she gonna try to make herself more 7:38 scarce to get you back pursuing her all 7:41 right so and how you do this is if a 7:45 woman stops being sporadic like that 7:46 when she do reach out and this is after 7:49 she's done do you know this is after you 7:51 got her doing all the pursuing all right 7:53 this is like a month in you got a soul 7:56 she's doing all the [__] pursuing 7:57 when she reach out if she's skipping 7:59 times and she ain't calling you on a 8:01 regular base say hey I got something to 8:04 do this weekend you still reinforce that 8:07 scarcity into her all right 8:09 so let's say she skipped this weekend 8:11 she actually say hey I'm gonna see you 8:13 cute she's hoping you start back 8:14 pursuing her she trying to get a scarce 8:16 to create a little fear in you so 8:18 hopefully you'll start back pursuing her 8:20 all right when she reached out to you 8:22 say [__] man me and my boys we going to 8:25 Las Vegas this well I don't give a damn 8:26 what you doing I don't give a [__] 8:27 you're gonna rock do something goddamn 8:29 it 8:29 go kick rocks I don't give a [__] what 8:31 you do but you're gonna let her know 8:33 everything doesn't run on 8:35 your time schedule when you don't want 8:36 to see me you want to go see your 8:38 friends okay 8:39 I would now you hit me up nine you wanna 8:41 know you know I got something to do this 8:43 weekend 8:44 all right same rules apply guys she's 8:46 trying to get you back pursuing huh when 8:49 she do that all of a sudden you ain't 8:52 available either all right and it'll say 8:54 you go sometimes she'll go a week I've 8:56 had this plenty of times sometimes you 8:58 go a week we're gonna have two weeks 9:00 without contacting hope hope hoping that 9:03 she can get you back pursuing her when 9:05 she do that guys this is nothing this is 9:08 advanced game guys I'm not talking to 9:10 you [__] that can barely get 9:11 some ass this is for my guys that got 9:14 the game to get they want me to do 100% 9:16 of the pursuing I get this [__] all the 9:18 [__] time all the [__] time for 9:21 all my you know my girls when I had them 9:23 in my rotation why I make them do all 9:25 the [__] pursuing all right and from 9:27 time to time they'll try to disappear 9:28 hoping that I'll start back pursuing 9:31 yeah it ain't happening a baby doll all 9:33 right so when they do that and they 9:34 disappear a week or two without calling 9:36 us you know trying to you know X where 9:39 they gonna see

you again or whatever the 9:40 case may be or something know most time 9:41 they just reach out to me and I say hey 9:43 come over sand or whatever the case when 9:45 they do that they skip times like that 9:47 when they reach back out to try to see 9:49 you you still ain't available and if 9:51 they call you in ain't college in awhile 9:53 return it call them back the next day 9:55 that's how I handle it guys all right so 9:58 that way you still controlling the 10:00 dynamic of the relationship everything 10:03 ain't moving on her pace because if she 10:06 is she's doing all the pursuing that 10:08 means that okay I get to see him when I 10:09 want to and if I don't want to see him I 10:11 don't call him you got it you still got 10:14 it reinforce that scarcity fat that okay 10:17 just because you took off a week even if 10:19 you want to see me this week I might not 10:21 be available you always want to 10:23 reinforce that scum listen I don't think 10:25 I'm always gonna be available I'm not 10:28 always available same rules apply guys 10:30 and if she skipped a week or two calling 10:32 you at what other case always wait to 10:35 the next day she want to know her to 10:36 call your ass again I see how you doing 10:38 well Carla asked the next day I returned 10:40 her call to text the next day that's how 10:42 I always do it always do it sometimes I 10:45 even go look for men I 10:46 double ticks or double called me so 10:49 she'll call me or text me I won't 10:51 respond to it and then two or three days 10:54 chill hello I get a text hello with 10:57 question marks and then I respond to 10:59 that that's how I do that everything 11:01 still moves on my [__] clock that's 11:03 how that works guys but getting back to 11:05 the first point guys we don't [__] 11:07 pull our chairs I want women to see us 11:09 [__] alpha male not bei the coast 11:11 then looking at them like they the Queen 11:13 of England alright when you do [__] like 11:15 that what you're saying is I need to do 11:18 something to compensate you for billed 11:20 me because you're all greater value than 11:21 me alright expensive dates put in our 11:26 chairs all that [__] you treat her like 11:28 the Queen of England so if you're gonna 11:30 treat her like that then she had no 11:31 other choice than to treat you like a 11:32 [__] servant and that's why you get 11:34 treated like [__] [__] 11:36 all right guys like the video coming 11:40 down below you guys want to see next 11:41 holla back

minute, 1 secondhey when I'm gonna see you again all this type of [__] and the women that I saw as nice and the tents I couldn't keep them cuz I did the total 1:111 minute, 11 secondsopposite of what I was doing with the seventh and eighth alright and but it's another thing that I don't really talk a 1:181 minute, 18 secondswhole lot about but I'm trying to talk about it on this is I also had a hard 1:251 minute, 25 secondstime keeping the women who had high initial interest in me attracted all right crazy so if somebody got crazy 1:331 minute, 33 secondshigh initial interest in you what does that mean it's gonna be 99% physical I 1:391 minute, 39 secondsor status all right so maybe she maybe you really popular or something like that but it's gonna be something 1:461 minute, 46 secondssuperficial alright so well you know I don't talk about this but I'm glad that guy bumped this up because it's making 1:551 minute, 55 secondsme talk about it I used to have a hard time keeping women that had crazy high initial interest in me keeping them 2:012 minutes, 1 secondinterested you know why I figured out that the reason I was having that struggle keeping women who had crazy 2:092 minutes, 9 secondshigh initial interest in me was I would relay on the charm and seduction and rely 2:162 minutes, 16 secondstotally on my looks alright because if she's showing me crazy high initial interest in me game over I got it in the bag this [__] 2:262 minutes, 26 secondswon't be bad I and maybe I could [__] 2:282 minutes, 28 secondsright because if a woman sees you as a 9 or 10 you know unless you're complete you know [__] up you still use looking 2:362 minutes, 36 seconds[__] you probably [__] on the first a second date at the at the latest if you you know do everything right you could probably leave probably in the 2:432 minutes, 43 secondsfirst date if you do everything right but the typical good girl probably might even still make you wait all quote-unquote good girl y'all know what I mean by that that means that you know 2:522 minutes, 52 secondsshe just she wants you to respect her right all right so but I would [__] 2:592 minutes, 59 secondsthose up also because I wouldn't still do the charm and seduction guy so if you don't take menace from this video 3:073 minutes, 7 secondsunderstand this right here all right intrinsic characteristics or values is always gonna be superficial 3:163 minutes, 16 secondscharacteristics superficial characteristics are your clothes your body your looks your car [__] like that 3:243 minutes, 24 secondsthose are good to attract women they attract women I ain't no lying about that when you meet a woman she don't 3:313 minutes, 31 secondswant a woman see you she don't know what your charm looking like when a woman sees you in the clubs you know he looks farming nobody know the [__] your charm look like you don't want me to see you 3:393 minutes, 39 secondsas in the male oh I bet he's a good seducer alright don't nobody know that and in the saying go for you guys when you look at a woman that's per physical oh she 3:483 minutes, 48 secondslooked good now maybe she got a feminine personality and you you know catch feelings for Layton [__] but when you first meet her it's purely physical the 3:573 minutes, 57 secondssame goes for a woman I the way you dress now with women when I say feels it's not all about your looks a lot of with women it's just sweat

you know the 4:054 minutes, 5 secondsway you dress the way you walk all that part is not just oh his face look good I that's part of it but women when they feels we're going to it they take a lot 4:144 minutes, 14 secondsmore into account with it alright your body your clothes the way you won't is your cornball all that's part of your 4:204 minutes, 20 secondsswag I do you talk a lot or I'm gonna sit back and watch your asses [__] can't stop laughing all that money here come on look at that mother [__] 4:284 minutes, 28 secondsall I see is his goddamn teeth alright so I all let go with it but those do not 4:344 minutes, 34 secondsbeat the intrinsic values alright so if you go get a woman obsessed with you you don't have to do it with intrinsic 4:424 minutes, 42 secondsvalues all right you never gonna get a woman obsessed with you by the way you look I'm telling you that [__] right now alright a woman that be goddamn bubbly 4:514 minutes, 51 secondsand I'll have all high interests you know thank this mother [__] fine and your nose by the end of the day she better want to hug your ass cuz you're 4:584 minutes, 58 seconds[__] cornball you'll [__] swell alright so if you want to get a woman obsessed with you you're gonna have to 5:065 minutes, 6 secondsdo with intrinsic now the reason I say this is that's when I bring my a-game when a woman ain't doing backflips from 5:145 minutes, 14 secondsme on the first date and [__] like that when I look at a woman and I and I could tell her interest in me is like a six or seven and which is not bad by the way 5:235 minutes, 23 secondsguys that's not bad you know that means that she ain't easily physically you ain't knocking on shoot everybody got they tight alright I 5:325 minutes, 32 secondsgot my tape I prefer dick women that don't mean that I won't [__] a woman that's 130 pounds but I prefer a woman 5:405 minutes, 40 secondsthat's five nine 180 shaped like a coca-cola bottle that's my preference but I can't but if I was to go on a date 5:475 minutes, 47 secondswith a woman that was five nine 140 she that's a little slim diversion right I just won't be crazy you know overly you 5:575 minutes, 57 secondsknow crazy with her attraction level with her but I still a [__] alright so that means that yeah I'll [__] her but I ain't crazy 6:056 minutes, 5 secondshigh initial interest alright so that's the same thing with us you or one might see you and you might just be a six to her and that's fine we got other 6:136 minutes, 13 secondscharacteristics so I don't never get butthurt when I show up on a date and I can tell a woman and doing cartwheels and backflips for me that's fine that 6:206 minutes, 20 secondsmeans that maybe I'm now a prototypical type physically 100 percent of what she want physically that's fine guy we all everybody got me [__] tape maybe she 6:296 minutes, 29 secondsprefer me in with dreads all right but I'm cute enough alright so on that date when I see a woman 6:376 minutes, 37 secondsnot doing that that's when I really lay on the masculine frame the charm the seduction all that I don't tend to do I 6:446 minutes, 44 secondsdo it now cuz I know better I know better I don't get complacent and I don't want you guys to get complacent when you go on these dates and you see women have crazy high initial interest 6:536 minutes, 53 secondsin you please understand you can lose that by the end of that [__] date if you ain't on your a-game if you ain't bringing the charm

the seduction the conversation skills don't 7:027 minutes, 2 secondsget complacent alright so this is usually especially back in my day usually a woman that saw me as a six or 7:107 minutes, 10 secondsseven this is usually the woman that I could get obsessed with me I use it back in the day couldn't get a woman with high initial interest in me because I 7:177 minutes, 17 secondswould rely more on my superficial characteristics more than intrinsic characteristics and it takes the intrinsic characteristics to get a woman 7:267 minutes, 26 secondsobsessed with you you're not gonna do it with lose you're not gonna do it with the way you dress that's just for attraction that attracts your you know 7:347 minutes, 34 secondsget on your purpose and building yourself up and hitting the gym all that does is get you dates it won't get you no ass you can go get a 7:437 minutes, 43 seconds[__] 15 pack alright and a [__] 7:467 minutes, 46 secondsBugatti and I'm telling you right now it will get you dates but it won't get you no ass alright you still gonna have to 7:537 minutes, 53 secondsbring the charm and [__] like that guys alright so that's the thing that's that usually when one woman see me as a six 8:028 minutes, 2 secondsor seven those are using when I bring my a-game and get them assessed with me alright so the whole point of these guys is I don't want you to get complacent on 8:098 minutes, 9 secondsyour looks and [__] like that you still have the brain is charming seduction I and I had another patron supporter that wanted to know what they're saying when 8:178 minutes, 17 secondsa girl asks you when was your last relationship and how long was your last relationship alright so guys I tell you guys is to 8:248 minutes, 24 secondstype of girls that you gonna date casually dating women and relationship type women all the women that will date 8:328 minutes, 32 secondswith a purpose you know y'all heard that phrase dumb very little purpose yeah purpose are trying to trap some dude in to marry hey that's that's what they 8:398 minutes, 39 secondsmean guys so if you if you run across one of these relationship girls you always gonna hear these type of 8:478 minutes, 47 secondsquestions alright you're gonna hit each type of course me she's actively datin looking for a relationship and some of these 8:548 minutes, 54 secondsrelationship type coach Nagel answers these are gonna be the women that want to know about your goals and [__] like that you usually when you are with a woman 9:029 minutes, 2 secondsthat's casually dating they kill her and ask question that's on the surface that really don't mean a whole bunch of nothing because she's just casual dating 9:109 minutes, 10 secondsso these are the type of women that you really gonna carry on these you know light-hearted light conversations you 9:179 minutes, 17 secondsknow you bet you go to the Knicks game [__] like that sports you like to travel and it's got the relationship girls they 9:259 minutes, 25 seconds10x more these deep question then every time that's a question you like what I say yeah all right so me dealing with 9:339 minutes, 33 secondsthese girls that the thing with these girls here guys is the worst thing you can say not you always want to tell them the truth right I always want to tell 9:429 minutes, 42 secondsthe truth only thing I don't say tell a woman is that I'm not open to a relationship but I always be telling the truth so the last time I've been in like 9:499 minutes,

49 secondsa quote-unquote relationship been a few years so I tell a woman that but I let her know that it's just because I haven't 9:589 minutes, 58 secondsmet the right person yet all right it's not that I'm not closed off to a relationship I just ain't met the right one yet baby you know I know you know 10:0710 minutes, 7 secondsand I I'm not and I always say I'm happy with my life so unless a woman I see a woman can bring some value to my life I 10:1510 minutes, 15 secondsjust choose to stay single when you say that guys you raise value what you're saying is I'm not opposed to 10:2310 minutes, 23 secondsa relationship but I'm content and I'm happy with my life as is a lot of guys want to jump in relationships to 10:3210 minutes, 32 secondscomplete them they're lonely and they're looking for a girlfriend which is why these type of guys tend to stay single by the way because a woman could pick up 10:4010 minutes, 40 secondson that and these guys tend to ask relationship tight questions on the date all right you don't never asked relationship type 10:4810 minutes, 48 secondsquestions on the date you're gonna scare every [__] girl off even a relationship girl don't get turned on by that dude cuz even though she's looking 10:5610 minutes, 56 secondsfor a relationship she want a guy that she felt like she had to whose eye she had to put her bid in she 11:0511 minutes, 5 secondsdon't want a guy that's actively looking for a relationship that means that you're not complete that means that you're probably not happy in your life 11:1211 minutes, 12 secondsas is and when you meet these type of guys these are the guys that be needy in relationships every [__] woman knows 11:2011 minutes, 20 secondsthat he's gonna be needy in a relationship that's why he's looking for a relationship because he's [__] 11:2511 minutes, 25 secondslonely all right so but when a woman asks these questions guys you actually build value asking it answering it that way because she knows 11:3311 minutes, 33 secondsthat you're happy in your whole complete as ears all right so I'm not opposed to your relationship I just don't jump into 11:4111 minutes, 41 secondsthings all right guys if you say some [__] like I mean my last relationship like three months ago four months ago that's actually the worst thing because 11:5011 minutes, 50 secondsnow she's thinking like oh you and your ex might get back together and now I might be the rebound chick all right when I used to do relationships this 11:5811 minutes, 58 secondswhat happened with me and my girlfriend we would get back three months later two months later whatever I don't want out start dating other girls just cut them 12:0712 minutes, 7 secondsoff cold you know cold turkey when me and my ex got back together I think every woman has had dealt with some do like that 12:1512 minutes, 15 secondswell his ex was on the break they got back together and next thing you know you don't hear from that [__] no mo so that's every woman's well the 12:2312 minutes, 23 secondsrelationships warming worst nightmare she don't want to meet a do like that that's probably on the [__] rebound so that's the worst thing you can say 12:3212 minutes, 32 secondsbut if it's the honest truth then just tell her that's what it is whatever but you know you don't plan on getting back together the reason why I don't want y'all guys lying about [__] like this 12:4012 minutes, 40 secondscuz you can't

what's up fellas so today I'm here to talk to you guys about trying to stop looking [__] 0:1212 secondsrich I cuz I seen one of my boys put on the wall on my patreon page by buying some goddamn diamond earrings now as you 0:2121 secondsguys can see I have diamond earrings I and they pretty damn expensive but I was dumb and determined I did not know what 0:2929 secondsI need know now about money alright and so I'm here to have a serious talk to you guys about money and it being how to get rich 0:3939 secondsokay guys you have three primary classes in this country you have the lower class 0:4646 secondswhich is poor people with the middle class which is the middle class people and you have the rich people all right and I'll even go for classes will the-- 0:5757 secondsall right so I'll even do for classes I know here's the thing guys this is this is and guys this is gonna be all you 1:061 minute, 6 secondsneed to know about the word off in the psalm this [__] up a lot of people you know I get kind of pissed off when I listen to other people and [__] like that cuz they make [__] so [__] 1:161 minute, 16 secondscomplicated all right so offering to break this [__] down in laymen terms and everything you need to know about money right now it read now in the [__] ten to 1:251 minute, 25 secondsfifteen minute videos like this is what happens guys the poor people they're poor because they don't have a skill or 1:341 minute, 34 secondsa trade or education all right and so they worked low-paying jobs and so they 1:421 minute, 42 secondsdon't have no money to do anything with I they can't even buy liabilities alright so they're poor they can't even 1:501 minute, 50 secondsyou know buy a nice car nice clothes or anything because they don't even have money to do anything so they live from 1:571 minute, 57 secondscheck to check alright and even worse some of them some of the real you know you know behind low-class people they go 2:072 minutes, 7 secondsinto debt trying to look like they're middle class alright so a person in the lower class who wants to look like 2:152 minutes, 15 secondsmiddle-class doing better than what they actually are they have debt which makes them even worse because now you're 2:222 minutes, 22 secondstacking interest on to the debt and so they're actually below low class alright guys

so do not be one of these people 2:302 minutes, 30 secondsall right they don't I tell you guys all the [__] time to get a skill or [__] trade alright I talk to you guys by having a purpose in all this but I 2:382 minutes, 38 secondsalso want you guys to have a skill or [__] tray and I tell you guys why in a second all right now coming up to the middle 2:472 minutes, 47 secondsclass the middle class people they typically have a skill a trade or an 2:542 minutes, 54 secondseducation therefore they work high-paying jobs jobs that paid 30 40 50 60 hundred dollars an hour their middle 3:023 minutes, 2 secondsclass all right now the reason why they're middle class and they're stuck in the middle class is 3:103 minutes, 10 secondsbecause instead of taking that extra money and investing it they buy liabilities to look rich so somebody the 3:203 minutes, 20 secondsmiddle class that makes 75 to 80 grand a year all right and I don't even know if you would classify that middle class in New York or California but if you know 3:283 minutes, 28 secondsanywhere else in the country if you make 80 grand a year you're in the middle class and so instead of them taking you know the extra 20 you know 20 or even 15 3:383 minutes, 38 secondsgrand a month instead of taking that and invest in it what they would do is they're go get a car or a motorcycle or 3:473 minutes, 47 secondsbuy some clothes or something like that trying to look richer than what they are all right therefore they stay in the 3:553 minutes, 55 secondsmiddle class if they would have took that same 15 20 grand ishka that they had throughout the year 4:024 minutes, 2 secondsbecause most of them don't even save it all right then saving it is not great but it's better than spending it I already see it in the savings account 4:104 minutes, 10 secondsyou know at least put up for a rainy day but most I'm not even saving most of them just gonna buy liability after liability after liability and liability 4:204 minutes, 20 secondsguys are things that are risk for things that depreciate over time all right that's what a liability is it can be a risk if you take out a loan 4:284 minutes, 28 secondssomething like that to do something with it no matter what it is a risk all right any loan it's the risk of something happening you can't pay it back so it's 4:374 minutes, 37 secondsthe risk even if even if you using the risk to make money so like say real estate all right even if you're doing it 4:454 minutes, 45 secondsthe maintenance call in real estate it would call leverage all right and so some people some people believe in leverage some people don't 4:524 minutes, 52 secondsI probably tend to believe in it but I would rather see you doing that then buying some [__] shoes or some clothes or some [__] diamonds all 5:015 minutes, 1 secondright knows I didn't say gold because gold would actually be considered an asset because it goes up in value over 5:085 minutes, 8 secondstime diamonds do not if you pay 20 grand for some diamonds to date and you came back in six months and say hey man I 5:165 minutes, 16 secondswant to sell these diamonds back to you I'm time I that the jury stone now and you and I'm gonna sell these diamonds back to you paid 20 grand you'd be lucky to get five grand phone but if that was 5:255 minutes, 25 secondsgold all right hear them they'll probably give you what you paid for because you know he's running a bit he got to make some profit off of it so he probably

5:335 minutes, 33 secondswon't give you the whole [__] 20 grand it's not like you know it's been five [__] years it's been six [__] 5:385 minutes, 38 secondsmonths so you know it ain't when I've been valued in six [__] months so if you paid him 20 grand he'd probably give you 18 5:19 he's gonna have to make something you trying to run a [__] 5:485 minutes, 48 secondsbusiness now the [__] all he running [__] pulling shop all right so he don't give you what you paid for in six months then he run the [__] punch 5:555 minutes, 55 secondsI'll be running a business what he still want to turn a profit but if I get you eighteen eighteen five four if that was diamonds you'd be lucky to get five 6:036 minutes, 3 secondsgrand for it cuz soon as you get diamonds and walk out the damn dough they lose value dang worth [__] they look good now listen to another and they worth something to stole when you bound soon 6:126 minutes, 12 secondsas you walk out the goddamned oh there you go 60% of the province 60% of the value just dropped all right that's hot diamonds are so you definitely won't do 6:206 minutes, 20 seconds[__] like diamonds and [__] I didn't know that [__] I know now but get back on point the middle class they have a high they have a skill of trainer of 6:296 minutes, 29 secondseducation but they don't invest the money therefore they stay in the middle class they stay in the rat race all right now here's and I'm not talking about the 6:376 minutes, 37 secondspeople that were born wealthy I'm talking about the people that was just like me just like me I'm gonna be 6:456 minutes, 45 secondsrich I assume so I'm talking about people that just like me that was in the middle class as a trainer I was in the middle class making you know a couple 6:546 minutes, 54 secondshundred thousand dollars a year in the middle class now I come to a you know a point and roll Red Hill and this is 7:017 minutes, 1 secondwhere a lot of middle class people coming to Road I can either keep in stupid and I I tell you guys y'all guys know I Drive a Mercedes y'all seen my 7:107 minutes, 10 secondsvideo and [__] are why I'm against a minute our movements are y'all guys know I got diamonds y'all guys know I got a Mercedes liabilities I didn't know what 7:207 minutes, 20 secondsI know now so don't hold that against me but if I would have took that same money and invested it that's the path to rich 7:287 minutes, 28 secondsthat's how people rich people get rich see rich people take their money that 7:357 minutes, 35 secondsthey make from a high paying job and they invest it and that way they become 7:437 minutes, 43 secondsrich they buy assets all right and what they do is they buy assets what they buy 7:517 minutes, 51 secondsanything invested and they take the money off return on investments then they buy liabilities so they don't take 8:008 minutestheir income and buy liabilities they take they return on investment and by liabilities so that's why y'all guys see 8:088 minutes, 8 secondsrich people they have cars they buy jury they buy clothes but they you they take the return off of their investment in by 8:168 minutes, 16 secondsliabilities they don't take their income you guys are taking your income and buying liabilities see what the middle 8:248 minutes, 24 secondsground has been lost they took their income invested it took the return off an investment and then that's what they 8:328 minutes, 32 secondswent about the

Lamborghini with you take your income and you go buy liabilities with your income you want your return on 8:408 minutes, 40 secondsinvestment to buy your toys to buy your nice car to buy your clothes or whatever 8:478 minutes, 47 secondsthe case may be so guys I say this point because all you guys are your purpose all you guys are I believe 8:568 minutes, 56 secondsall you guys on the ground I've been preaching this [__] for a year now so I believe all you guys you don't have a porn in the road you don't have a pointy 9:059 minutes, 5 secondsroad you right here and now you're making some [__] money you make an 80 90 100 grand in jail on your purpose or 9:129 minutes, 12 secondsdoing your skill or train or whatever you're doing you've got two paths you can pick you can buy diamonds and you 9:199 minutes, 19 secondscan buy Mercedes and you can stay in the rat race and stay in the middle class or you can come right here in the path to 9:279 minutes, 27 secondsthe road and you can say you know what I'm gonna do a little delayed gratification and you know what I'm gonna invest this money into real estate 9:369 minutes, 36 secondsI'm gonna take this money and I'm invested in the stocks and bonds whatever case all into my business either way it for are you guys on your 9:459 minutes, 45 secondspurpose maybe you say you know what I wanna i wanna all scale my business and you're gonna say I'm gonna take all this money and I'm gonna put it into my 9:539 minutes, 53 secondsbusiness to scale my business that's investing and you're gonna become rich it's just that stuff I didn't say you're gonna become rich overnight that's not 10:0110 minutes, 1 secondwhat I said I did not say if you go invest 25 grand today dad next week you're gonna have millions of men's dollars no it's a 10:0810 minutes, 8 secondsprocess it might take you investing their money five to ten years before you become rich but you will the stock 10:1510 minutes, 15 secondsmarket has a track record of giving you about a 10% return on investment all right so whatever you invest over time 10:2410 minutes, 24 secondsnot every [__] day lose on your phone every [__] month will have a 10% 10:2810 minutes, 28 secondsreturn and I put $100 here so I'm a technologist a that's not what the [__] 10:3310 minutes, 33 secondsI said the stock market goes up and down but when I'm telling you that the stock market house for over god knows how long 10:4010 minutes, 40 secondshas a track record of getting you about a 10% return on investment same for real estate the real estate has is up and 10:4810 minutes, 48 secondsdowns too but over time over 10 15 20 year period most people have seen a 10% 10:5510 minutes, 55 secondsreturn on their investment or more all right that's what it some some years is 2% some years is a team is just all over 11:0311 minutes, 3 secondsthe place these are long term in investments this ain't for you to go and put $1,000 into Apple stock and be on 11:1111 minutes, 11 secondsyour [__] phone here five minutes trying to see if you got a 10% return on your [__] investment it don't work that way all right rich people have a 11:1911 minutes, 19 secondslong-term mindset poor people has a what's happening today I need to know what I'm making two days so far you guys 11:2811 minutes, 28 secondsthat own your purpose just understand you can become one of the one person you know although you know how

what's up fellas so I had a patron supporter that basically said that you know he don't see why he would want to 0:1616 secondstake you know a girl back you know after she done

so basically what he was saying is the girl pulled back and he pull back 0:2525 secondsand then when she come back he don't understand why he would want to take somebody back back like that after she done pulled back and went out and [__] 0:3333 secondsalpha males and now she's back well here's the thing guys we ain't taking her back to put a ring on the [__] 0:3939 secondsfinger all right so once a woman is in our friend zone guys she stays in our 0:4646 secondsfriend zone so after a woman pulls back you never going to take her back as a 0:5252 secondsserious rotation girl now or for any of you guys that was in a relationship with a girl or something like this or serious 1:001 minutedating a girl so when I say seriously dating a girl that mean that this is a girl that you probably saw once a week except for when you disappear for a week 1:071 minute, 7 secondshere and now but basically this girl was a solid girl that was in your rotation she got pulled back or whatever the case may be and now after you pull back now 1:161 minute, 16 secondsher interest don't went back up guys this girl stays in your friend zone all right you never going to treat her the Chapter 2: Shes Forever Friend Zoned 1:231 minute, 23 secondssame again not because you a butt hurt [__] but because this is what she 1:301 minute, 30 secondsresponds to see guys unfortunately it's some women in the world that don't act positive with men 1:391 minute, 39 secondsthat treat them anything other than like trash all right I did not create these type of women guys this is just what 1:471 minute, 47 secondsyou're dealing with with these type of women guys so you going to have some women that you can actually treat like a 1:541 minute, 54 seconds[__] human being and they'll respond positive to it you know they'll call you and they'll appreciate it you know what I'm saying they know they appreciate you 2:032 minutes, 3 secondsactually taking them to a [__] dinner all right and they'll act positive and then you got some women when you 2:102 minutes, 10 secondsactually treat them anything than above a dog they start to pull him back all right guys so here's the thing she's 2:192 minutes, 19 secondsForever Friends on not because your butt hurt because this is what she responds to all right insanity is doing the same thing expecting different results all 2:272 minutes, 27 secondsright so why would you go back to treating like a good girl in your rotation when you know where it led to the in the beginning it just going to 2:352 minutes, 35 secondshappen again so you have to keep her chasing your validation cuz that's what she responds to all right guys so that's 2:432 minutes, 43 secondshow you handle that it's not about taking these girls back and now we F to wife these no no no no no no no she's 2:502 minutes, 50 secondsgoing to stay in your friend zone she do all the puru all right guys when a woman pull back like this and you pull back 2:582 minutes, 58 secondsand then she come crawling back she do all the all the pursuing you initiate no Chapter 3: What She Responds To 3:043 minutes, 4 secondscontact all right not because we butt hurt this is what she responds to she despise men that show weakness to some 3:143 minutes, 14 secondswomen you showing that you care that much turns them off all right it's a select few I've dealt with them guys 3:223 minutes, 22 secondsI've dealt with them as soon as you

go to goddamn treating her anything like a human being here she go losing interest again 3:303 minutes, 30 secondsit's some women guys that you have to let them do all the pursuing and then when they do reach out you [__] them and then you wait till they pursue you again 3:393 minutes, 39 secondsanytime you start pursuing them here they go with they damn [__] all right guys so a woman like this she staying your friends on that's what she responds to that's the only thing she [__] 3:493 minutes, 49 secondsrespect is strength or a dude that she perceives as when you when you act like 3:563 minutes, 56 secondswhen you act like you don't have a lot of interest in a woman essentially what you're saying guys subconsciously I deal 4:034 minutes, 3 secondswith h to chicks than you in other words I'm of greater value than you all right and so to some women that sets you as a 4:124 minutes, 12 secondshigh value male because by you not showing her a lot of interest subconsciously what you're telling her is I deal with much hotter women than 4:224 minutes, 22 secondsyou you don't have to do this with every [__] woman just these [__] weirdos that anytime you show any amount of 4:294 minutes, 29 secondsweakness they start losing interest guys all right so that's the thing with that guys and I had another good Patron Chapter 4: How To Have Your Cake 4:364 minutes, 36 secondssupporter that wanted to know how he how can he have his cake and eat it too basically he want to just [__] and he 4:444 minutes, 44 secondswant the women to be cool with that well first off with that guys is you can do uh one or two things guys you can have a 4:534 minutes, 53 secondsdirect approach with women that's when you basically just come out from the get-go and tell women from the get go look all I want is sex guys that [__] 5:035 minutes, 3 secondsdoes work listen if you talk to 100 women you can't tell me it ain't least a couple women now that if you went up to 5:125 minutes, 12 secondsa direct approach you couldn't [__] out of a 100 women you mean to tell me you so [__] ugly you couldn't get not one woman to have high enough interest to 5:205 minutes, 20 seconds[__] you right off the bat if you talk to a 100 women and you look like anything that's halfway decent it's going to be somebody in there that's 5:285 minutes, 28 secondsgoing to be like [__] all right I'm with that all right but here's the thing guys understand you have to be cool with 5:375 minutes, 37 secondsthis you going to be leaving a lot of ass on the T I'm talking about a whole lot of ass on the table it's to for a 5:455 minutes, 45 secondswoman to [__] you guys her interest level got to be at a eight about a eight right give or take eight all right so 5:535 minutes, 53 secondsfor to be at an eight that means that when a woman meet you if she sees you as a seven which is is a good interest Chapter 5: Interest Levels 6:016 minutes, 1 secondlevel to start with guys that means that you're probably one or two dates from [__] her all right long as you do 6:096 minutes, 9 secondseverything right that's this is a woman here that a woman sees you as a seven this a woman that you probably can [__] 6:146 minutes, 14 secondsif you if you raise it enough on the first date no later than by the second date that means that all those girls like that you could have [__] and you 6:236 minutes, 23 secondssaying I don't care I don't want to do a date if a woman sees you as a five that

means that it's going to take you three dates to raise her interest to [__] if a 6:316 minutes, 31 secondswoman sees you as a six it's going to take two dates if a woman sees you as a seven you probably can [__] it on the first date no later than the second date 6:396 minutes, 39 secondsall of these are beholding if you raise the interest so if a woman sees you as a seven that means that you can [__] on the first date if you do everything 6:476 minutes, 47 secondsright guys all right do y'all guys see that that's why the cut off is at five that's why we don't date women that see us below five because I got a three-day 6:566 minutes, 56 secondsrule all right could I [__] a woman that sees me as a four probably but I got a three-day rule I ain't got all day I ain't got two months 7:047 minutes, 4 secondsto raise your [__] interest all right so you have to be cool with that if you guys just want to [__] strictly sexual relationships have a direct approach but 7:137 minutes, 13 secondsyou just have to be cool with losing all that ass of women that you could have raised their interest on dates all right 7:217 minutes, 21 secondsall out of the three girls that's in my rotation right now two of them I can tell you right now there's no way in the hell I could have [__] them on the 7:287 minutes, 28 secondsfirst date no no way no no way in the hell that they interest there was no way I could [__] him on the first date no 7:367 minutes, 36 secondsway all right one it took the second date and the other one took the third date that's and they are good girls that are feminine that you know they pay for 7:447 minutes, 44 secondsdates and [__] they contribute to the Rel and I would have throw all that away because I don't want to do one or two days of 7:527 minutes, 52 secondsdrinking to raise her interest so it's just stupid to me but if that's just what you want to do then knock your [__] self out out all Chapter 6: Friend Zoned 8:008 minutesright the second one is when you get a girl in your friend zone all right so if if if if you want just a strictly sexual 8:098 minutes, 9 secondsrelationship when a woman is in your friend zone that basically means she's chasing your validation and that means 8:158 minutes, 15 secondsshe's going to suck a whole lot of dick all right so that's another way so when a woman's in your friend zone that basically means she's in your [__] 8:248 minutes, 24 secondsdog house that means that we going to do what the [__] I want to do and you shut the [__] up all right that's so those 8:318 minutes, 31 secondsare the only two ways because here's here's the thing guys all right a girl told me a long time ago this [__] a long time ago all right when I I tried a 8:408 minutes, 40 secondsdirect approach with her and and she basically said sure but you going to buy my weave I still I was like 25 some [__] 8:498 minutes, 49 secondslike that she was cool with it but you going to buy my weave and then she after that she said everybody wants some out of the deal and what she's simply saying 8:578 minutes, 57 secondsin that guys is okay okay you want sex okay cool but I'mma get something too all right now if she would have saw me 9:069 minutes, 6 secondsas somebody that she was just very physically attracted to which obviously she was not you know high enough 9:149 minutes, 14 secondsinitially and and with me guys I don't get offended with that guys because looks don't really mean that 9:219 minutes, 21 secondsmuch to women like I like it

do to us I know looks are the end all be all of y'all so y'all just don't see how [__] 9:289 minutes, 28 secondswomen see [__] women more into like intrinsic values like you know uh 9:359 minutes, 35 secondsconfidence and [__] like that yeah it looks means something too as in initially you know but with women guys 9:439 minutes, 43 secondsI'm telling you right now looks a like a a small fraction as into what actually gets you laid I know I know y'all watch 9:529 minutes, 52 secondsTV and women carrying on and y'all and y'all think that women act like that like uh Boris Cojo and uh Morris Chapter 7: Status 10:0010 minutesChestnut and guys like that but I'm telling you right now women act like that because those guys are famous if Morris Chestnut Was the janitor at your 10:0910 minutes, 9 secondsgym and he was famous women would not be phoning over him like that if Boris Cojo was a personal trainer at the gym women 10:1710 minutes, 17 secondswouldn't be phing over him like that now I'm not saying that they wouldn't get some attention but the way women carry on with how celebrities looked and [__] 10:2510 minutes, 25 secondslike that trust me guys a most of that is status if those same guys that women 10:3210 minutes, 32 secondsbe drooling all out of their mouth Oh my he so gorgeous if that same guy was a [__] Carpenter or the guy who came in 10:4010 minutes, 40 secondsand fixed their goddamn toilet please believe they wouldn't be carried on like that all most of that [__] is status all 10:4810 minutes, 48 secondsright guys so y'all guys need to understand that so and what I'm saying is when a woman is not you know wetting her pants when she see me just off looks 10:5710 minutes, 57 secondsI never get offended because I know looks don't mean that much to women as it do us y'all seem to think it do but it does not now every now and again you 11:0611 minutes, 6 secondsgoing to run into a woman that you just knock her [__] socks off just off looks and that's good but that's going to be a very small percentage guys all 11:1411 minutes, 14 secondsright I need y'all guys to start thinking about you know masculine frame and seduction I told you guys when I was in school most girls thought I was just 11:2311 minutes, 23 secondsdrop dead gorgeous this that and the other and then soon as they got around me and you know I you know I I I wouldn't holding my I basically I a know 11:3211 minutes, 32 secondshow to seduce them basically like that I knew not to be a complete cornball and [__] like that yeah I ain't never been no [__] cornball nothing but I would 11:4011 minutes, 40 secondsget with women and just think like okay all right now drop your draws no seduction no nothing no sweet talking none of that [__] all right so y'all 11:4811 minutes, 48 secondsguys need to understand that seduction carries a lot all right stop depending on your looks but getting back to this 11:5511 minutes, 55 secondsthat's the way it going to be bro you only going to want to [__] women that got a high initial interest in you or women in your friend zone all right and Chapter 8: Sex 12:0312 minutes, 3 secondsto keep [__] them cuz even if that's the case to keep [__] them the sex is going to have to be amazing all right 12:1112 minutes, 11 secondsnow and this is why it's sex all right if if you ain't built no kind of interaction with the woman or nothing 12:2012 minutes, 20 secondslike that so she

ain't liking you for nothing intrinsic as in your personality so that means that it all going to to 12:2912 minutes, 29 secondskeep [__] her that means all going to boil down to your sex skills because you ain't got her mentally so unless the sex 12:3612 minutes, 36 secondsis amazing she ain't going to want to keep [__] you with you because you ain't did that to her mentally and what I mean by that is when you guys are 12:4412 minutes, 44 secondsdating women and they getting to know you and like you and develop feelings for you that means that when you come in the bedroom it means more even though 12:5312 minutes, 53 secondsyou might not be the best in the bedroom it means more cuz she likes you all right so if you having sex with a woman 13:0113 minutes, 1 secondand you ain't developed no kind of chemistry with her or nothing like that unless you really putting it down in the bedroom it's a good chance that you 13:0813 minutes, 8 secondsgoing to turn up being just a one night stand all right because it wasn't nothing else involved all right if a guy 13:1513 minutes, 15 secondswho's not that good in bed but he done went on three days with her and built all this chemistry with her and he got her mentally stimulate stimulate 13:2413 minutes, 24 secondsstimulated then she'll get him the benefit of Doubt because every stroke meant more cuz there's some feelings 13:3113 minutes, 31 secondsinto it all right so it's a lot of benefits guys to get a woman head stop just thinking sex guys it's much more 13:3913 minutes, 39 secondsbenefits when you got a woman head all right than just sex three [__] two or 13:4613 minutes, 46 secondsthree [__] dates all right two probably just drinking and then one good dinner date and now you got her head and 13:5513 minutes, 55 secondsonce you get a woman head sky's the limit guys all right I don't even just care about sex like that no more I like a woman's head because now I ain't got to do [__] she going to pursue me 100% 14:0614 minutes, 6 secondsof the time so that's the thing with that guys but do what you want to do if you just want sex direct approach let a woman know R from the get-go you just 14:1314 minutes, 13 secondswant sex and just be cool with losing women that you could have slept with in two or three days all right guys all 14:2114 minutes, 21 secondsright guys like the video comment down below what you guys want to see next holla back

hat's up fellas 0:07 so today I'm here to talk about first 0:10 date high interest indicators because I 0:12 made the video yesterday and I told you 0:15 that it's feminine women you pursue them 0:17 different also high interest women so I 0:22 want you to know the things to look for 0:24 as it was high interest because just 0:27 telling you how ancient women how to 0:28 hear you poses known as high interest ok 0:30 so I want you to know all the things 0:32 that show she's high interest now she 0:35 could call you the next day 0:38 alright that's definitely a high 0:39 interest indicator but there's also 0:41 going to be things that go on through 0:43 that date that let you know she has high 0:45 interest to not just dead alright that's 0:48 a good one 0:48 but there's also other ones alright so 0:50 first time like I said yesterday guys 0:53 and I need y'all to just understand this 0:55 only about 5 or 10 percent of women you 0:57 go out with gonna have you so if you are 0:59 with 10 women 9 I'm gonna be feminized 1:02 like a [__] and I want you guys 1:04 to understand that so you don't go on 1:05 these days trying to see what you want 1:07 to see oh she did this she must got high 1:11 interest so I'm gonna lay out things 1:13 specifically so you know cuz you guys 1:15 gonna start trying to dictate with truth 1:16 anchors high interest alright oh she 1:19 looked me dead in my eyes that's a sign 1:21 of high interest 1:21 oh she wore black shirt - she must have 1:25 high interest so I want you guys to know 1:27 this Pacific alright first thing you 1:29 need to know is women who have high 1:33 interest a lot of the [__] that go on 1:36 the propaganda and the manipulation 1:37 tricks that they learn they throw it 1:39 read out the one that's natural for a 1:41 person when they got high inches to 1:43 throw a lot of [__] that they normally 1:44 don't do read out the one look so that's 1:46 the first thing you need to know alright 1:48 and the reason why it's important with 1:52 the strategies that I lay out with a 1:54 woman who has low inches or who is 1:56 feminized it's because the only way say 1:59 listen I'm gonna even feel with a woman 2:02 that has lower inches I'm gonna say Lord 2:05 because just because a woman isn't 2:06 [__] dripping wet when she see you 2:08 don't mean you can't [__] so I'm gonna 2:10 say lower interest she still can look at 2:12 you as a six or seven but that don't 2:13 mean she's gonna be sitting there giving 2:15 high interest indicators so if a woman 2:16 is a six and seven the strategies I laid 2:18 out is you're trying to show her your 2:20 high value which is gonna raise her 2:22 interest to show her that you have other 2:24 options which in her eyes is gonna make 2:26 her thing raise her interest listen like 2:29 I told you guys before I didn't create 2:30 women blame the big man upstairs so when 2:33 you acting high-value

assuring you have 2:35 a I'm gonna say acting cuz acting means 2:37 your friend I tell you guys doing your 2:38 purpose so sure your high value by not 2:41 calling her not by not seeing her all 2:43 the time it's gonna raise her interest 2:45 level because you're acting like a man 2:47 who has allowed to act you're showing 2:49 that you're a man we have a lot of 2:50 options 2:51 alright so that's the strategy the 2:52 layout for one who has lower interest 2:54 for the one who have higher interest or 2:56 who hasn't been feminized you don't have 2:59 to be so stringent on those strategies 3:01 alright because she has high interest 3:03 that don't mean you stop blowing up a 3:05 phone like I told you guys yesterday 3:06 because I know you guys are [__] 3:08 looking for a [__] excuse the way you 3:10 can call a girl for breakfast lunch and 3:12 dinner and that's not what the [__] I'm 3:13 saying alright so the first thing you 3:16 need to know guys is when a woman has 3:17 high interest read off the bad guys 3:20 she's gonna be she's gonna show up late 3:22 are short on time for the day alright 3:25 when a woman has high interest she don't 3:28 want to do nothing to get on your bad 3:29 side 3:30 she don't wanna do nothing off a bad 3:31 impression she want to be right there 3:33 all the time and because most people 3:35 know that a person only has a limited 3:38 amount of time for a date I don't have 3:40 to have a person don't have a whole 3:41 night to date your [__] ass a 3:43 person might so let's say you set a date 3:45 with a girl at seven o'clock [__] I 3:47 can't hang out with you to ten o'clock 3:49 and nighttime I got something going on 3:50 after this I'm I got to get up early in 3:52 the morning 3:52 most women notice so women with high 3:54 inches they want to make sure that they 3:55 can keep a date as long as they possibly 3:57 can so they show theirs up on time a 3:59 woman with lower interest chilling care 4:02 about your time and also she don't care 4:04 if the date is shorter so she show up 4:06 late 4:06 ten minutes twenty minutes you can tell 4:09 how little her inches is about how late 4:10 she starts show up on these days some of 4:12 these [__] got the audacity to show 4:13 up thirty to an hour later I'm telling 4:16 you I'm telling you I ain't 4:18 guys probably just go home all right if 4:21 you see that that lets you know she 4:22 don't have no respect for your time 4:23 she'll have no respect for your time 4:25 because our interest is just that low 4:26 and don't give me that crap 4:28 every woman use the [__] traffic 4:29 excuse oh I ran into some traffic they 4:32 just ain't o'clock at night on Saturday 4:33 night what traffic you ran into like 4:36 it's 5 o'clock traffic with traffic you 4:38 ran into Saturday at 8 o clock at night 4:40 who they wait a minute traffic it oh you 4:43 do tell them take me to the traffic all 4:45 right he pictures killed me and a lot of 4:47 times like if I know they address or 4:50 something or I know that the area they 4:51 live in I'll Google Maps that [__] just 4:54 to see how the traffic flowing and I 4:55 look at the Google map in the Google map 4:57 say it for the took about 15 minutes to 4:59 get here and she tell my some damn 5:00 traffic because you know if you get on 5:01 Google Maps you can see the live feed 5:03 and you can see the backup so if you put 5:06 the address in you can see how the 5:08 traffic flowing on Google Maps and 5:09 Google Maps a [__] opposed we got here 5:11 in 15

minutes 5:12 yo ass it's been 30 minutes and you feel 5:14 like you get the [__] out of here with 5:15 that damn traffic [__] that's that's 5:17 all over miscues now so if she know time 5:23 you know she ain't got high interest all 5:25 right that don't mean you can't [__] her 5:27 that just means that you gonna pursue 5:30 her slower and you're gonna take your 5:31 time you're gonna wait a week to call 5:33 her after the date and things like this 5:34 now I say this always guys I say this 5:39 with the caution that you can raise the 5:41 warming interest over the date so a 5:43 woman could start off the date saying 5:45 thinking out here you're six and you did 5:47 so much [__] right over the course of a 5:49 day and now by the end of the date it's 5:50 an 8 or 9 inches what she calling you 5:52 the next day you know texting you the 5:53 next day so always keep that in mind 5:55 also that you could you just you can 5:57 show so much high value on the big 5:58 bypassing all her [__] test by going off 6:01 on angles that going off but checking 6:02 her ass when she showed up late that she 6:04 could started off the date as a six and 6:05 by the internet [__] it was 6:07 eight so you can do that all right but 6:09 let's just typically say you know you 6:12 you don't raise the dead high that fast 6:14 that just say she started off the day 6:16 she's a [__] odd she's showing up on 6:19 time she has high interest all right 6:22 another thing guys is she don't have 6:25 great combo guys one thing you 6:27 the woman got high introduced she don't 6:30 talking [__] and she's gonna ask you 6:33 two a lot of questions now I tell you 6:34 guys you won't hurt talking not you 6:36 talking let hug mother [__] talk 6:39 alright so if she asks you a question 6:41 you got to answer the [__] question 6:43 you ain't no [__] mute but answer 6:45 that [__] quickest and throw it back 6:46 girl 6:47 you know keep it on her they'll talk 6:49 because guys the more you talk the more 6:50 you end up talking yourself out of 6:51 course I don't did that [__] enough of 6:53 my date they ended up having a girl with 6:55 high interest and the more I talked and 6:56 the more I talking the more I talk for 6:58 long the woman started off with a nine 6:59 high interest by the undated girl look 7:01 at me as a six alright so keep the 7:04 talking to her the less you talk the 7:05 better if you know you guys watch the 7:08 first 48 when the more they get these 7:11 people to talk the more they get them to 7:12 tell telling themselves guys on the 7:14 police are doing interrogation know 7:17 anybody what they trying to do they 7:19 trying to lock you into a story alright 7:21 that's what women trying to do they 7:22 trying to lock your ass into a story so 7:24 understand that and understand you need 7:25 to get this [__] back on hook 7:27 alright get this [__] back on her the a 7:29 woman is looking for a reason not to 7:31 like you I understand that a woman 7:33 enters the date thinking like you know I 7:36 know I'm just not gonna like this 7:37 [__] 7:38 that's how I think they go looking for 7:39 [__] like you know this [__] out you 7:41 know they just crazy like that so they 7:42 come into the big looking for ways to 7:44 dismiss your ass alright so even if she 7:47 got high-interest up custody she's still 7:49 going to the big trying to find flaws 7:50 alright like okay on the looks 7:53 department you got it down but let me 7:55 see what you made up on the inside and 7:56 when I say made of I'll be testing and 7:58 stuff

like that I just mean your values 8:00 what you like to do things like that 8:02 these [__] are crazy I told you more 8:04 than one time these [__] are crazy 8:05 they going to a day trying to find a way 8:07 to disqualify you ass 8:08 alright another thing you need to know 8:11 else and this is a this was a big 8:13 indicator guys they'll be playing with a 8:16 hair you know they'll be picking around 8:18 guys do not confuse scratching her scalp 8:20 like this is playing well hey that's not 8:21 playing with a [__] eye scratching 8:23 her drying scalp all right and I tell 8:25 you guys this [__] because I know you 8:27 guys gonna go into this trying [__] 8:28 trying to find [__] the show that thinks 8:31 she's high-interest 8:32 cuz you want to see what you want to see 8:33 so go stand there scratching on stab me 8:35 like oh she got her answers he said 8:37 that's playing with a hand specialist 8:40 cab to different [__] things alright 8:41 so learn the difference but if you see 8:44 her flicking around in her hair doing 8:46 like this plan what I had that's very 8:49 high interest guys another one guys it 8:52 should touch you now no she ain't gonna 8:54 touch your [__] dick and no she ain't 8:56 gonna touch on your chest and [__] like 8:57 that what she do is during a 8:59 conversation or something like this 9:01 should pat you on the hands like this 9:03 when she's talking to you like she's 9:04 just making contact or touch of your 9:07 meat or something like that 9:08 you don't saying she don't rub your 9:10 groin area on there like that she's just 9:12 gonna Pat your hand like why she talking 9:14 she put her hands on top of yours like 9:16 that I patting them or whatever all 9:18 right so that's that's it she'll start 9:20 touching this retention and stuff like 9:21 that all right the real big one guys is 9:24 a real big one is and you have the nose 9:26 this she doesn't [__] tissue all right 9:29 and like I told you when a woman has 9:31 high interest all that testing and [__] 9:32 go right out the window 9:33 all right now she can start off not [__] 9:36 testing you and then you start talking 9:37 your wipe the puss and then she starts 9:38 [__] testing because you learn her 9:40 interest I understand that women started 9:42 testing when they see weakness all right 9:44 they don't just test for the hell of 9:46 testing all right you active you showing 9:48 that you're a high value man and I'm 9:49 gonna say acting like I have that you 9:51 mean I want to say Sean at your high 9:52 value man cuz I want all my guys on this 9:54 patreon page to be high value man only 9:56 [__] grind one reason why you guys 9:59 don't see that I can't come and answer 10:00 the questions right then I look at the 10:02 comments and then I make notes on making 10:04 a video about it later but one reason 10:06 why you guys don't see me come in or 10:08 everybody come in you know cuz I'm 10:10 busiest [__] guys I'm busy as [__] I 10:12 only want to run down the list all the 10:15 [__] that I'm doing but I just get out a 10:16 brief synopsis 10:17 so y'all don't think I just be ignoring 10:19 y'all I'm Mellie t-shirts I'm writing a 10:22 book 10:22 I train clients in the morning I'm 10:23 running to challenge this and my fitness 10:26 YouTube channel I have a security 10:28 company I'm busy 10:29 I do Skype sessions I got to this 10:30 evening I'm busy as [__] so yeah I am a 10:34 high value man and I and I want you guys 10:37 to be high value me like that also I'm 10:39 grinding guys I already got six

bits 13:13 just punctual 13:14 that's all radios she got high interest 13:16 she just punctual she probably on time 13:19 for every goddamn thing alright so 13:21 that's one thing you need to know that 13:22 you're gonna pretty much see all of 13:24 these steps if you wanna have high 13:26 interest she's gonna be skipping and of 13:28 course she'll takes you first the next 13:30 day now here's the thing guys if you see 13:35 all these I'm pretty much most of them 13:37 at least most of them the one thing you 13:40 need to know is you can pursue her and a 13:42 more casual pace and the reason you 13:45 could do that guys she's not following 13:47 some script that's when I say she's not 13:49 been feminized feminize mean they have 13:51 fallen the script feminized means that 13:53 she read some book they told her she 13:54 need to do this this this distant is 13:57 this girl hill where there's high 14:00 interest or she hasn't been feminized in 14:01 any case she's not falling no script 14:03 she's being natural so that means that 14:05 you can just be natural and just be a 14:07 high value man and you can reach out to 14:09 her the next day or whatever and as long 14:12 as she's acting natural you can be 14:13 natural that don't mean you call this 14:17 girl brothels lunch and dinner or it 14:19 takes up breakfast lunch and dinner that 14:21 just means you reach out good morning 14:23 have a productive day or good morning 14:25 hope you got a good night good night 14:27 risk talk to you later something like 14:30 that don't make no conversation how you 14:32 doing today I don't know that's too much 14:34 don't get into all that just make a 14:36 statement that that means a lot to her 14:38 all right that means a lot to her me 14:41 telling you that you can pursue her more 14:43 casually does not give you the right to 14:45 just stop blowing up this girl phone 14:47 responding to her texts and five seconds 14:49 right ten page paragraphs all it takes 14:51 that's not what the [__] I'm saying if 14:53 you do that you're gonna know her 14:54 [__] interest you still high value 14:56 man you're spear take your time to 14:57 return the text it's just okay as long 15:00 as she's reciprocated so let's 15:02 hypothetically say you went out Saturday 15:03 night let's say she showed all these 15:05 high interest things the next day you 15:07 woke up you text a good morning have a 15:09 productive day things like that write 15:11 down and she takes you Monday Hey 15:14 just thinking about you if you get a 15:16 chance call me later whatever the case 15:18 may be or whatever situation maybe you 15:20 can pursue her more natural when she 15:22 texts you something like that 15:23 good morning happen to you still wait so 15:25 two-three hours to respond to it all 15:27 right 15:28 you still got a week or two you still 15:30 got it beaten you still don't want to be 15:32 too available that don't never change 15:34 the thing is she's not following some 15:37 script so you don't got to follow no 15:39 script but you still got to wait two 15:41 three hours and the reason I say that 15:42 guys is it's a shame that I have to say 15:45 that for you guys no like you guys 15:46 should be grinder man I know you guys 15:49 probably get a little bit turn sometime 15:50 that I ain't right now the respond back 15:52 to your comments right near Mountain 15:54 grinded I'm getting it I'm doing like 15:56 ten [__] things at a time and I want 15:57 you guys doing the

same [__] thing 16:00 get on your grind man get on your grind 16:03 don't be [__] out - oh she texts me 16:05 oh I ain't doing that let me tell you 16:07 man I ain't got time to return to no 16:08 girl texts I ain't even got time to 16:10 return to y'all comments like that I 16:12 when I get chance I go through the 16:13 comments to see who had a good video 16:15 idea and I'll write it down on my list 16:18 but I don't got time to go through it 16:19 man I got a hunch I better get sleep you 16:23 see what I'm saying I'm on my grind I 16:24 want you guys on your [__] grinding - 16:26 all right so that's why I want you guys 16:28 doing man and oh and if you do you're 16:31 gonna see this more so instead of maybe 16:32 like five or ten percent of women maybe 16:34 you see it out of 20 percent of women 16:35 all right because when you are half 16:37 value man and not acting you're gonna 16:39 start saying these high-interest 16:40 indicators more because you know 16:41 ambition it's more attractive all right 16:43 but don't be looking forward like that 16:46 guys because I know you guys gonna go 16:48 out there and try to just find all she 16:50 showed up on time 16:51 oh she touched my toe she touched my toe 16:54 he said she touched me that's a high 16:56 under that that no no no no nope nope 16:58 nope nope no you should be saying most 17:00 of these just cuz she she bumped into 17:02 your knee with hurting me don't mean she 17:03 touched you and you started saying oh he 17:05 said she touched me all right oh she 17:08 kept up a conversation on that maybe 17:09 that [__] just loved the [__] talk 17:10 alright and another reason why I say 17:14 you're gonna see most of these guys 17:15 because I've told you guys before women 17:18 are evil some some women aren't most 17:20 women are evil and they'll sit down do 17:22 these fake-ass 17:23 things to lead you on to let you think 17:26 that they got high interest 17:27 and [__] all you got higher interest 17:30 just want to lead you all so they can 17:31 [__] with you and manipulate you and 17:32 drive you [__] nuts yeah you got evil 17:35 [__] like that 17:35 you got [__] that'll go on a date do 17:38 some of it they want to do all of it 17:40 they'll sit down carry on a good 17:41 conversation and then and be playing 17:43 with you like nothing this [__] filling 17:44 me but you can't never get on a date no 17:46 mo I told you guys I had a video call 17:48 this dog 17:50 don't let women 12 it you some pictures 17:52 are evil like that that's why I say you 17:54 should see pretty much all these in in 17:56 on the date all right because the women 17:58 who are trying to manipulate you they're 17:59 gonna do all these they'll just they'll 18:01 keep up a good conversation there'll be 18:03 good company things like that right 18:04 there but you won't see all of it 18:06 you'll see some of it those are the evil 18:09 [__] those are the [__] that 18:11 they'll sit down act high-interest just 18:14 to [__] with you ain't that sad ain't 18:16 that crazy I some [__] else they'll 18:18 sit there and do all that [__] and but 18:20 won't even wanna you want you can't even 18:22 catch up with on the next day that's why 18:24 I said if you this this high you kind of 18:26 want to weed those out right and this 18:28 why I say now you need to pay attention 18:30 to this guy this how you want to weed 18:31 those out the fake high interest ones 18:33 and the one who got real high interest 18:36 this hypothetical say a

woman did most 18:38 of these right and you're kind of 18:40 confused I don't I think she got high 18:42 interest you text her the next day 18:44 see if she ever initiated contact with 18:47 you if she never initiate contact with 18:49 you there you go she's a [__] phony 18:52 she's an evil manipulative [__] she 18:56 didn't have high interest she just 18:58 wanted to [__] with you she won't you 19:00 gesture thanks she was in she liked that 19:01 you just the [__] with your head a lot 19:03 of you guys go out with women and you 19:05 wonder like what you did wrong we had a 19:07 great first date and the conversation 19:10 was good but she can't I can't never get 19:12 up with her again what's the problem 19:14 something I'm gonna evil like that I 19:16 tell you guys I know that this sounds 19:18 crazy that people got time to actually 19:20 just be evil just to be evil some women 19:22 are evil like that all right and when 19:24 you text her phone she send up getting a 19:26 good laugh out of it because she knows 19:28 she led you on and she don't even want 19:30 to see you again 19:30 but she's just gonna kick out of you 19:32 being confused as in to what happened we 19:34 had a great first date and now I can't 19:36 seem to catch up with you no more that's 19:38 how you we that 19:39 and she showed all these high interest 19:41 of most of this high interest [__] 19:42 texture the next day alright just make a 19:44 broad statement next day since she ever 19:47 initiated [__] don't don't make a date 19:49 you just texted good morning have a 19:51 productive day 19:52 see if she a girl who has high interest 19:54 the next day or maybe that night she'll 19:56 text you back hey how did your day go 19:58 how did the rest of your day go or 19:59 should I text you the next day good 20:01 morning or something like that 20:02 a phony [__] she'll never initiate 20:05 contact she's just evil if you see that 20:08 you know that [__] was faking all right 20:11 like the video coming down below which I 20:14 want to see next y'all guys gotta come 20:15 up with some good video ideas I see them 20:18 I might not have time to respond to him 20:19 I got [__] to do now I gotta upload some 20:21 [__] on my fitness channel and then 20:22 I got to do a couple Skype sessions and 20:24 [__] like that but I see I see the idea 20:27 yeah I got some good ideas I write them 20:28 down and I just get to him and I one 20:30 other time as I go through guys but of 20:32 course I got a hundred gold guys first 20:34 y'all know that I like the video coming 20:37 down below which I want to see next 20:38 holla back

hat's up fellas so today we're here to break down the tix game and I know a lot of you guys 0:08 been needing this text game and [__] I got a phone strategy video on YouTube but this is a little bit different and a 0:13 lot of the young guys been asking me about the text game I get that most women like the text 9 really don't like 0:19 the talk I get that that's the era we live in right now and we got a short attention span and [__] like that and it's easy for all [__] to juggle five 0:27 to ten dudes so for all you guys wondering like why women like to ticks and not talk on the phone it's because 0:33 so they can take ten digging takes back and forth between 10 [__] dudes that's why the that's why a lot of you 0:38 guys are running it today I they can't talk to 10 different dudes but they can takes 10 different do so I know where 0:44 they can get the attention from 10 guys and one [__] time so guys well you know the Texas this is 0:50 all the gift and the curse the guilt feels you ain't gotta talk to those annoying 0:56 ass [__] all right that's the kid you ain't got to sit up and you know hear they [__] you know [__] all the 1:01 [__] day and [__] like that so that's the guilt the curse is you don't build up that rapport and so you might you 1:09 more liable to get a flake all right because she had she doesn't get a taste of your personality so let's say 1:14 hypothetically you met a girl at the club or at the [__] mall or whatever right and so you know the phone was to 1:20 build up a little rapport to what she starts to like your personality guys looks only mean so much to women maybe 1:27 like 30% personality maybe mean 30% and you know what you doing with your life and [__] like that probably means like 1:34 30% of whatever the case may be so you can fraction each one of those in our 33% 33% 33% finances personality looks 1:42 all right and so what you've been able to talk on the phone you ain't to use your purse snatch you 1:47 can't use your person acted through takes and you know if you try to be funny to takes guys I'm telling you you 1:53 don't know how somebody might interpret - all right so they might take it wrong you might have missed it one way but 1:59 when [__] going through on text it might come out another way to what you were saying some nasty saying something you 2:05 know that sounded Bober so please do not try to be a joke man on the [__] art through text messages all right it's not 2:11 the way to go I got my [__] notes because it ain't no where the hell once I started talking and trying to break down each talking 2:18 point and explaining he's talking point I already know I was gonna forget what the [__] I was at all right so when I 2:23 whenever I do a video like this yeah I know I got a lot of talking points to explain and

[__] like that I make sure I 2:29 get my notes because I know you guys take this [__] series all right I'm pretty much the mouthpiece for all the 2:35 guys around the world who take this [__] serious right so the first thing you guys need to know is I catechol 2:41 categorize the women you takes in two categories high interest and low itches 2:49 all right because you're gonna get two different reactions from each one of those groups all right guys so first off 2:55 the back the high interest girl you take her out on Saturday or whatever the case 3:01 may be or let's say you got a mug number at the mall Saturday she probably gonna text you that night 3:06 oh she gonna take you the next day all right she more than likely is she gonna send initial takes the real high interest 3:12 girl right not all the way not all the time all right but if our interest is crazy high it's more likely she or 3:18 senator initial takes in the table this is guys that first takes you want to respond to it three to four hours now 3:26 here's the thing guys I you know I miss Anders for the longest I don't want you sitting at the house playing video games 3:32 looking at your [__] phone tell myself EMS said tix this [__] back in three or four hours I tell you guys to 3:38 be on your purpose be dating other women have a social life for abundance so I want you to thoroughly be busy really be 3:44 busy I don't want you to be [__] all right there's the thing when I tell you guys I want you guys to live a social life of 3:50 abundance beyond your [__] purpose date of the women I is more than just being on your purpose I want you dating 3:56 other women I want you to join time with your friends I want you [__] busy I'm all my guys out the [__] house 4:01 feeling sorry for themselves and outside [__] these holes to sleep and own a purpose all right I want you guys 4:07 genuine high value males which means that you have a very busy schedule and obviously if I'm on a date with another 4:14 girl I'm not about to stop doing what I'm doing to take some girl I met two days ago back all right she'll have to 4:19 just wait to the date oh all right I'm gonna [__] date right now alright and another reason why guys you don't want to be 4:27 stopping what you doing to respond to people texts and [__] like this because they say hypothetically you out with a 4:33 girl and she see that you responded to ticks on a date with her well when she 4:38 takes you she probably gonna be wondering like well what the [__] take you 3 4 hours to respond to my text it seems like you 4:44 have no problem stop doing what you doing to respond to text alright guys so understand that discretes is always 4:51 watching when you're on a date with a girl and then you go to respond in the text right away but you take 3-4 hours 4:56 to respond to my text okay so she already know you full of [__] alright cuz you do start what you're doing they 5:03 respond it takes all right so never respond to text while you're on the date guys you won't want me to know that when 5:10 you're doing something else that's what you're doing and she's just gonna have to wait alright that's the thing with 5:15 that so a woman with high interest here initiate contact things like this this is what a lot of 5:21 guys mess up after you respond to the initial text guys do not try to wait 5:27 another 3-4 hours to respond to the next text okay alright the thing with this else you want to respond after you broke 5:34 the initial contact now you can respond back every five to ten

minutes all right you don't want to 5:39 respond back in 30 seconds to after you know each takes all right because that's too too [__] available but five to 10 5:45 minutes you want to respond back to the text all right and you'll see a lot of guys they try to go do 3-4 hours again 5:52 so guys here's a thing women have a natural abundance mindset alright 5:59 they ain't dating like most guys pretty much every girl that looks halfway decent having abundance mindset all 6:05 right and she's getting hit on by other guys alright but for whatever reason whether it's the way you look the way 6:11 you walked when you talk something about you she got high inches in you all right now a woman gonna go start thinking to 6:17 herself I got all these dudes trying to [__] me why am i sweating to do who's responding to my takes 3-4 hours out the 6:24 east [__] takes all right do ya'll guys get that I he responded back did he took four hours respond back I was 6:30 plenty back me he took another four hours to respond back do ya'll guys get that so warming a thing that I'm dealing dealing with a 6:37 do who has low interest guys women have a natural abundance mindset they just 6:43 gonna move it on they have a natural abundance mindset because they always got somebody trying to get in a pants so anybody who has it like that unless 6:50 she's a girl that looked like [__] but she is she's a seven and above she got dudes that's trying to get in 6:56 her pants so what natural instinct is why am I gonna remember how to do who ain't really trying to you know show me 7:02 any kind of interest I so you know after the initial takes you can respond back 7:08 every five to ten minutes to after each text all right you don't listen don't 7:13 run that game on the girl with high interest guys I'm just telling you that [__] now I've done that [__] in the past and tried to do all that [__] and try 7:20 that like I was too unavailable and [__] like that each time the girl lost interest you can do the [__] you want to now am I saying 7:26 this gonna happen to a girl that's like a five or a six pound a night but if she ate 9 or 10 guys and you try some [__] 7:32 like that and she got 50 dudes trying to get in her pants let's see how that work out for you you hit me back and you let me know how that 7:38 work out for ya I wanna see how that work out for you that's not gonna work out for you guys anybody who got options ain't gonna take no [__] like that 7:44 alright so now that you responded back every 5 to 10 minutes you know alright 7:50 so never set a date on the initial text I so let's hypothetically say y'all name 7:57 one out yet let's say you met her Saturday and she hit you up before you hit her up cuz I tell you guys to 8:02 exchange numbers alright say she hit you up I don't set a date right then 8:07 alright don't set a date you wanna want in a little bit you can get to know each other a little bit back and forth 8:13 through the text or whatever the case may be but don't set a date right then you let off the hook too [__] easy alright 8:19 because she's taking out here damn I want to see him again that's what I want you want to build that in situ you want 8:24 to ask thinking this is what gonna make her fall in love with you because now she has something to think about he asked me up that's what you 8:31 want all right you don't want you you ass out you let her ask me want a little pink on it that thinking about it watching with you 8:38 cuz she gonna be thinking about it when I'm

gonna see him again just another cuz she don't wanna ask you out you know she you know if she got crazy 8:44 high inches or something like that she might say you know so when are you free oh uh you got a lot going on she might try to 8:49 initiate to push you to X but unless she asked you out you're gonna hold that card 8:54 let her wanna let us sleep on it all right guess what's gonna build an anxiety design science is what causes women to fall in love guys all right so 9:03 I know a lot of you guys when you you know you do things you want to show a woman certainty I certainty to a woman 9:11 is the opposite of love all right women fall in love with uncertainty that's why I tell you guys don't 9:16 validate women all right because when you validate them you giving them certainty and so when they get certainty 9:21 they start to fill in themselves and then they start to turn the little [__] you won't build uncertain 9:26 uncertainty that anxiety is what causes women to fall in love with you all right you don't want women to know where you 9:32 stay staying with you all right so now here's the thing guys get a woman with 9:38 high interest is um has an is initiating 9:43 contact it's okay to go back 50/50 on the initial contact so let's 9:49 hypothetically say you mail a Sarah did she hit you up Monday text you Monday initiated contact okay it's okay to 9:57 initiate contact with her on Tuesday but the thing is you want to make statements 10:03 I not conversation so theoretically if it's me I hit her up on Tuesday and I 10:10 say hey good afternoon I have a productive day don't work too hard I talk to you later something like that I made a statement I 10:17 don't say hey what's for lunch I you know now she started that then that's 10:22 fine but I'm gonna make a statement all right because I don't know how to think of me all right so you don't want to 10:28 want me to start thinking you needy like you need conversation like you know so you're gonna make a statement because she initiated contact so you initiated 10:35 contact this is for hi edges you anyone you get no should I decide no low interest women I you you can forget about it you don't get no [__] like this 10:41 out of low inches women you won't be doing all the pursuing 100% but the higher edges woman is okay to go back 10:47 and forth not here's the thing don't initiate contact twice in a [__] 10:54 day ever so if I here initially own 10:59 Tuesday and okay she asked me okay thank 11:04 you have a productive day also I'm not gonna hit her back six pm so how was your day or I hope you had a wonderful day I'm 11:12 just getting home [__] no no no no no no now see now you're going the wrong way all right now you saw it too much 11:19 high-interest and now her interest don't start going this way all right so you want to show that you are interested but 11:24 you don't want to start seeing you got to high inches.i but now she's gonna start losing interest 11:29 all right because she's starting to see you where you staying she's starting to see you like a whole lot I so you don't 11:35 want to show that you like that goddamn much so initiate contact one time per 11:40 day all right one time for day now you guys already know no emojis no feminine 11:47 tics and no [__] like that all right now here's the thing guys don't initiate 11:53 contact two consecutive times so let's hypothetically say you hit her 11:59 up on Tuesday didn't good afternoon hope you have a

productive day and she responded that and then she don't text 12:06 you Wednesday and then you text her initiate contact a game on Thursday no no no no no no we're gonna issue a 12:12 contact no more until I should initiate 12:17 contact also on that second time when you initiate contact on Tuesday you can go on laughs crowd all right so you can 12:24 go ask rifle what's up Bella [__] always ask a girl for what's her 12:29 availability guys I always ask a woman what's her availability all right then 12:34 where you don't get boxed in and seeming to available and what I mean by that let's Hypertech to say you say Tuesday 12:40 you asked around you say hey are you available Saturday and she said I got a party Saturday and now she's like but 12:46 I'm open Friday you see how available you seem you see how you didn't box yourself in and then looking like you 12:52 ain't had [__] to do this weekend all right and yourself Friday she can lose interest all right so always ask a girl what's up 12:58 fella [__] she might say something to the effect of I'm free Thursday evening and Saturday evening all right and pick 13:03 wizard old days that fit your schedule all right but don't just try to offer a 13:09 girl a date I always ask her availability I should I meant to bid tell you guys this I but you know why I 13:17 haven't been told you guys this cuz I just got back to Dayton alright I told you guys I've been on my 13:23 purpose for like this last seven months and so I just got back to Dayton and I asked the women what's the availability 13:28 and I was like I gotta remember to tell the guys cuz I just been dating my same old girls right so I just got the thing 13:35 you know different girls and I made sure that I make sure I tell you guys always ask a girl huh gullibility don't ask her 13:42 are you free Saturday because if she said hey I got a friend party on Saturday now you [__] boxed in cuz she 13:48 might say well I'm free Sunday and then you like okay so I saw it oh so you had [__] to do the whole [__] weekend you [__] loser 13:54 alright so then she started thinking like well maybe you don't look as good as I thought he looked he looked cute but you know if he was that cute why 14:01 would he be available the whole [__] weekend alright so always ask the woman was her availability alright that way you don't 14:07 box yourself being a very important guys to keep your value up all right the whole point with a high-interest girl is 14:13 we always trying to keep our value up she sees us we do it for her the way we watch for whatever she see the 14:19 confidence they see see the swag you don't want to go to start [__] testing you and she started down your value 14:24 being available the whole [__] weekend anybody gonna start with that debating your value what's your value 14:30 and when I say value you know central market value what I mean by sexual what I tell you guys bisexual market value 14:36 it's not about how much money you got it's not about how big your house is it's not about Jaime the ABS you got 14:41 it's about how many other how many other women want to that was determines your sensual market value in other words if 14:49 you four hundred pounds and you live with your [__] mama but every good 14:55 and you're sitting wanna [__] you you got a high sexual market value alright it don't matter what I think I'm gonna 15:00 do you trying to [__] me it don't matter if I think you got low essentials market value

women determine your sexual market 15:06 value so if you four hundred pounds and every girl the town wanna [__] you and you work at McDonald's you don't give a 15:12 [__] what I think I'm not [__] you it matters what women think women determines what your sexual market value 15:18 is so if she precedes you as other women keeping you occupied bishi 15:24 your session values hot if you free the whole [__] weekend how much central market value 15:29 you could you have I want you guys to just think about it alright you so [__] high value that you got 15:34 the whole [__] weekend available I made a hot bath you think Leonardo DiCaprio got a whole [__] weekend available huh you think that you think 15:42 Jamie Foxx got the whole [__] weekend available huh you think healing got nothing to do with no other girls and then that's going on 15:48 he just freed a whole [__] weekend he's just sitting around the house with Nana do on the [__] weekend huh y'all 15:53 think Justin Bieber ain't got nothing to do the whole [__] weekend you free the whole [__] weekend alright so if you put yourself in a position where you 16:00 available the whole [__] weekend are you so you say to available the woman starts dying you're essential market 16:05 value she started thinking like well I thought he was hot but I guess the other women don't make me hot so then you start looking less attractive to up 16:11 because women attraction to you is based off what other women see you so in other 16:17 words like this guys when you go out with a woman she's watching other women 16:23 to see if they scoping you out alright so you know a lot of times y'all guys be 16:28 on dates with women and [__] and you wonder like what the interest went what she went out with you and she see no 16:34 other women scoping you out all right so her interest for you drop so y'all guys got to be wearing it when a woman 16:40 goes somewhere with you and old and when you walk in the room and all eyes on you oh man honey answers will go up like 16:48 them maybe they won't this [__] Yogesh but she could take you somewhere out and y'all go to a club or lounge or 16:55 whatever the case may be and she look around and like you know she just walking straight ahead and she don't see women like you and she said you don't 17:01 turn heads how interesting you gonna drop this is the bottom [__] line guys I don't know no the way that's played if you go out with a woman and 17:08 you start turning heads you shake it have low interest in you watch what happen to her interest because she see 17:14 up the women won't you alright so that's the bottom line with that guy's women 17:19 determine your sisters market value so if you're two available dinars you ain't got many other women which means that 17:25 you got a low special market value all right that's the bottom [__] line so you know this pink doll this [__] guys 17:31 is instinctive they don't think about it and [__] like that this [__] is instinctive alright so that's the bottom 17:36 line with that I never make sure I ain't forgotten them so his eye longest longest she's still 17:43 pursuing say you text are Tuesday she hits you Wednesday initiate contact and 17:49 it's okay for you to do Thursday like that's the bottom line with that know the low interest women uh let me make 17:57 sure hold up one second let me get my notes all right so this [__] Hill ain't 18:04 gonna do Nick all right she got [__] low

inches alright so you need to know whatever out the back 18:09 she gonna do man you got do it for the tight alright the little selfish [__] alright so here's the thing guys for 18:16 whatever reason physically or whatever the reason your personality whatever and she ain't belong the [__] way 18:22 and I know some of you guys might think you wanna walk away from these guys listen that I would say at least 50 to 18:31 60 percent of the women you go out with it's gonna have lower inches alright now if she's wouldn't go on a 18:37 date with you that means that you you you chica see herself [__] you alright she could see yourself [__] 18:44 [__] you but you gotta raise her interest and for you guys say oh might be on attention I'm gonna tell you guys 18:50 something attention or don't go on a date with you attention [__] do everything but set a 18:55 [__] date alright it's the difference between the woman with low interest in attention [__] the one attention [__] would try 19:02 to do everything to use you for your non-sexual attention but won't settle [__] date the girl with low interest 19:08 which is just a step above the attention [__] I mean just a slight step above attention [__] well she sees you she 19:16 could she could possibly have sex with you but you got a long way to go to get her interest up all right in the bottom 19:21 line like this guys if you got a woman with low interest you Justin race on interest and that's fine you know anybody when losing on sleep by not 19:28 raising on [__] interest but you did a horrible job over raising her interest 19:33 and frankly if you got a lot of options maybe you don't even kill my 10 girls I 19:39 want to [__] them too all right because listen guys if you over here just the [__] high interest 19:46 [__] man listen unpledged right now and say your [__] that's what you pay me for the [__] 19:51 [__] I got high interest it was you paying files for you paying file all just so you can [__] [__] who got 19:56 high interest that's what you're doing you need me to teach you how to [__] a [__] that got high interest in you really 20:02 that was you paying you wasting your [__] money the whole point of alpha male strategies is to get [__] that 20:08 are on the fence not [__] that see you as a [__] demon God all right that's the [__] point guys we want to 20:14 learn we got it you got to learn how to [__] [__] who don't exactly pants get wet when they [__] see you if all you 20:19 ever want to [__] in your life is [__] who got crazy high initial interest and what the [__] you following 20:25 me for what's the point the point is I'm teaching you guys how to get these [__] that are on the fix anybody can 20:32 [__] a [__] that got high entry [__] hell you know how bad you gotta [__] up the [__] busy with high-interest man you 20:38 know how bad you got to be man you got it like tripping falling on a date ten times you gotta over-pursue to the max 20:44 man you got so much [__] room for error with a [__] that I see you as a 9 or a 10 that is [__] ridiculous 20:50 I hope ain't none you guys over here just to learn how to [__] [__] that got higher interest I'm teaching you 20:56 guys how to [__] these [__] that see you as a 5 6 and a 7 not a 8 9 and 10 21:02 you'll need me for that [__] hell yeah you got a new product a [__] ty see you guys ain't 19 try you probably 21:08 set the first date to come to your house and they'll [__] Netflix and chill that's easy I want you to [__] those 21:13 listen I told you guys when I was on candy

YouTube I was already digging down 21:21 25 women a year but I left a lot of ass on the table because I couldn't [__] the [__] who was lukewarm interest I 21:28 didn't need no I didn't need to learn game and [__] and improve my game just [__] those 25 [__] they just saw me 21:35 that's God so it's easy for me not to [__] it up what I want to know was those [__] that I that was on the fence I 21:42 want to know how to [__] those and I would have some girls that would have crazy high initial interest and they 21:48 were and I would lose it I want to learn [__] but that was rel most of the time I want 21:53 to just know how to [__] the [__] that was that was go on a date with me 21:58 one or two days and then al feels allowed I want to know how to improve my game too boom I ain't need nobody I need to learn 22:05 them damn game never had a [__] girl to see me as a 9 [__] I can be homeless on the [__] Street and [__] that 22:11 [__] alright so I want you guys to know game to [__] these [__] for you got 22:16 one baby with no Louise man no time for that and what the [__] yo you need me to 22:22 teach you how to [__] a girl I see you as a 9 or 10 maybe my bad you gotta [__] up the [__] up with a girl I see you as 22:28 a 9 or 10 that's what I'm here for they teach you how to [__] these [__] alright so first thing you 22:35 need to know guys is you have to build a built in [__] like that when you make the text she ain't gonna do no pursuing 22:40 now here's the thing guys what doesn't right here she sees you as low interest 22:47 so no double Texan no double Texan this is big with the low interest girl 22:53 because you're a tech hub five hours six hours seven hours this [__] a text you 22:59 back the next day sometimes I never double takes now here's the thing guys 23:06 don't get butthurt off of her slow response or her next day takes I'm 23:12 telling you it's gonna come alright I'm one thing I'm trying to get you guys over to start getting butthurt because a 23:17 girl don't got how no interest what she just dropped down and start sucking your dick on the first date all right I'm 23:23 trying to get y'all guys over that [__] where you but her cuz a girl ain't blowing your phone up and showing 23:29 crazy AIIMS get over that [__] alright so this girl got Lord interest she might text you the next day you but 23:35 her you man you don't want to respond you want to block her number because she took Nick they'd call you oh no baby you 23:41 get a bill and wipe your kids you 23:50 [__] [__] listen the bottom line is this right here guys the woman has Lord inches in 23:56 you so you something like the bottom of the totem pole keep the [__] dates cheap so you 24:02 don't put your investment into it because it's a good chance that she just feels pain just feels a lot but the 24:07 thing is if you display high value techniques you go out you stand your masculine frame you own your purpose 24:13 which means that you made the pass all her [__] test one of the [__] test is double Texan because 24:19 she's gonna take her time responding to your tics because for some reason whatever the case may be she doubts your 24:24 value I don't know why but she doubts your value maybe something you said I did but she kind of or maybe you just 24:29 don't do it for her fiscally it's you know I don't really [__] matter but you got a little interest in you and 24:35 that's fine but if you do the alpha-male scratches intent you know hold the masculine frame pass

the [__] test don't 24:42 over pursue this woman will get will warm up to you I'm telling you that right now this woman will warm up to you the girl 24:49 that I my Sunday Pisa ass that comes over here now on our first date and that 24:56 was before I you know this was when I was you know listening uh you know this 25:01 was you know I cuz I figured out a lot of scratches in myself so I you know I would do what other dating coaches say I 25:06 would kiss on the first day and she'd go for the kiss on the first day she kiss me like this on the first day and now in 25:13 my dick in her mouth for an hour to every [__] Sunday alright so if I were to went by that kissing expression 25:20 and not raising her interest I would have said oh she got low interest because she treats me like a fish she 25:26 kiss me literally like this when I were to kiss her when we walk out the pool hall she kissing like this that's how 25:34 she kissed me all right like she won't - I knew I could raise up her interest I knew I not my dick in her 25:40 mouth for one or two hours every Sunday all right I never initiate contact she calls me all she texts me all do - we 25:47 asking me constantly when can I call her [__] like this here might because in her mouth my balls in her mouth 25:53 I every [__] Sunday I stopped making her lick my ass because she's prove her loyalty to me and she's very submissive 25:59 to me or whatever the case so I don't upgrade her from a slicker status to 26:04 nylons just bounce like a static so she'll just stay there and the bottom line is I'm saying like this guy's this 26:09 was a girl that actually I didn't knock her socks off on the first date all right but I knew how to raise her 26:16 interest you get what I'm saying I had the game and in in the swag and I was on my purpose I knew how to raise the 26:22 interest and now my dick is in my mouth for two hours every day on Sunday y'all get what I'm going okay so don't worry about a girl not 26:29 blown away by you on the first [__] date I'm here to teach you guys how to [__] these [__] - all right another 26:35 thing you might get with these girls when you ask her what's up fell ability and [__] like that she might say some 26:40 [__] to the effect of I might be able to do Friday she might text you some [__] 26:46 like that might be able to do Friday don't get emotional don't get mad oh I don't do you just 26:53 takes back might with a question mark to let her know I don't you know let me 26:58 know I don't understand what might me alright most times when I do that to a girl with low inches or whatever they'll 27:03 say lol yeah I'm free Friday on free Saturday all right yeah so that's how you hung on that might [__] when the 27:09 girls say Mike or I cannot [__] can I uh I might be able to that's usually what you're here to take 27:15 this the word might I always a text back Mike with a question mark and I'll put parentheses around that 27:21 [__] look what the hell is Mike alright so that's the bottom line with that guy's so that's the bottom line with 27:27 this video guys you got high interest ticks and you got low interest ticks and like I teach like I tell you guys before 27:33 you disqualify the low interest girls the whole point of you over here's the [__] these [__] 27:39 alright you got to [__] up so bad to [__] up the low interest and I'm teaching you guys in the high not to lower these girls interest too but a 27:45 girl that goes guys a girl who goes out in a girl that goes out on a date with you she

got somewhat interest in you and 27:52 she's not an attention [__] attention while you can't get on a date tension while you try to set dates and they call 27:57 and text but they want to go on it they won't go on a date they just hey how you take on it's going 28:03 okay you're free you free this weekend uh-huh can I get back with you that's an attention [__] attention Lord don't go on a date with 28:09 you she might seem have very little interest in you and you got a raise it but attention [__] I'm going date guys 28:15 attention [__] women that don't see you sexual appealing don't want to be seen with you out in public you're young 28:22 I mean as a date all right they'll say some [__] like you know they'll come up with every excuse in the 28:28 book they don't want to go on a date with you a girl you on a date with you she might not have crazy high interest in you but she got somewhat interesting 28:34 you and it's up to you to raise it all right in the point I'll have no scratches we need always are just trying to [__] women that sees us 28:40 9 or 10 that's easy learn to [__] that [__] that sees you as a 5 that's what I'm over here for that's my job 28:46 alright that's how you're gonna [__] 50 60 70 women a year you're gonna [__] no [__] 50 60 women a year just [__] 28:53 women that got high interest in you alright alright guys that's the text game don't double take these [__] 29:00 with the low interest don't initiate contact even with the girls with high interest twice make sure she's doing 50% 29:05 of the initiating but don't text her one 29:11 time and then she do all the [__] pursuing she's gonna lose interest you gotta do something soon - it's okay but 29:17 make statements not conversation say hey just checking us you know let you know I 29:23 tell you I'm just checking to see how your day going or whatever have a productive day I talk to you later make 29:28 a statement don't ask some questions hey what'd you have for lunch alright now and she started that didn't 29:34 fine you know it's okay to go look dialogue long as you waiting 5 to 10 minutes in between text so you don't be 29:39 too available if she if the girl with high interest starts to just pour on the 29:44 text like say she's just texting back and forth back and forth back and forth slow down your [__] response time 29:49 alright that's how you're gonna kill that cuz she might start pouring it on slow down your response time so if you 29:55 got a girl that's got high interest and the reason you want to slow it down is because now subconsciously even though 30:02 you giving her what she won't subconsciously now you're too available 30:07 I saw her interest get dropped so it gets to a point so like say you bet texting back and forth with a girl 30:13 that got high interest after two after two or three times slow down your response time go to go back to 3-4 hours 30:20 after your initiate like three takes back and forth slow down your response cuz now you finish start to seem too 30:25 available alright so slow down your response time you and you gonna have to learn how to do this with the girls who got crazy 30:31 high interest slow down you as far as time or you can be too available and you'll start spinning a text gonna start 30:36 getting shorter or they gonna stop initiating contact because you lowered the interest because the [__] are stupid all right on one hand they want 30:43 your attention and then if you get they lose interest all right the [__] are stupid

I told you guys that they 30:48 don't know what the [__] they want all right they just [__] backwards as hell all right guys so that's the end of that 30:55 make sure you follow these strategies learn how to [__] the business that got low interest to guys like the video 31:02 coming down below which I want to see next holla

there all right it's just that [__] 6:51 simple guys now here's the thing our guy 6:54 asks me about texting a girl on the 6:56 phone and all this [__] well here's the 6:59 thing guys I tell you guys not to take 7:03 girls and the very least you know trying 7:05 to set up a time 7:06 now that's hypothetically saying that 7:08 this is a masculine girl right or a low 7:12 interest girl well that can't be because 7:15 masculine women and low interest women 7:18 they don't initiate contact all right 7:20 they want you to do every [__] thing 7:21 all right 7:22 so instantly I know this is a feminine 7:24 woman or woman with high interest I 7:26 because a masculine woman wants you to 7:28 chase her 24/7 so she ain't gonna reach 7:30 out to you first and a high a low 7:32 interest [__] damn sure ain't cuz she 7:34 got [__] low interest in matter of 7:35 fact when you reach out to her she gonna 7:37 have all these one-word replies uh-huh 7:39 okay lol all that [__] alright so if 7:43 a woman is reaching out to you and she 7:45 texting you good [__] job you're 7:48 dealing with either a feminine woman or 7:50 a woman with high interest I if she's 7:53 initiating contact good [__] job now 7:55 here's the thing you don't want her to 7:57 lose interest by you being so [__] 7:59 available so the thing is you got to 8:01 wait for five hours waiting this for 8:03 five hours and like I said I want you 8:06 really on your [__] purpose don't be 8:07 in the [__] house playing man rubbing 8:09 your [__] balls looking at the phone 8:11 telling some oh I'll return her texts at 8:12 five hours so I can act like I'm [__] 8:14 [__] [__] get your ass up and 8:16 get busy all right but here's the thing 8:18 you still want to wait for five hours to 8:21 respond to her text because what you're 8:23 trying to do is you want hard to not 8:26 think you're so easily available all 8:27 right so you want to respond to the text 8:29 later all right but you will respond and 8:32 then when you do respond and she try to 8:34 respond right back what you do is set up 8:37 a time so you can call on the phone the 8:39 reason why you guys don't want to be 8:40 [__] texting man is because when you 8:42 text and don't nobody know the context 8:44 of what you saying something I so you 8:47 can say something and meaning 8:48 way and somebody can interpret it the 8:50 wrong way all right and you could turn a 8:52 woman off that way because she didn't 8:54 know how to [__] you meant that all 8:55 right 8:56 sometimes people just take [__] wrong 8:57 and then spell proof the [__] and you 9:01 can [__] read it wrong because they 9:03 didn't spell proof it I so that's why 9:05 you don't want to take because you have 9:06 a you can always run a risk of get a 9:08 miscommunication so set up a time and 9:10 she's a high-interest woman set up a 9:12 time where you talk to on the phone and 9:14 in unless it's like a first phone 9:16 conversation or something like that if 9:18 y'all have been talking to something 9:19 like that you want to talk like five or 9:21 ten minutes and here's the thing guys if 9:24 it's a high-interest woman or a feminine 9:27 woman you know a lot of these games and 9:29 techniques [__] you don't really need 9:30 all right 9:31 because she's feminine she got high 9:33 interest all right the techniques I give 9:35 you guys is because I know that's not 9:37 the average woman all right 90% of women 9:40 are not gonna be feminine 90% of women 9:42 are not gonna be high interest the 9:43 average woman you

all right what's up fellas 0:04 so my last couple of videos i was 0:06 dealing with talking about 0:07 validation giving women validation and 0:11 it seemed to had a lot of guys confused 0:13 as into what was validating women and 0:15 what was not i had a lot of guys asking 0:16 is this validating women 0:18 is that validating women well guys 0:21 basically 0:22 uh validating women is pretty much 0:25 anything 0:26 you anytime you're giving a woman your 0:28 non-sexual 0:29 attention so basically 0:32 women already know you want to have sex 0:34 with them so 0:36 that's nothing but what a woman wants to 0:38 get you to do 0:39 when she knows you care about her is 0:41 when you're giving her a lot of your 0:43 non-sexual 0:44 attention so that's why we tell you guys 0:47 don't talk on the phone and stuff like 0:49 that because when you're talking on the 0:50 phone you're giving a woman your 0:51 non-sexual attention you're validating 0:53 her that's how you end up in the [__] 0:54 friend zone 0:55 because see once you give a woman once 0:58 you validate a woman and you give a 0:59 woman a lot of your non-sexual attention 1:01 well she has no reason to give you her 1:03 sexual attention because 1:04 you're already giving her your 1:06 non-sexual attention see what you're 1:08 dealing with with women is you're trying 1:09 to get an 1:10 even exchange non-sexual attention 1:13 for sexual attention do you get that you 1:15 don't you're not trying to become where 1:17 she getting all the benefits and you're 1:19 getting all the goddamn 1:20 you're giving and she's just getting

you 1:22 understand so if you're gonna give a 1:23 woman your non-sexual attention 1:24 she's got to give you her sexual 1:26 attention so basically 1:28 to validate a woman this is why i tell 1:30 you guys don't kiss a woman on the first 1:32 date 1:33 do you understand that when you kiss a 1:35 woman on the first date 1:36 you pretty much just validate her and 1:39 see 1:39 i used to do that and things were filled 1:42 out 1:42 now i don't and i see that a lot more 1:45 confused a lot of the women would text 1:47 me when they get home hey i had a great 1:48 time see they trying to fill me out to 1:50 see where my head is at to see if i like 1:51 them and i'll say something like 1:52 okay i'm glad you had a good time get 1:54 some rest and i don't validate them like 1:56 yeah i had a great time too no 1:57 no just get some rest all right i ain't 1:59 getting no validation 2:01 now guys the [__] that i'm talking about 2:03 on this channel this is 2:05 alpha male strategy not beta male 2:08 strategies not relationship strategies 2:10 so if you're looking for a relationship 2:12 take your ass over to corey wayne 2:14 and watch his channel what i'm over here 2:16 doing is trying to teach apples who want 2:18 to [__] and have a rotation 2:19 so if you're looking for a relationship 2:21 take your ass to court wayne town and 2:22 get your wife 2:23 you all know how to mob to tamara 2:25 braxton say get your life 2:27 or take your ass over that accord wayne 2:29 channel and get your wife 2:31 because i'm not teaching guys how to get 2:33 a wife over here i'm teaching guys how 2:34 to [__] these [__] to sleep 2:36 so another thing guys you want to do 2:39 you don't want to do is you don't want 2:40 to initiate physical contact when y'all 2:42 out in public 2:43 is you going to [__] her in public okay 2:45 then so it ain't no reason to initiate 2:47 physical contact 2:48 if you're on the living room couch or 2:50 you're in a bedroom 2:51 you can initiate physical contact 2:52 because you're in a setting for sexual 2:54 contact sexual 2:55 sex to take place you ain't gonna [__] 2:58 in a restaurant so why is you trying to 2:59 initiate physical contact you gonna [__] 3:01 her right there on the [__] table in 3:02 the restaurant 3:03 no you're not so you only want to 3:05 initiate physical contact 3:06 when you at the house or at a in a 3:09 setting 3:10 well sex can actually take place other 3:12 than that it serves no [__] purpose 3:14 what's the 3:14 what's the purpose of [__] grabbing 3:16 her hand in the middle of the park 3:18 you're gonna [__] in the park 3:20 all right so yeah another thing some one 3:23 of my subscribers 3:24 asked me was sex validating a woman guys 3:27 sex is not validating a woman 3:29 see at that point you winning she wants 3:31 your non-sexual attention 3:33 not your sexual attention she can get 3:35 sex anywhere 3:36 i want me to walk out the door and say 3:38 hey anybody want to have sex with me and 3:40 [__] every guy line up 3:41 that's nothing a woman can get that in 3:43 the well what she can't get in and well 3:45 it's non-sexual attention so that's what 3:47 she avoid that's what she's vying for 3:50 so she's validating and trying to get 3:53 your non-sexual attention 3:54 understand what i'm saying and what 3:56 you're gonna do is you're not gonna give 3:57 it to her easy 3:59 making her chase and pursue you for that 4:01 validation 4:02 so what she's gonna do she's gonna 4:04 [__] suck you to sleep until you get 4:06 it 4:06 until you

give it to her but you never 4:08 give it to her you keep her 4:09 chasing them i tell you guys over and 4:11 over that's what the bad boys do 4:13 they don't never validate these [__] 4:15 now don't feel bad for women 4:17 because please believe she got five 10 4:19 15 20 suckers 4:21 that give her all their non-sexual 4:22 attention hoping that they can get her 4:24 sexual attention 4:25 but they ain't watching my videos so 4:27 they don't have no [__] game so they 4:28 don't know what the [__] they doing 4:30 so she'll be [__] sucking you and 4:32 she'll be talking to them on the phone 4:33 and 4:34 they'll be carrying her [__] book bag 4:35 and doing all her [__] chores and 4:37 [__] 4:38 and so because they don't have no 4:39 [__] game so guys like i said 4:42 you don't validate a woman by giving her 4:44 uh physical contact 4:45 in a public setting you're not gonna 4:47 [__] publi 4:48 initiate physical contact if you're in 4:50 the house or somewhere where you can 4:52 [__] it 4:52 you don't talk on the phone you're 4:54 giving her non-sexual attention that's 4:56 what she won't 4:57 you validate her you don't kiss her on 4:59 the first date 5:00 only way you kiss her on the first date 5:02 if you invited her back to your crib 5:04 what sex can take place 5:05 you're gonna [__] up you're gonna [__] 5:07 it in the middle uh at the parking lot 5:09 are you gonna [__] at the restaurant no 5:11 so what's the point 5:12 what's the point you just validating her 5:14 for nothing now if you invited her back 5:16 to your crib 5:17 you can [__] her so you can make a move 5:19 it makes sense 5:20 you only want to do stuff like that if 5:22 you're in a specific place 5:24 where sex can take place it makes no 5:26 sense to go for a kiss 5:27 if you just walking a girl to a car 5:29 that's what nice guys do 5:30 all right keep that [__] wondering all 5:33 right 5:33 and another thing how you i'll validate 5:35 these uh [__] 5:37 seeing them three four consecutive weeks 5:39 in a row if you do some [__] like that 5:40 she knows you 5:41 you head over heels you crazy about it 5:43 you like her and you catching feelings 5:45 you probably gonna get a flake for for 5:46 long or some to that sword so guys you 5:50 don't want to see you want to keep them 5:51 confused you don't want them knowing 5:52 they're going to see you or not 5:54 and by you doing it this way it'll come 5:57 a point to where she makes a date with 5:58 somebody 5:59 else and she'll flake on them to see you 6:01 because you so erratic she don't know 6:02 when she might see you again 6:04 or she don't know when you might ask her 6:05 out again so she got plans with another 6:08 dude 6:08 she'll probably flake on him because 6:10 he's more consistent 6:12 that she don't she knows where she 6:13 stands with him that she'll just take 6:15 the time to go out with you 6:16 because you're so erratic with your 6:17 behavior she'll flake on him to see you 6:21 all right so like i said guys you want 6:23 to be erratic with your behavior you 6:24 want 6:24 you don't want to want to know where you 6:26 stand and like i said these are 6:27 manipulation tricks to [__] [__] 6:29 so if you will if you're looking for a 6:31 wife go with the corey wayne channel 6:33 and get your wife we over here alpha 6:35 male scratches we just trying to [__] 6:37 these [__] to sleep 6:38 all right like comment subscribe holla 6:41 back

what's up fellows so you got flayed 0:04 though huh 0:06 but here's the thing guys women are 0:09 gonna flip but there's a way you can 0:12 limit your flicks one of the ways you 0:15 limit your face is you can't never let a 0:18 woman be too certain of what you stand 0:20 if I had to say number one that would be 0:24 the number one reason once a woman feel 0:27 comfortable and knows where she stands 0:32 you really run a chance of getting 0:34 flipped over and this is always gonna be 0:38 a problem if a woman is showing high 0:42 initial interest and and if there's a 0:46 woman that showing high initial interest 0:48 and you have high initial initial 0:52 interest you're gonna have a tendency to 0:54 think hey well it's cool I don't have to 0:56 I can ease off the brake a little bit I 0:59 don't have to do all these manipulation 1:01 and games and tricks guys that's that's 1:04 one it's actually the hardest time to 1:07 stay solid into your purpose stay 1:11 focused on what you're doing it's when 1:13 she's showing high initial interest and 1:17 you have a tendency to think like oh I 1:18 can't blow this that's when you're gonna 1:20 blow it so you really need to pay 1:21 attention then you always have to remain 1:24 a mystery to a woman always always the 1:28 second she feels comfortable and feel 1:32 like I know where I stand I know he 1:34 really liked me her girls calling say 1:36 hey let's go to a bar she'll blow you 1:37 off or another dude calling say hey 1:40 let's go on another date she'll blow you 1:41 off 1:44 but you should never be in this position 1:45 to begin with 1:48 first of all let's go over the dating 1:51 strategies of how you got enough late to 1:53 begin with it first of all you have 1:57 seeing her too regular remember guys 1:59 when you start out seeing a chicken you 2:03 are they teamed she's not your 2:06 girlfriend you should not see her every 2:09 [__] week I don't care how high 2:11 initial interest is you got to 2:14 understand this is what

anyway because they're guys who got regular jobs that 2:062 minutes, 6 secondslook better than them and damn got women's just knowing I'm [__] so just a matter of fact Omari Hardwick is married 2:142 minutes, 14 secondsto ugly old white woman google it he's married to ol ugly white woman now had he been famous before he married her 2:232 minutes, 23 secondsI guarantee he were in America because he got more options now at that time he he I think he was a loser when she took 2:302 minutes, 30 secondshim in and I think that's the subject she took him in he probably won't even get [__] now he's the sixth son because he's on one of the popular shows Powell 2:382 minutes, 38 secondsand so now everybody wants to [__] him but when she took him in he went he was a lovable loser so that's the thing it 2:472 minutes, 47 secondsall boils down to tightening a woman's preference Keri Hilson might be six to 2:562 minutes, 56 secondsyou Rihanna might be sexy to you to me they're just average what I [__] them yet but then they don't knock my socks off because they are too petite I like 3:043 minutes, 4 secondsthick women I like the Robbie low souls of the world going Instagram check her out I like the dick of women that the big 3:123 minutes, 12 secondsbooty big hill so to me a Rihanna is just a seven yeah I could [__] her but she don't knock my socks off she the 3:203 minutes, 20 secondstype of woman I [__] two times and I'd be through with her and lose interest because she's not my preference I could [__] her but she's not my preference 3:263 minutes, 26 secondsthat's the thing with that so it all boils down to preference so just because you might think Rihanna is hot or 3:363 minutes, 36 secondsBeyonce's hot to me they're too small I like thicker women not saying I won't [__] them but just saying that if I was to have sex with them I have sex with 3:453 minutes, 45 secondshim two or three times before I started losing interest sexual you know and they'll start feeling the type of way because I'm not [__] them all time 3:523 minutes, 52 secondsbecause they're not mine's a prototypical type that I like they're not my preference even though they're 3:593 minutes, 59 secondspretty so this is the thing now there's things that you can have in 4:064 minutes, 6 secondsgame that can overcome them but when you 4:114 minutes, 11 secondsmeet a woman on the street she don't get most women don't give you a chance to 4:194 minutes, 19 secondsdisplay your game or the charm but none of that crowd specially of your online dating they only gone by your look and what 4:264 minutes, 26 secondsthey like to even allow you mentally to invade them unless you in a social 4:344 minutes, 34 secondscircle and you have social proof that's what status comes in it that's what status comes in it so say 4:424 minutes, 42 secondsyou owe a guy that is not her preference but something is providing you social 4:504 minutes, 50 secondsproof TV provides celebrities social proof so let's say you're in a social or 4:574 minutes, 57 secondssomething that's giving you social proof social proof means that you accept it and you're not socially awkward you have 5:055 minutes, 5 secondsfriends you have an association to something just something that's giving you social proof also that social proof 5:125 minutes, 12 secondsgives her a comfort and being with you because you have something that ties you 5:195 minutes, 19

secondsto something so she can feel comfortable with you you gotta understand guys you're gonna be way stronger than a woman so it comes down to her being comfortable so if you meet a woman 5:275 minutes, 27 secondsonline and social proof kills that social proof is also just a friend mean to a friend as in I know you're not 5:355 minutes, 35 secondsgonna rape and kill me because I know your friend and your friend should do Smee to you and he want to introduce me to you get you some weirdo so that's 5:435 minutes, 43 secondswhat status comes into play it social proof is pretty much just status you have something that guarantees me you're 5:495 minutes, 49 secondsnot a weirdo I see where you're at I know who you are it's sort of like doing who you feel comfortable doing business 5:565 minutes, 56 secondswith a guy on the street who can run off with your money and you'll know the hell yet or corporation that's on the corner that's been out 50 years you feel 6:056 minutes, 5 secondsconfident been out 50 years you feel comfortable paying them upfront they've been up 50 years opposed to the guy who's 6:126 minutes, 12 secondsa shade tree mechanic and run off with your money he doesn't have social proof 6:186 minutes, 18 secondsso social proof status looks and another thing money now 6:276 minutes, 27 secondsI'm gonna make a video later in more detail about money but a lot of guys just think like what money is she just 6:356 minutes, 35 secondswant to go shopping that in some cases you know there are some women are there was just pure gold diggers and that is the only reason why they value 6:446 minutes, 44 secondsmoney but some women they look at a man who makes money and he has Drive ambition and passion about something 6:536 minutes, 53 secondsthat pushed him to go get that money which turns on it's not just the money I make a video more in detail about that so I want to get too much into that 7:027 minutes, 2 secondsright now but it's not just the money it's the drive it took him to get that 7:077 minutes, 7 secondsmoney no with me this is what I say if 7:147 minutes, 14 secondsyou looking for a relationship you don't want to build your relationship on money 7:207 minutes, 20 secondsuh none of that crap like that know that because it's just she's just it's always 7:287 minutes, 28 secondsmoney money money money money if you like me and that's why I make this channel alpha male alpha male our 7:367 minutes, 36 secondsstrategies it's because I don't give a f--- under this money I don't give a 7:417 minutes, 41 seconds[__] of his looks I don't get a [__] 7:437 minutes, 43 secondsthis status as long as I'm [__] 7:477 minutes, 47 secondsif I can sell you a dream and show you a nice car and show you a nice apartment and you spread your legs thinkin you 7:557 minutes, 55 secondsgonna get some money because you like oh this guy got a nice car you got a nice apartment so I want to [__] him and maybe you know maybe he'll spend some 8:028 minutes, 2 secondsmoney on me later on then do that I don't care I'm not looking for love I'm a pure alpha male I have no intentions on getting married I don't even have 8:108 minutes, 10 secondsintentions don't get in a relationship right now I'm dating like six chicks that is not me if that's you I get everybody's different there are some guys on here who are looking for a 8:198 minutes, 19 secondsrelationship which is part of why you

what's up fellas me again

0:04

today i want to talk about confirming

0:07

dates

0:09

now we all know that confirming for

0:11

dates could be one of the most insecure

0:13

things you can do

0:15

and it's not a sign of very good

0:17

confidence

0:20

you're essentially saying i've been

0:22

flicked on a lot

0:24

so let me confirm with you to make sure

0:27

you're not flicking like all the other

0:29

girls did

0:31

do that sound like somebody you would

0:32

want to sleep with if you was a female

0:35

i want a high value man

0:39

if that's what the female is saying not

0:41

a guy who's getting flaked on

0:43

so even if i thought you was a catch the

0:46

fact that you get flaked on

0:49

it won't sound like you're that high

0:50

value to me sound like your customer

0:52

getting flaked on

0:54

so it's a proper way to confirm dates

0:59

without coming across as non-confident

1:02

and like you get flaked on a lot so what

1:06

i've come up with

1:07

and this is a strategy that i use

1:09

nobody's

1:10

taught this trick so like i said i don't

1:12

care what nobody else told you

1:14

this is what i've come up with to

1:16

confirm a date

1:17

but without seeming non-confident

1:20

because you gotta understand

1:22

women don't look at you checking the

1:23

confirmer they ask

1:25

oh well he don't want to waste his time

1:27

they look at it as in oh he must be

1:29

accustomed again flake though

1:31

so the strategy i use is let's say i

1:33

meet a woman

1:35

on tuesday online

1:39

or out in the public whatever

1:42

and let's hypothetically say i talked to

1:44

a two well let's say i met on the

1:46

weekend and i call it tuesday or

1:47

wednesday i say wednesday

1:48

and i want to set up a date for saturday

1:50

or sunday

1:52

i would say okay let's

1:55

meet up saturday i'll send you the

1:58

location

1:59

i'm not telling you when none of that

2:03

because i'm gonna send the location the

2:06

day of the date that morning the morning

2:09

of the day so if i say we're going

2:10

let's meet up saturday i will send the

2:13

location

2:16

usually with a picture with the address

2:19

and all that on the

2:20

offer google maps and i usually say text

2:23

meet me here at seven does that work for

2:26

you

2:28

you got to leave a question mark you

2:30

want to put a question mark on there

2:32

because if you just sent it and as a

2:35

complete statement

2:38

she don't got to confirm you just gave

2:39

her statements she don't got to say okay

2:41

or nothing she could you you sunk the

2:42

place

2:43

you sunk the time you still show up she

2:46

didn't even confirm or nothing so

2:48

you always want to say does this work

2:50

for you

2:53

you don't say is it okay or nothing like

2:55

that the words

2:56

are very tricky you want to say does

2:57

this work for you because

3:00

it's like you're being considerate

3:01

because maybe she don't get off work to

3:03

you know six or seven maybe she needs

3:04

8 30 or maybe that spots

3:07

um somewhere um her ex-boyfriend works

3:11

or something you never know

3:13

uh so maybe that's not a ideal location

3:16

for her

3:17

even though she shouldn't have no say so

3:20

into the date if you're paying

3:21

but you obviously don't want to go

3:23

somewhere well

3:24

her ex um her ex works at all

3:28

a friend of her ex works that you don't

3:30

want those stupid problems so you always

3:32

say does this work for you

3:34

now this is going to prevent you from

3:36

coming across as

3:38

insecure and not confident that she was

3:40

going to show up for the day

3:43

and all that and understand that when

3:45

you doing these

3:46

these strategies understand that it's

3:49

all about

3:51

being perceived as confident you

3:53

understand what i'm saying

3:55

it's all about women are constant

3:57

testing and stuff just become what the

3:59

hell you think [__] tips come from

4:01

there about per confidence that's it

4:03

she's out i test his confidence

4:06

a confident man is a high value man that

4:08

feels like he can

4:09

easily replace her which is what she

4:12

wants she wants a man that can

4:14

easily replace her i know right you

4:17

would think that these

4:18

dumb [__] would want somebody that

4:20

cherish and and worship the ground they

4:22

walk on but they don't they want a dude

4:24

that feels like

4:25

she is beneath him then she feel like

4:28

she got her

4:28

catch a guy who's getting inflated on

4:32

is not a high value man you think

4:35

leonardo dicaprio get flaked on

4:38

you know you i mean you think uh justin

4:40

bieber get flaked on

4:42

so you want to perceive yourself as

4:44

these high-value men men that who don't

4:46

get flaked on

4:47

confident men always stay that way

4:50

um i want you to like share the video

4:54

i'm trying to grow this channel big i'm

4:55

trying to help all brothers with the

4:56

strategy

4:58

uh i'm taking this thing to a whole new

5:00

level i don't do a lot of trial and

5:01

error 20 years

5:03

whatever of dating i don't figure out a

5:04

lot of trial and error

5:06

this and that and other and i came up

5:08

with some foolproof strategies and i'm

5:09

willing to share them with the world for

5:11

free

5:11

just because i can help guys out i heard

5:14

a lot of

5:14

dating coaches say call

5:17

um set up a date and then just show up

5:20

on the date

5:22

if you're dealing with an inconsiderate

5:24

[__] she might for

5:26

forgot about you especially if you met a

5:28

girl online she might literally forgot

5:30

about you

5:31

if you met her say online monday and

5:32

y'all set up a date for saturday and you

5:34

go to

5:35

that woman my name that woman will

5:36

probably talked to 200 dudes online

5:38

since then and literally forgot about

5:40

you

5:41

so you want to make sure that you

5:44

confirm but you want to confirm

5:45

in a slick way that way you don't waste

5:47

your time but you also don't come across

5:50

as a guy who get flicked off alright

5:52

i'll be back at me next time

what's up fellows decided to make

0:03

another video for the day in this video

0:05

I want to talk about first big kiss guys

0:10

never go for first date kiss no I know

0:17

most coaches say go for the kiss on the

0:19

first date

0:20

because you know you want to find out

0:22

right away if she's interested in that

0:24

but to me is not working and I'm gonna

0:28

tell you why people have rules

0:33

I have a rule I know I would not take a

0:35

woman out to dinner on the first date I

0:37

just won't do it I'm not making that

0:39

type of investment on the first date I

0:41

don't even know if I would like you to

0:42

get over spending money 7,500 bucks on

0:45

the better first date so a lot of women

0:48

have rules also and they have a room

0:51

that I don't kiss on the first date

0:53

I've had women dad would not kiss me on

0:56

the first date and I end up [__] them

0:58

on the second or third day because

1:00

that's just a rule now this also has an

1:04

advantage to you by you nothing going

1:07

for the kiss listen guys women are smart

1:11

and I know a lot of young guys are like

1:13

huh

1:13

hey smart really I thought it was dumb

1:16

into women's smart they way smarter than

1:18

us trust me they ways better than us

1:21

oh they way moment nip into the motion

1:25

they strategize way more than us and let

1:29

me tell you something

1:31

women nobody and you go for a kiss on

1:33

the first date

1:34

they know you're kissing them trying to

1:36

kiss her to find out if she likes you

1:38

take know that oh he's trying to find

1:40

out about Michael

1:42

so they want to be on some of you take

1:45

you getting 50-50 chance so I'm gonna

1:47

kiss you so I'm gonna give the the

1:48

moment did you know that toes lil kids

1:52

and that could be a woman that sucking

1:54

your dick on a second a third date don't

1:56

mean that she didn't you know won't you

2:00

they've been brainwashed at him most of

2:02

them I've been brainwashed that a woman

2:03

should kiss on the first date a lot of

2:05

them just had it if you don't believe me

2:07

I want some of you guys to go read I've

2:09

read a couple of female books the power

2:12

of the [__] and I forgot what

2:15

otherwords but oh the rules I was just

2:18

curious to see what they was teaching to

2:19

women and one of the rules are telling

2:21

women is don't kiss on the first date

2:24

their challenge so a lot of women listen

2:27

to that even if she's got high

2:28

interesting so just understand so you

2:31

you don't want to go you don't know you

2:32

don't want to give her the power to turn

2:35

you down what's the big rush what's the

2:37

big rush if you if you watching my

2:40

videos then you gonna know how to raise

2:42

interest not lower interest so what's

2:45

the big rush you go out you meet for a

2:47

drink you spend 20 bucks 30 bucks me you

2:52

know like me I like nice dates I don't

2:54

do it on the first date because you know

2:56

sometimes I do online dating I don't

2:58

need no other person gonna show up 50

3:00

pounds heavier than a picture that I had

3:01

I've had that happen so even me somebody

3:04

who likes doing nice things not to

3:06

impress a [__] but because it's

3:08

something I wanna do not to impress a

3:10

[__] but even me I will not do a nice

3:14

dinner date on the first date no way no

3:17

how am I know let's say I met you on the

3:19

street I might not like your personality

3:21

I'm not gonna go spend a hundred bucks

3:22

on with you it on for one

3:26

for one if I don't like you I could cut

3:28

the day short and get the hell out of

3:29

there so that's for one for two

3:32

I don't even know if I would like you so

3:35

that's the planet so if I got my rules

3:38

it's okay for women had a rules so don't

3:41

go for kiss on the first date by you not

3:43

going for kiss on the first date

3:45

let's I know you're not seeking our

3:47

validation going for the kiss on the

3:49

first date

3:49

is a subtle way of sneaking up

3:51

validation it's like I don't know if you

3:53

like me so let me go for the kids so I

3:55

could find out so you want the power so

4:00

now she gets to go home and wonder did

4:02

he like me he didn't go for the kids I

4:04

don't know maybe he did maybe he didn't

4:07

so I mean so let's say like this we're

4:10

all playing games we're all playing

4:12

scratchy right now if you go for the

4:14

kiss and even if she do give you the

4:16

kiss you better said I like you you have

4:19

nothing to worry about I'm gonna call

4:21

you in a couple days

4:23

bye you not going for the kiss she's

4:26

wondering he didn't go for the kiss I

4:28

haven't heard from the day did he like

4:30

me uh I really like him you want women

4:34

with tension in the head thinking women

4:37

leave a date when you don't go for a

4:39

kiss and you ain't calling her two or

4:40

three days like the whole three days

4:42

they've been like they ain't looking at

4:44

the phone like he texts me yet that's

4:47

what you want

4:49

you won't come here'd [__] up like

4:51

that when I'm teaching guys his we

4:53

taking a power back we've taken a power

4:54

back from these [__] when I speak I'm

4:57

not Midtown

4:58

I'm not Midtown I'm not I don't hate me

5:01

but I will say women run a lot of [__]

5:04

right now and we've been we gotta take

5:05

power back so what I say you don't go

5:08

for the kids leave a 1 and make a wonder

5:10

if you go for a kiss on the first day

5:12

you might as well just call her the next

5:14

day why wait two three days she already

5:16

know you like that you just can you went

5:18

for the kiss what's the what's the

5:19

purpose mine was just callin when you

5:22

get home you going for the kids you bet

5:24

I said okay you pass all my

5:26

qualifications because I'm trying to

5:28

kiss you

5:28

Oh kiss you I'm still I'm still checking

5:31

yeah I'm still running that background

5:35

check I got it makes it everything check

5:37

out so you don't get no kiss that my you

5:40

wanted to just wait the only time I go

5:44

for a kiss on the first date it's the

5:48

date was so good and I invited a girl

5:51

back to my house and she said yeah I'll

5:55

go for the kid's name at any house I'll

5:57

make my move because she came back to my

6:00

apartment I'll try but I ain't gonna

6:03

push it and she'll you know first of all

6:06

this is only it's based off as she

6:08

passed my test which is we come into my

6:12

living room and we sell the couch and

6:14

she sitting way on the edge of the couch

6:16

then I ain't gonna go for it she still

6:18

ain't caught fighting word buddy but if

6:20

she comes too close to me she's gonna

6:21

sit right right I'll be more close then

6:24

I can make my move

6:25

and try to go in I'm trying to I'll try

6:27

to have sexy back if I can if she put up

6:29

any resistance I'll stop right now

6:31

because it's the first day and trying to

6:34

have sex with a woman first date

6:35

it's too much anti [__] you know stuff

6:38

she got to go through in the head TV on

6:40

the first date they program not speaker

6:43

to do it on the first date second day

6:44

hey it's all good I didn't speak with

6:45

him on the first day by the first date I

6:47

don't even had a girl one time I met

6:49

online come see me for the weekend on

6:51

the Friday it was a Friday night that's

6:55

right now I was trying to funk she was

6:56

like not the first night like it was

6:59

okay the second day but not the first

7:00

night like we could do it tomorrow but I

7:03

came tonight is like that's its program

7:05

day here so what I say guys don't go for

7:08

the kiss on first night

7:09

don't be seeking her validation leave a

7:11

wondering and it's too much of a chance

7:13

if she's one of those girls that just

7:16

don't kiss on the first date you got

7:19

rules what if a girl says hey let's go

7:21

out the demo well it first day you'd be

7:22

like no why because you got a rule you

7:24

don't take women out on a date on build

7:26

a first date that's your showroom and

7:29

you ain't gonna break it ain't gonna

7:30

break it I'm going on a date in a few

7:32

minutes are you taking that [__] out no

7:34

do a date we're going out for a couple

7:36

of drinks just to see about like if I

7:38

like her the next day we'll do some nice

7:40

if I like I'm not gonna go I'd spend 100

7:43

bucks for some chicken I don't even know

7:45

if I want to spend a long time what up

7:46

[__] what if I get that I hate a person

7:48

natural she owned a and I want to end

7:50

the date in 20 minutes

7:51

I don't want to be sitting here forced

7:52

to hurry eat my food they get the hell

7:55

out of it so I'm gonna keep her some

7:56

some drinks if she's sweet nice I'll

8:00

invite her back to my crib if she like

8:02

no I don't think that's good idea

8:03

no big deal I won't push I give a hug

8:06

I'll call her back in I'll call in three

8:08

or four days maybe a week is just

8:10

depends on how my rotation gone so but

8:14

that's all I want to say guys

8:15

remember what I said and no kissing on

8:17

the first date we men we taking the

8:19

powers back

8:19

I'm gonna teach you guys some game [__]

8:22

all that [__]

8:24

here I'm running this [__] don't forget

8:26

to like and share the video

what's up fellas I'm laying in bed it's

0:05

about almost 1 o'clock right now thought

0:08

I'd make a video you see I got the

0:09

[__] cream on my face and all that

0:12

[__] I got bad skin or whatever arm

0:13

whatever but I got out of bed to make

0:16

this video for you guys so it's a way

0:19

you can prevent women from being

0:24

difficult so it's very simple very

0:27

simple way and sometimes I might have to

0:31

make these videos at times because

0:33

whenever they pop in my head some of

0:34

these tricks and strategies I'd be using

0:36

I'm just gonna make the video right

0:38

there cuz sometimes when I try to think

0:39

later I can't think of it but in a way

0:42

this is one that I always do it every

0:45

girl I meet right now on the first

0:47

phones to conversation there's a very

0:49

simple trick but it works very good and

0:52

it stops a lot of that [__] I simply

0:55

say when I'm talking to a girl I say

0:57

you're not one of those rules girls are

0:59

you and in the winter women will be like

1:03

what you mean rules girls I say you're

1:07

not one of those girls that read the

1:08

rules are you one of those books that

1:10

teach women the calm in return

1:14

Texas eight hours later and flick on

1:16

dates and try to be difficult and be a

1:18

challenge you're not one of those women

1:20

are you do that I don't do that by you

1:27

doing that you learn a woman over off

1:29

the back please don't try those stupid

1:33

manipulation tricks you read in a book

1:35

somewhere about return my texts six

1:37

hours later or return my call the next

1:41

day or two days later or don't try to

1:44

flake on a date hour before the date

1:46

trying to be difficult - my son came up

1:49

you let a woman through out the back

1:52

don't even try that I already read that

1:54

book and for you guys that don't know

1:57

the rules is like the bow to women it's

2:01

a book that basically teaches women how

2:04

to manipulate men it's a book that

2:08

teaches women how to be a challenge to

2:10

me and it's basically telling women that

2:12

return your calls six hours eight hours

2:14

later you guys got to read it it's on as

2:17

if you haven't read it to learn some of

2:20

the manipulation tricks women use you

2:22

got to read this book it's hilarious but

2:26

understand that millions of women read

2:27

this book which is why they act the way

2:30

they were act because this is like the

2:32

Bible to women and so it basically

2:35

teaches women how to be difficult and by

2:39

you putting it out friend if she if she

2:43

thinking about trying to return your

2:45

phone call five or a text four or five

2:47

hours later she'll be like oh [__] he

2:49

already said you're not one of those

2:51

rules girls are you now they don't mean

2:53

she's gonna return your texts in five

2:55

minutes but she won't be trying that

2:56

[__] because she already know you

2:58

read the book she already know you know

3:00

the strategy she already know you know

3:02

the manipulation so what's the point so

3:05

by you putting it out there in the front

3:07

you already put it in the forefront and

3:12

some of you guys don't even know

3:14

especially like saying you went on a

3:16

date with a girl one or two times you

3:18

had a magnificent day and she flaked on

3:19

a second date this book teaches women to

3:22

do that even if you had a great time

3:25

this book is [__] crazy you got to

3:27

read the book I mean it's called not

3:29

your mother's rules it's on audible.com

3:31

and you need to read it I mean it so you

3:35

could just be a well when a woman does

3:37

something you are I know she read the

3:39

book but you should be putting it out

3:41

front from the get-go simply on the

3:44

first phone conversation you have with

3:46

say please Tim you not one of those

3:49

rules girls are you what you mean rules

3:52

girl you know one of the girls who read

3:54

the book the rules you're not one of

3:56

those are you one of those women who

3:58

like to flake on Dave's and you know

4:01

return takes us six hours later I read

4:05

that book in the telling tale women had

4:06

to be [__] and all that and like I

4:08

ain't looking for the woman that's at

4:09

all this manipulation I'm looking for a

4:11

real woman and essentially your

4:13

telephone don't even play that [__] with

4:16

me I'm not with the [__] don't even

4:19

try it you'll see it worse you'll see

4:21

they don't do it because you already put

4:23

it out in the forefront but like I said

4:28

that's all I had to say I want to just

4:30

put that out there for you guys to know

4:31

that that is a great strategy to kill

4:35

some of that manipulation that they try

4:37

to use it's just put it out there in

4:39

front hey you're not one of those rules

4:42

girls are you

4:43

I like share this video I'm trying to

4:47

get this channel babe help me out a

4:50

holla back itches what's up fellas me again I'm back to

0:04

teach you guys how it's one thing about

0:07

all limit you must know they get bored

0:12

very easily very easily it's a reason

0:17

why women like love players and I'm

0:19

gonna make a complete video about that

0:21

later

0:21

and I heard a couple of people come in

0:25

that the volume is low so I'm probably

0:29

end up getting a microphone or something

0:30

so just bear with me till I get a

0:32

microphone the one that pins on your

0:34

shirt so games you know come right now

0:36

I'm just doing it off my iphone so just

0:37

bear with me and working on that but

0:41

there's a reason women love players and

0:46

that's something you need to know about

0:47

all women they get bored very easily

0:49

very easily this is why women love

0:54

players players keeping women emotions

0:58

in a turmoil because they're very

1:00

unpredictable number one reason why you

1:02

probably not having no success with that

1:04

woman you want it's because you're very

1:05

predictable you first of all you got to

1:10

get rid of that fear loss a lot of you

1:13

guys walk around on eggshells scared to

1:15

disappear for a couple days scared that

1:17

when you do call back so you gonna be

1:19

mad at you and I'm gonna talk to you

1:20

them over if she do that [__] she can

1:24

do that abundance mindset

1:27

I understand that more than likely she

1:30

won't women love to wonder why you think

1:33

they love these love novels women love

1:36

emotions why you think when you in a

1:37

relationship

1:38

everything is smelling selling alone

1:40

good and then she just come in and

1:43

create conflict why do you think women

1:45

filed for 70 to 80 percent of the voices

1:47

they just bored they just tired of

1:50

looking at your ass and they want to do

1:52

some different women love turmoil you've

1:55

got to be unpredictable even if you're

1:57

in a relationship even if you're in a

2:00

relationship instead of coming home

2:02

sitting on the couch go out and play

2:04

pool little wonder what you're doing you

2:06

ain't gotta cheat them maybe a little

2:08

thing maybe you is let him call your

2:10

phone and wonder hey wait what you were

2:13

you at you with your friends oh okay

2:15

instead of you just sit on the couch and

2:17

she know exactly what you're gonna do

2:18

you had it for break up if you're doing

2:20

it always keep a woman a woman's head

2:23

wondering be unpredictable

2:25

don't break patterns you say on Saturday

2:27

see on Friday see on Sunday say on

2:30

Tuesday swish it up stop being so

2:32

[__] damn predictable

2:36

if you take a woman out on Saturday

2:37

night she expect the two three day rule

2:40

is played look at me look at me it's

2:44

played if you took a woman on Sarah T

2:46

she expect you to wait about Wednesday

2:48

wait a [__] week call it a following

2:51

Monday not that Monday the following

2:53

Monday

2:54

skip a week it's okay she by doing that

2:58

you might give her a chance to show a

2:59

hand and call you and wonder hey haven't

3:02

heard from now you got the power

3:09

being unpredictable women get bored

3:11

easily easily that's why she flaked on

3:14

you she bought it you already in two

3:16

weeks

3:17

cuz you so [__] predictable tell you

3:22

can't see it as we tell you going to the

3:24

[__] Rocky Mountains

3:27

be unpredictable

3:29

stop doing the same things if you took

3:31

her to a restaurant here this time y'all

3:33

gonna do something different women get

3:36

bored that's why a lot of you not having

3:38

success you meet women and then you're

3:40

doing the predictable thing where all

3:42

day come should be unpredictable that's

3:45

why women love players that's why women

3:47

file for divorce they tie to your boring

3:49

ass always be unpredictable

3:55

alright like come and subscribe I'll be

3:58

back at you what's up fellas me again listen here guys in a game of dating you have to play the numbers game very

0:1010 secondsimportant you have to play the numbers game it's a lot that goes on with the numbers game when you are trying to meet

0:1818 secondswomen there's a lot of variables that's going on first of all one very important

0:2626 secondsone is she has to be your type you got to be our type that's one but it's also a lot of the

0:3434 secondsvariables another one is she got to be in the right headspace if you go and meet somebody or meet a woman and she's just

0:4444 secondsnot in the right headspace or let's just say she's working in school and she spent 16 hours and she's focused on her purpose the same way you focus on your

0:5252 secondspurpose women focus on a purpose sometimes too you gonna meet that woman she might not have no time or the time she could make for you she just don't

1:011 minute, 1 secondwant to she want to stay focused on what she got going on she know how needy most men are and she don't want to be having

1:081 minute, 8 secondsthe battle between spending time with you and studying for a midterm or something like that so so whole host of issues that's going on with the numbers

1:171 minute, 17 secondsgang other than just looks it could be a head space it could be timing contaminants another listen I'm a

1:241 minute, 24 secondspersonal trainer and I approach people in the gym about training in some time whether they bad night is just what's

1:321 minute, 32 secondsgoing on in in life sometimes they be like hey I just bought a car this ain't a good time oh I just moved or my son just started college and I'm paying for

1:401 minute, 40 secondsit out of pocket the timing is off so a lot of that just go into timing and so

1:471 minute, 47 secondsum I had a good girlfriend about two years ago three years ago she time is flying it's been like four years now so

1:551 minute, 55 secondsabout four years ago and my life just got craziest [__] at the time and and

2:022 minutes, 2 secondsthere was a girl I cared about but my my mission and my purpose was more important to me than her and so I was spending much time with her as I should

2:112 minutes, 11 secondshave been and we broke up because the timing was off if she probably would have met me at some other point in my life we probably would have got married

2:182 minutes, 18 secondswho knows but at that time the timer wasn't right and the same goes for you in the dating game when you meet one a woman that's why you have to play the

2:272 minutes, 27 secondsnumbers game you should make a goal for how many women you want approach each week each week make that number approach

2:352 minutes, 35 secondsif you talked to 100 women a week you gonna get you at least five at least five numbers if unless you just like

2:442 minutes, 44 secondsbeen doing stupid approaches but if you're doing grown man approaches when I say grown man approaches I mean you're going up introducing yourself to a woman

2:522 minutes, 52 secondsand acting like a gentleman and not some jackass like hey mama what's up you know the child is [__] like that if you do that and your hundred women

3:013 minutes, 1 secondyou gonna make you're gonna get a date you're gonna get some numbers or give out your number whatever the case may be however you do it and so it's very

3:103 minutes, 10 secondsimportant to play the numbers game and do not be discouraged it's just a matter of time if you talk to another one women somebody would buy and just remember

3:193 minutes, 19 secondsguys all it takes is one you know maybe you don't want to be like me I'm a womanizer and I wanna date you know six seven eight women at a time maybe you

3:283 minutes, 28 secondsonly want one woman or two whatever the case may be so if you talk to a hundred all you need is one or two so like I said it like

3:363 minutes, 36 secondscome and subscribe play that numbers game is also gonna keep you in abundance my mindset when you if you make the go

3:443 minutes, 44 secondsto talk to a hundred women a week and and you got this in your head I'm gonna talk to this men and women a week on at least fifty and one a.m. right you know

3:543 minutes, 54 secondshey I'm gonna talk to fit them on next weekend fifty more than we got and fit them all it gives you an abundance mindset we're just gonna make you more attractive because you're not in a

4:014 minutes, 1 secondscarcity mindset which causes needing this clinginess so you want to stand on bundy's mindset which is attracted to him they can feel

4:084 minutes, 8 secondsthat abundance mindset how can they feel it they try some stupid [__] and you don't tolerate it because you an

4:154 minutes, 15 secondsabundance mindset I like come and subscribe holla back it what's up fellas me again

0:03

so today guys we're here to talk about

0:05

how to get women to do most of the

0:09

investing on the first date as a lot of

0:12

you know dating is an investment but I

0:19

don't want to do the investment I will

0:21

hurt to do the investment so there's a

0:23

couple of strategies a couple of tricks

0:25

I've come up with to get the women to do

0:28

all the investing on the first date my

0:33

first one is I make her come to me now I

0:37

know what you're thinking to yourself no

0:40

woman's gonna do that now I don't know

0:42

where you if you're watching this video

0:44

I don't know where you're located but in

0:45

New York you could be living in

0:47

Manhattan and you could be talking to a

0:49

chick that's in the Bronx or Brooklyn

0:51

which is you know far away like 40

0:54

minutes away if it's no traffic so I

0:56

want her to come to me I don't want to

0:58

meet halfway because that kills the

1:01

logistics of sex let's say y'all happen

1:03

to magnificent first date I mean sparks

1:05

are flying you either want to be by her

1:08

place or your place preferably your

1:10

place because you know even if the

1:14

sparks are flying

1:15

she probably don't want to come back and

1:16

you come back to a place cuz let's keep

1:18

it real a lot of women keep dirty houses

1:19

nasty houses and so she probably not

1:22

gonna want you to come back to her place

1:23

so the best you have your own place and

1:25

keep it nice and clean just in case the

1:27

date going fine you can invite her back

1:29

but to get back on topic so you're gonna

1:32

come to you in the higher you're gonna

1:33

get her to come you because she's not

1:35

gonna do all the investment she only

1:37

don't want you to come to her or she

1:38

gonna want to meet you halfway so

1:40

there's a couple of tricks well that's

1:42

one trick I've come up with that always

1:44

works to get her to come to me I always

1:47

tell the women I cracked my room the

1:51

night before so if I'm taking a girl out

1:54

Saturday I would say hey last night I

1:56

was out with friends we was out and I

1:59

cracked my room now I don't know if you

2:01

know anything about New York but there's

2:02

a lot of potholes in New York a lot of

2:05

potholes

2:06

and so I would just simply say I cracked

2:10

my rim and so I'm on it I'm on the

2:14

doughnut right now and so I want to keep

2:16

it closed or dry off take it over or

2:19

something and 95% so 95% of the time the

2:24

women will come to you and they're like

2:25

oh okay

2:26

I don't say Oh some say well maybe we

2:28

should go some other time but 90 to 95

2:31

percent let's just say 90 on the safe

2:33

side

2:33

we'll say fine okay I'll come your way

2:38

and you simply just say hey next time if

2:41

things go well next time I'll come to

2:43

you you know to make it fair you know

2:45

first they go first go well you say that

2:48

if the first day go well don't say next

2:49

time I come to you like you know she's

2:52

already past your requirements say so if

2:55

the first date goes well the next time I

2:56

come to you so all right but I still I

3:01

gonna come to when she comes back up

3:03

next week I'm gonna say they have my rim

3:05

tire whatever I'm keep on trying to get

3:06

the girl to come to me but anyway and

3:09

secondly you say how I get a girl to pay

3:13

or at least buy me around the drinks on

3:16

the first date and I simply lie and I

3:19

say tomorrow's my birthday well

3:21

yesterday was my birthday you don't want

3:23

to say today's your birthday because you

3:26

don't want to look like a loser that's

3:27

hanging out with a girl and then got no

3:29

friends celebrate your birthday on the

3:31

first date so you won't say I celebrated

3:35

my birthday yesterday yesterday was my

3:37

birthday and so my friends took me out

3:40

and had a good time or whatever and the

3:42

girl oh well let me buy you a round of

3:44

drinks for your birthday ain't gonna be

3:45

your birthday now these are pure alpha

3:48

male strategies

3:49

what's the alpha male alpha males are

3:53

men that generally don't wanna settle

3:55

down cool generally just trying to screw

3:56

as many chicks that this is not beta

3:58

male strategies so if you're a guy who's

4:01

looking for a relationship well if you

4:03

if the woman found out you lied about

4:05

her your birthday on the first day she's

4:08

probably gonna get turned off because

4:10

she's not seeing or trusting you see

4:12

anal girl I'm dealing we're gonna be

4:14

around three months four months I'm

4:17

gonna being probably had by

4:18

eight nine ten more women by them so I'm

4:21

not concerned with that uh I found out

4:23

the truth they don't want my birthday

4:24

because I read no she's not gonna I'm

4:26

not gonna keep around no way three four

4:28

[__] and I'm out the only way I keep

4:31

around she's real freaking she'd like to

4:33

do threesomes and all that type of [__]

4:34

but other than that by fofox I'm done

4:36

with next so that's why I named the

4:41

challenge guys alpha males gravity these

4:43

are not beta males scratches so if

4:45

you're looking for a wife gold watch

4:46

career and he teaches relationship

4:48

advice I'm teaching guys who just wanted

4:51

putting notches in they built and you

4:53

don't got it like that but that's the

4:55

audience I'm targeting and so if you're

4:58

gotta doing that obviously a girl ain't

5:03

gonna be around long enough to know what

5:05

your birthday no what else so I always

5:07

say that that gets out about me around

5:09

invest now let me tell you why it's good

5:11

guys to get her to make an investment it

5:14

draws an attachment you see what I'm

5:17

saying it draws an attachment you want

5:19

her to get attachment and you want her

5:20

to put some in which makes her won't you

5:24

make see through her investment so she's

5:27

more invested into seeing it work

5:30

because she's put time and coming to

5:33

seeing you gas and she bought probably

5:36

bought you around the drinks some girls

5:37

have even paid for the first date cuz it

5:39

was a birthday you understand what I'm

5:41

saying so understand all those scenarios

5:44

are going on and so you want to make her

5:48

invest but I try to get her to do all

5:51

the investing I don't wanna do nothing

5:53

as much as I can unless as I can so if

5:56

you got some questions write them down

5:58

below like I said those was just some

6:01

strategies you want her to come to you

6:03

so you just say out you know I cracked

6:06

my room the night before you want to

6:07

come to you first of all they're just

6:08

gonna line you up to get logistics or

6:10

sex so now the first date goes well

6:13

listen guys even if you don't get sex on

6:18

the first date you want to try to get

6:19

her back to your apartment if it's going

6:21

well at least get in and even if it

6:24

don't lead to sex you've already set up

6:26

rest

6:27

that is okay for her to come in your

6:29

place so by you sitting pressing on the

6:31

first exit and she's already been to

6:33

your place on the second day you can

6:35

invite her over until y'all can cook

6:38

dinner to go because the president has

6:39

already been said she's already been to

6:41

your place you want to knock that lucky

6:43

out the box as soon as you can because a

6:47

date is a progression and I'll make a

6:51

video about this but a date is a

6:52

progression you know you do this you go

6:55

on the first date

6:56

you got a kiss before you [__] you got

6:58

to go back to your house before you

6:59

folks so you go to the kids then it

7:01

progresses to a axonal back to the house

7:03

then to the bedroom it's a progression

7:06

you don't go on the first date you

7:08

scrape back home and just have sex it's

7:10

a progression so the quicker you can

7:11

move those steps along the closer you

7:14

are to your end goal which is [__] so

7:16

you want to if you try to progress it as

7:18

much as you can't on the first date

7:20

without coming on too strong and only do

7:24

these at the thing if the date is going

7:25

great

7:26

all right so like I said like come and

7:30

subscribe I'll get back with you later what's up fellas me again

what's up fellows me again so I'm here 0:05 to tell you a quick way you can get laid 0:08 if you're broke because me telling you 0:12 to get your [__] together while that 0:15 might help you a year or two down the 0:16 road it's not gonna help you today 0:18 so if you're a guy and you're trying to 0:20 get laid today you still need to be 0:22 working on getting your [__] together 0:23 but you're still a man you got hormones 0:25 you're still on the [__] two days so me 0:27 telling you to get your [__] together 0:28 for a year or two it's not like you're 0:30 gonna go two years without [__] so 0:33 the secret to this guy's you simply 0:35 gotta sell a woman on your potential 0:37 it's just that simple and she's gotta 0:40 make her head how long she's willing to 0:43 invest to see that potential come true 0:46 we do the same thing when we go out and 0:50 date women we're analyzing everything 0:53 she's saying you know religion 0:56 everything just everything she's saying 0:58 and we're thinking you're not here 0:59 without saying it how long is it gonna 1:02 take me to get this damn [__] and 1:04 you're willing if you're looking at her 1:06 and you're judging and you're thinking 1:07 to yourself how long are you willing to 1:09 invest to get it you're taking how long 1:11 she's gonna try to make you wait and 1:13 you're thinking how long are you willing 1:14 to wait now I already got my three-day 1:16 rule but you know it can be a 2-day rule 1:20 if on the second date she'd give me the 1:22 cheat so it'd be a to date rule but so 1:27 you gotta sell on your potential and it 1:29 simply gotta be to her how long she's 1:32 willing to invest so you gotta be good 1:34 at selling if you're broke and you don't 1:36 have nothing to date you got to be good 1:38 at selling all your potential so let's 1:40 say you tell her how you're writing a 1:41 book and she's like wow that's great and 1:44 you know women are funny too because 1:47 they like interrogate us when they try 1:48 to when you're trying to set them on 1:49 your potential age trying to see how 1:51 true it is and how much more you know 1:54 how far you got to go before you get to 1:55 the endgame so they start asking 1:57 questions Wow how many chapters you 1:59 wrote do you got a publisher do you know 2:01 when you're gonna publish the book they 2:02 start asking the question cuz they 2:04 trying to analyze how long this 2:07 investment gonna play off so they trying 2:10 to see like if you fall away are you 2:13 close 2:13 in the last chapter are you on the first 2:15 chapter are you in a book critics like 2:18 is this gonna be three years four years 2:20 I mean what's going on here so they uh 2:22 they analyzing too so you gotta sell it 2:25 that it's it's near and it's coming to 2:27 end now I know you [__] beta males 2:29 yeah man but I don't want to do all that 2:31 to get a chick man I want a girl like me 2:33 for me guys looking listen he'll with me 2:36 I don't give a [__] of what if a [__] 2:38 [__] me for potential I don't give a 2:40 [__] of a [__] [__] me for my car I 2:42 don't go [__] for [__] [__] me for ital 2:44 I am I'm your [__] [__] [__] 2:46 because she

like my beard I really don't 2:48 give a [__] I'm not looking for love and 2:50 I'm not looking for a relationship all I 2:52 want to do is [__] so about who about 2:54 crew as long as I get the [__] I don't 2:57 care so you guys like I said you guys 3:00 are filled that moral standing that 3:02 moral high ground yeah but I want a girl 3:04 that's gonna like me for me cuz I'm a 3:06 good fellow yeah you keep doing it I'm 3:09 talking to the guys I'm just trying to 3:10 get laid if you're looking for a wife I 3:12 said it once I sitting in I don't know 3:14 what the [__] you are on this channel 3:16 for this is not a relationship channel 3:18 going on at the core of rain and find 3:20 your wife this is for guys who just 3:23 trying to get girls to spread them legs 3:25 that's all we care about 3:26 by who about crew last D chill long as 3:30 we get - that's all we care about so if 3:33 you're broke guy and you ain't got 3:34 nothing today and you won't know how to 3:37 get laid today you simply have the cell 3:41 on your potential and she simply have to 3:43 make an analysis how long it's gonna 3:46 take for this potential to pay off but 3:48 they hire his ass so you gotta sell it 3:50 and you need to make it seem like it's 3:52 closer than I so even if it's a year 3:54 where you need to make it seem like it's 3:55 three months away because if you make it 3:58 seem like it's a year or two away she 3:59 man I'm not willing to invest in that 4:01 and then you believe me and go get a 4:03 white one so you need to make it seem 4:05 like it's close so I like for me just 4:09 take me for example I was a bouncer in 4:13 meatpacking district making about six 4:17 hundred bucks a week in New York in New 4:20 York so you know there's no money in New 4:21 York so I was living in a basement in 4:23 Brooklyn and so I will meet girls 4:27 I know I was living in a basement I knew 4:29 I would didn't really make a lot of 4:30 money 4:31 I had to sell girls with my potential to 4:33 get some of the nicer looking ones not 4:35 the seventh yeah I mean come on the 4:37 sevens gonna be like okay he's a 4:39 good-looking dude I'll [__] him until my 4:41 denies intense I got more options that 4:43 [__] take a little bit more for them cuz 4:46 they got more options so they're gonna 4:48 be looking for they got more to pick 4:50 from so you need to bring a little bit 4:52 more than just being a good-looking face 4:53 and so I used to you know tell him I'm 4:56 starting my own security company I had 4:58 my little cars and all this [__] man 5:01 because they ain't gonna go for that you 5:04 making six hundred bucks a week in New 5:06 York living in a basement in Brooklyn 5:08 that [__] ain't gonna fly and then it 5:10 was a shitty basement at that so this is 5:13 thing I'm telling you guys if you ain't 5:15 gotten in today you gotta sell a girl on 5:17 your potential whatever you're doing and 5:19 you need to sell her that is close and 5:21 not fall if you can do that you good you 5:25 can't if you can't sell it then you 5:27 can't sell it so you know there's a 5:29 thing just not too long ago I was dating 5:32 a girl who was making it was withholding 5:36 sex and then I got to the third date and 5:38 then she tried to sell me on that I was 5:40 close dad you know I'm just not really 5:43 right now but you know maybe I be ready 5:45 you know a little bit while longer 5:46 I cut it off because I'm not willing to 5:48 invest any more time so you got a cell 5:51 home that time she didn't do a good job 5:53 of selling me on that so it's all in

how 5:55 you sell it you got to say your 5:57 potential and this is for alpha males 5:59 only it's ain't for one of you but her 6:01 guys who still get mad that women love 6:03 money 6:04 go [__] yourself with that [__] go 6:06 to the corner where in China and learn 6:07 and get your wife and get you a woman 6:09 that's gonna love you don't tell my guys 6:10 and just want to stick they pick and 6:12 stick they Dickens them we don't kind of 6:14 all that [__] all right like come 6:17 and subscribe holla back

what's up fellas 0:03 we're here today to talk about the 0:04 biggest lie ever told in a dating game 0:07 confidence now it's a couple of reasons 0:10 why dating coaches 0:12 like to use confidence and it's simply 0:16 this guys 0:17 it's a fallback position 0:20 so they take none of the blame if they 0:23 advice don't work 0:24 which is 90 of the time so it's like 0:28 hey coach i read your book i did what 0:30 you told me to do 0:31 and i didn't get any numbers this week 0:33 ah you want confidence you wouldn't say 0:35 you weren't confident that's why you 0:36 didn't get normal it's not me 0:38 if you did exactly what i said and you 0:41 was confident with it 0:42 then you would have got some chicks you 0:43 didn't get no chicks because you weren't 0:45 confident 0:46 it's the biggest [__] ever told a 0:48 man first of all 0:50 let's talk about this confidence where 0:53 the [__] does confidence come from 0:55 right now i'm not confident that i can 0:57 go out and hit a baseball 0:59 with a bat you know why because i 1:01 haven't done it 1:02 i'm not gonna just be confident for the 1:04 hell of being confident i'm not gonna be 1:06 confident that i could run 1:08 a four

minute mile because i haven't 1:09 done it you understand what i'm saying 1:12 so if you're a guy though and you 1:14 haven't slept with a woman in your life 1:16 or you go through long droughts 1:18 and you go and pay for a dating coach or 1:20 you read a book 1:22 how the [__] are you gonna be confident 1:23 what the [__] the confidence supposed to 1:25 come from that 1:26 then out confidence comes from 1:28 developing a skill and succeeding at it 1:30 and getting good at it so you derive 1:33 confidence confidence just don't come 1:34 out of dnl 1:36 i it's the most stupidest thing i've 1:39 ever heard in my life 1:41 if you haven't done something and you're 1:42 not good at it you're not going to be 1:44 confident in it 1:45 companies come from doing something 1:48 getting good at it and efficient at it 1:50 and you get confident at it lebron james 1:52 is going to be confident in basketball 1:54 because why because he's made an 1:55 all-star 1:56 almost every year he's been in the 1:58 league he's considered the best player 2:00 on the planet 2:00 of course he's going to be confident 2:04 but the guy who's barely making the 2:05 league his company is going gonna wane 2:07 from time to time 2:08 why he's not as good 2:11 so understand i made this video guys 2:14 just to unders 2:14 make you understand that why dating 2:16 coaches use the lie 2:18 confidence confidence is a complete 2:21 [__] 2:22 what you need is self-improvement 2:26 and that's what separates me from 99.9 2:29 of dating coaches i don't they haul the 2:32 confidence i'm telling you 2:33 self-improvement 2:34 if you're fat all the confidence in the 2:37 world is not going to make up for that 2:38 fat 2:39 fat is one of the biggest turnoffs you 2:41 can have to a woman 2:43 women are naturally turned off from man 2:46 boobs 2:46 and a big old belly not all but most 2:50 most women are turned off by a broke man 2:54 a man that can't dress a man ain't got 2:56 none going for herself 3:00 so if you ain't got no money and you're 3:02 overweight 3:04 how the [__] are you gonna be confident 3:07 if you lose weight and you go out and 3:09 get a job paying your half a million 3:10 dollars a week 3:11 a half a million dollars a year you're 3:13 gonna get confident why 3:15 look at your life circumstances 3:19 self-improvement first the confidence 3:21 will come from the self-improvement 3:24 you do need confidence but it will only 3:26 come from self-improvement 3:28 we can't put the cart before the horse 3:32 there won't be no confidence without 3:34 self-improvement 3:35 none i don't know what you think you're 3:38 gonna do 3:38 i don't know where you think this this 3:40 magical company is supposed to come from 3:42 you can't go to the store and say hey 3:43 can i get a loaf of confidence 3:46 it don't work that way you develop 3:48 confidence 3:49 by improving your life situations 3:53 i ain't going to make this a video too 3:55 long i just want to let you guys know 3:57 beware the [__] snake sale 3:58 oil salesman these guys out here trying 4:00 to sell you some confidence [__] 4:02 it's just a precursor so they don't get 4:05 blamed 4:05 for their lack of results and they just 4:07 blame oh you 4:08 you ain't confident 4:11 but they leave out the part about hey 4:14 you need to develop 4:15 um to develop a skill that's going to 4:17 pay you better 4:18 you need to lose some weight you know 4:20 why they don't want to tell you that 4:21 because

they can't bother that up and 4:23 sell it and that takes a long time so 4:28 they tell you lies 4:29 so if i'm a coach if i'm a dating coach 4:33 and i tell guys hey you need to lose 4:36 weight 4:36 and improve your finances guys don't 4:39 want to hear that 4:40 guys want a magic pill and so they like 4:43 snake else 4:44 snake oil salesmen and they say some 4:46 [__] that they know don't work 4:48 if you're 300 pounds and you work at 4:50 popeye's chicken 4:52 what the [__] how the [__] you supposed 4:53 to get confidence where is this magical 4:55 confidence supposed to come from 5:00 but if you lost some weight improve your 5:02 financial situation 5:04 you'll start feeling better about 5:05 yourself and when you want to be 5:07 approached to approach a woman you'll 5:08 feel like 5:09 i deserve you i look good i'm doing good 5:12 for myself i deserve you and it's going 5:14 to come through 5:15 the way you talk to her but if you're a 5:18 guy 5:18 and you overweight and you make 10 bucks 5:21 an hour and you went up and you would 5:22 talk to attractive female 5:24 you're gonna feel like man i'll be lucky 5:26 to get you 5:27 she gonna feel that she will feel that 5:31 you feel privileged to get with her 5:33 that's why you can't get her 5:35 until you honestly in your heart feel 5:37 like you deserve her 5:39 and that's only going to come through 5:40 self-improvement 5:43 that if you got yourself in the best 5:45 shape that you could 5:46 if you improve your finances to the best 5:49 of your ability 5:50 when you went up in your talk to 5:51 attractive woman you're gonna feel like 5:53 i deserve you 5:54 i'm doing good i have things to offer i 5:57 deserve to mate with you 6:00 not i would be lucky if you if i mate 6:03 with you 6:03 right now i make decent money 6:06 but i don't make money to a pool of 6:08 beyonce so even me 6:11 if i was to sleep with beyonce i would 6:12 feel like i'm lucky to sleep with her 6:15 because she makes way more money than me 6:17 you understand what i'm saying 6:19 she's got way more status than me so 6:21 when i came up and i approached her she 6:23 would feel that 6:25 therefore i couldn't get her 6:30 but let's say i became this big music 6:33 music mogul or something like that and i 6:35 went up and approached her i would feel 6:37 like i'm entitled to you 6:39 if i'm if i'm a lebron james i would 6:41 feel like i'm entitled to you 6:45 so even me if i was to go up and talk to 6:47 rihanna ariana or beyonce i would feel 6:49 like [__] i would be lucky to sleep with 6:50 you because i know they have way more 6:52 status and money than me 6:53 how the [__] would i go up and talk to 6:55 her confident you couldn't 6:56 because you know she's at your lead 7:00 it's just that simple guys like i told 7:02 you from the get-go i'm not here to blow 7:04 smoke up nobody asked 7:05 100 as long as i'm on this channel 7:07 you're going to get 100 the truth from 7:09 me 7:09 i'm just going to keep it real and funky 7:12 and that's the way it is 7:13 i'm going to make you guys to the depth 7:14 of me improve 7:16 your self self improvement first 7:20 [__] is second that should be your only 7:23 objective 7:26 like come and subscribe we sticking with 7:29 that self-improvement all that 7:30 confidence [__] we throwing that 7:31 away 7:32 it's coming up to uh year 2018 we 7:35 killing all that fake confidence 7:36 [__] we're about self-improvement 7:38 making ourselves better 7:39 so we feel like a woman is
